Version 1.0

Version 1.0 because this is just the first attempt to reconstruct our history (part 1) and by no means the entire story. It is mainly based on what was going on in Europe in general, and Germany more specifically.

This book is not to be used to arouse hatred or violence towards the actors of the YaH-Theater. It is solely to be used as educational insight in our history and to be used for research purpose in the pursuit of Truth = Reality.

This book is part of my series: Welcome in Kabbalah-Land.

The purpose of the Kabbalah-Land series is to get all people out of the YaH-Theater and back into Reality.

Introduction

Herewith I will present to you an overview of the history (as far as I have information up till now that is) of the YaH-Theater.

If you do not know what the YaH-Theater is please go first to my presentation Kabbalah-Land: 1. Torah-PsyOp; and 2. Root Cause of all Evil. For the Dutch speakers there is a whole series of Kabbalah-Land, breaking down all aspects of the YaH-Theater. I also urge you to first read my Oera Linda Book Translation Diets-English or Diets-Nederlands in order to understand our history before the implementation of the YaH-Theater.

The information of this presentation comes from the OLB and a few brilliant researchers living around 70 - 100 years ago: General Erich Ludendorff and Wilhelm Kammeier and some others from then and recent years. Erich and Mathilde Ludendorff were not, as falsified history told you, national socialists, on the contrary, they made it their life's work to get people out of the NS-psychosis and start living in reality, freedom.

Some of the books of Wilhelm Kammeier are translated into English by Friedrich August Wilhelm Erxleben d.J. and are to be found on archive.org. The books of Erich and Mathilde are not translated. I really urge people to search for these books and read them for themselves. Here I 'translate' some of the passages of the books I used of Erich and others, but as I am not great in translating between two foreign languages it will not be 100% accurate. So, do not use my summary as being a translation of their work, it is just an introduction into their work. Read it yourself.

Erich und Mathilde Ludendorff
„Habe den Willen, dass die Geschichte nicht Lüge werden soll.“

The summary goes from OLB (till 950) to Wilhelm Kammeier (1300 -1409) to Erich Ludendorff (1500 – 1937) to the forming of the European Union. With thanks to Mathilde Ludendorff, Oskar Gröbling, Dr. Gunther Duda and Matthias Köpke for their analyses to make this summary more complete.

In order to understand this summary of history you have to forget everything you have ever learned about 'history'. Do not try to fit this summary into official 'history' because you will end up being completely schizophrenic. Go with a brain as blank as possible into reading this book. Do not believe anything, just use your logic and common sense to distinguish truth from lies.

As I go through the history you will find the years after the Great Flood in brackets after the current timeline year. In order to understand the YaH-Theater, the following kabbalistic numbers are important:

YHWH = YH (male part) + WH (female part = Shekhina) = 15 + 11 = 26

YH = (10 + 5 =) 15 = 6; YH, YH, YH = 45 = 666 = 18 = 9; YaH rules the whole 'universe'

WH = (6 + 5 =) 11; WH, WH, WH = 33 = 6; WeH rules the earth

In Part 2 we will go into the strategies how to get out of the YaH-Theater. The first section will be for individuals, who have managed to extract themselves mentally from the YaH-Theater. This part is written with the help of Mathilde Ludendorff's books and Roland Bohlinger. The second section will be about the strategy of how to collectively exit the YaH-Theater, and build a society in which everybody can live in Peace and Freedom.

The strategies how to exit the YaH-Theater are based on the books written by Anima Diets, *Germaanse SeeleWysheit for Lijf on Erde in Paix and Liberteit* (Germaanse SoulWisdom for Life on Earth in Peace and Freedom, EN and NL), 2020, my own work written in the Kabbalah-series, the *Oera Linda Book* (see my translations in EN and NL) and insights of Mathilde Ludendorff.

None of what I write is to be believed. The goal is to get people out of the state of believing and start using common sense and the wisdom stored in your Mod / ('DNA') / Seele, that is living in Reality.

The difference:

You **believe** in fantasies, no matter whether these fantasies are truths or lies. Even if your fantasy is true, you are still in a believing-state, which means any time this can be warped into some crazy fantasy. Only when you have seen or experienced yourself the proof something is correct, you will **know** the truth, and it can never be corrupted again. At that moment you have deleted your belief.

As long as you believe in fantasies, which is believing what other people told you or wrote in a book, or you just cooked it up yourself, and you are convinced that your fantasies are Truth = Reality you are schizophrenic. That is not me calling names, that is the official definition of schizophrenia: Believing that your fantasy-life is the reality.

The only way out of this schizophrenic-state is to delete all beliefs/fantasies and start living in Reality. In section 2 we will go deeper into this. I just want to make clear we are talking about a 'medical' condition, not just a fancy word I chose. 100 years ago Mathilde Ludendorff, a psychiatrist, already recognised this problem and called it 'induzierte irresein', induced insanity. It is an officially recognized mental disorder in psychiatry.

Contrary to schizophrenia, caused by childhood-trauma, which is difficult to heal (but not impossible when used the scientific work of Dr. Hamer: *Germaanse Heilkunde*), induced-schizophrenia can be healed easily, when the will is there, by deleting all fantasies/beliefs from your Filter. The Filter is the part in the brain where all lies, beliefs and fantasies are stored (see the book of Anima Diets).

For now, just go with the flow. Read the book and contemplate on the contents. Just read the words, do not start to interpret what is written. Everything is written as is meant to be. There is no hidden agenda or different meaning. I hear you saying: "Well you write this but actually it means that". No, what I write is what I meant to convey. If you get offended or angry it is because that what is written comes into conflict with a belief in your Filter. Try to ignore your anger and find the courage to go on reading.

Just relax and enjoy the reading,

Alex Frya's Bern

Part 1. The History of the YaH-Theater

The Actors of the YaH-Theater

Let me start with introducing to you the main characters of the YaH-Theater, as I have identified them now, based on the information I have been able to gather:

Finna: The Aryans from Persia/Iran

Known as: Freemasons, Democrats, Republicans, Protestants, (Greek-Orthodox) Christians, 'Humanitarians', Philosophers aka 'Scientists'.

Religion based on: A fictional 'Egyptian' culture, Zoroastria/Scythian, Wodanism.

Priests are called: Magí, Magyars, nowadays: Presidents and Priests/Ministers

Race: Aryan or mix of Aryans + Slaves (eastern european Whites)

Goal: A Democratic World-Republic

Named by me: Team Blue

Phoenicians: From Phoenicia = Lebanon/Palestine

Known as: Roman Catholics, (ashkenazi or sephardic) Jews

Religion based on: Hellenism, Jesus-cult and sun-worship.

Priests are called: Gols (in the bible Levites), nowadays: Kings and Popes/Bishops/etc.

Race: Mix of Asian (yellow or brown) + Whites + Blacks

Goal: A Roman Catholic God-Worldstate

Named by me: Team Purple

Mongols: From Tibet, Mongolia, China, Japan

Known as: Buddhists

Religion based on: Buddhism, Jesus-cult, 'New Age', Magic, Anthroposophy, etc.

Priests are called: Lama's

Race: Yellow Asians (Mongols) or mix Mongols + Slaves

Goal: A God-Worldstate

Named by me: Team Red

Indians: From the north of India (now called Pakistan), Tora Bora Mountains

Known as: 'Hyksos' (I put a video about the 'Hyksos' on my Odysee channel, it is just a fairy tale, but it gives you an idea of who they are), 'Tartars', Turkic people, Semites, Greeks, Italians, Muslims, sephardic Jews.

Religion based on: Hellenism, Jesus-cult and sun-worship

Priests are called Rabbis

Race: Brown Indians ('Tartars') or mix of brown Indians + Slaves

Goal: Jewish Worldstate

Named by me: Team Brown

Scythians/Goths (Gog and Magog): Group of Mongols and Indians, they have merged in the Caucasus and went to the north (Russia) and the south (Turkey/Greece/Italy)

Known as: Ashkenazi Jews

Religion based on: Jesus-cult, Magic

Priests are called: Rabbis

Race: Mix Mongols + Indians + Slaves/Whites

Goal: Jewish Worldstate

Named by me: Team Red/Brown

16th century:

Jesuits: Group of Mongols, Indians and Phoenicians, they have merged in Spain

Known as: Jesuits, Fascists, National Socialists, Bolshevists, Buddhists, Jews

Religion based on: Jesus-cult, Magic

Priests are called: Jesuit-General, Crusaders, Revolutionaries, Gurus

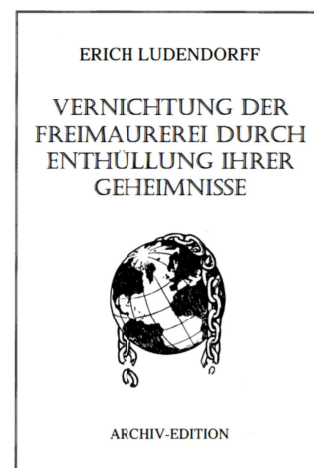

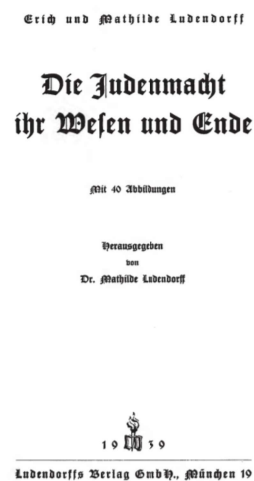

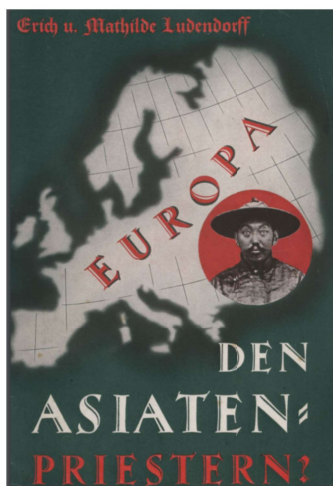

Race: Mongols or Indians or Phoenicians or mix Mongols/Indians/Phoenicians, some of them may have mixed with Slaves/Whites

Goal: A Roman-Catholic God-Worldstate

Named by me: Team Red/Brown/Purple

Jesuit-General: The head of the Jesuit Order is called a general because their objective is to wage an eternal war against non-catholics, just as Jesus ordered his followers to do in the new testament. The jesuits are an army of crusaders or simply said a death-squad (Inquisitors, Bolshevics, Cheka). While the pope is just the representative of Jesus (Vicarius Christi), the Jesuit-General is the current Jesus-Christ (Christus quasi Praesens).

Books about the Teams from Erich and Mathilde Ludendorff:

The Ludendorffs do not have books about phoenicians, as they disappeared. They are now called roman-catholics, jews, 'french', 'scottish', 'brits', etc. The difference between indian/ mongol-indian (ashkenazi) jews and phoenician jews: The first two groups are shorter and have straight hair, the later group is taller and has curly, sometimes red, hair due to the mix with the Black race.

Christian Huygens, Johan de Wit and his wife: 17th century in the Netherlands, occupied by: phoenician jews:

Christiaan Huygens door Caspar Netscher
1671, olieverf, Rijksmuseum Boerhaave, Leiden^[1]

Echtgenote Wendela Bicker in 1659, geschilderd

What all the actors of the YaH-Theater have in common: they are all schizophrenic or outright psychotic. If they were not before they entered the Teams, they all got a training in which at the end they have lost all sense of reality and live completely in a fantasy-world, forcing the rest of the world to live in their Psychosis = the YaH-Theater.

You will have noticed the power-struggle is over world-domination: One World Government. However, we have a (Roman-Catholic) God-Worldstate (Team Purple and Team Red/Brown/Purple) and a Jewish Worldstate (Teams Red/Brown and Brown). Team Blue starts out with the goal of a Democratic Worldrepublic, however later on this will become a Jewish Worldstate when the jews take over the leadership.

This might sound as if they are on different sides. However, all of them get their 'philosophy' from the unholy books in which the jew YHWH is their god, the jew Jesus is the son of YHWH, and the jews are the chosen people. They all pick and chose from the bible the sentences that fit their idea of the ideal state, either old testament or new testament: Two wings from the same bird.

The end result will be the same: a jewish one world government. Only the form is different: a reincarnation of jew Jesus, or a jewish messiah as head of the world-state (the jews are busy making Jesus and the messiah one and the same person). That is basically the only thing they are disagreeing on. Yes, it is lunacy, it is not for nothing I call this the YaH-Theater: One giant Collective Psychosis, they are all insane. Nevertheless it is still very deadly for us, the White Folk (Germanen / Fryas).

Now, I am not saying there are no Germanen (= siblings of the White race/family), or Blacks, anywhere in this YaH-Theater. There are tens of millions of Germaanse (or Black) socio-/psychopaths who have joined these groups, either for power, money, status, greed or sheer pleasure in murder and mayhem.

However, they are just useful idiots and most of them have no idea what this is about. According to E.L. even lots of 33 degree freemasons do not know what is going on, only the 'initiated' know what is really the 'game' here. They all are just following orders in the delusion that they know what is going on. Without these useful idiots the YaH-Theater would not be able to function, so they are kept as ignorant as possible.

Most, if not all, of the Germanen in freemasonry have no idea that they are supposed to assist in murdering their own family and Folk. They only find out when they are being 'activated' and forced to assist in mass-murder of their own people under threat of a painful death, described in an oath they swore. Their extreme arrogance because of being chosen to be privy to 'secrets nobody has' (it is complete nonsense of course, these 'secrets' are just jewish hallucinations and fantasies), completely hypnotises them into full blindness and misunderstanding of what they got themselves into.

All of these groups have their own secret societies. The jesuit mongols have the highest degrees in freemasonry (above 33 degrees) and the buddhist mongols are in most (if not all) of the secret societies present, spreading their 'esoteric occult spirituality' aka psychotic ramblings.

The Story how Jes'Us turned into Jesus

The Jesus-cult is the fantasies based on the real Jes'Us, who was born 1600 years after the Great Flood. The OLB describes the invention of the Jesus is god fairy tale (p. 121-124:

16 times 100 years ago Atland has sunk, and at those times something happened that no one had counted on.

In the heart of Finda's land in the mountains lies a valley that is called Kasamír, which is rare. There a child was born. His mom was the daughter of a King and his dad was a head-priest. To escape shame, they had to escape their own blood. Therefore, he was brought outside the city to poor people. Meanwhile, it had not been concealed from him. Therefore, he did everything to get and gather wisdom. His (common) sense was so great that he understood everything he saw and heard.

That Folk regarded him with reverence and the priests became scared over his questions. When he became of age, he went to his parents. They had to hear hard things. In order to get rid of him they gave him an abundance of expensive stones. But they did not dare to publicly acknowledge him (137) as their own blood. Covered with sadness at the false shame of his parents he went wandering around. While traveling on, he met a Frya's Steersman who was serving as a slave. From him he learned our morals and customs. He bought him free and until their death they remained friends.

Everywhere he went further on, he taught the folks that they must not tolerate neither rich nor priests, that they must guard themselves against false shame, which everywhere does evil to love. "Earth," he said, "bestows her gifts after the amount one claws at her skin." That one ought to excavate (dig) in it, to irrigate and to sow, if one wants to shave thereof. "Yet," he said, "no one needs do this for another, or it be that it is by collective will or done out of love."

He taught that no one is allowed to root in her wound for gold, silver nor expensive stones, to which Envy sticks and Love flees from. "To adorn your girls and wives," he said, "her ryn-streams give enough." "No one," he said, "is mighty to give all people measurely (equally) riches and É-like luck (happiness). But that it is the duty of all people to make people as measurely rich (138) and give as much satisfaction as is to be reached." "No science," he said, "can be disdained, but É-like sharing is the greatest science that time can teach us. Because it keeps out Annoyances from Earth and feeds Love."

É-like = equal.

His form name was Jes'Us, yet the priests, who hated him severely, called him Fo that is false. That Folk called him Kris'En, that is shepherd, and his Frya's friend called him Bûda (Pouch), because he had in his head a treasure of wisdom and in his heart a treasure of love. At last, he had to flee over the vengeance of the priests. But everywhere he came, his teaching had gone ahead of him, and everywhere he went his enemies followed him, like his shadow. When Jes'Us had thus traveled around for twelve years he died. But his friends preserved his teaching and declared where it found ears.

Now what do you assume the priests did? I must report that to you.

Also, you must give severely attention to that. Further, you must watch over their business and scams with all the powers that Wr'Alda has laid into you.

While Jes'Us teachings travelled over Earth, the false priests went to the land of his birth to reveal his death. They said they were (139) of his friends. They revealed great mourning, torned their clothes to shreds and shaved their heads bald. In the holes of the mountains they went to live, but in them they had brought their treasure. Inside there they made statues of Jes'Us. These statues they gave to the not-much thinking (naive) folks.

At long last they said that Jes'Us was a drochten. That he himself had confessed that to them, and that all who would believe in him and his teaching would hereafter enter his kingdom, where there is happiness and satisfaction. Because they knew that Jes'Us had gone to fields (in arms) against the rich, so they declared in all directions, that having poverty and being simple were the doors in order to come into his dominion. That those who had suffered most here on Earth, hereafter would have the most satisfaction.

Drochten = ghost, now called god

While they knew that Jes'Us had taught that one must control and govern his thoughts, so they taught that one had to kill all his thoughts, and that the perfection of people consisted of that he would become just as undisturbed as cold stone. Now to make that Folk wise (believe) that they did so, thus (140) they revealed poverty over the streets and to further prove that they had killed all their thoughts, they took no wives. However, as soon as a daughter had done a misstep, then that was her forgiven quickly.

The wrecked (weak), they said, one must help, and in order to preserve his own Séle, one must give a lot to the churches. Thus doing so they had wife and children without a household and they became rich without working. But that Folk became much poorer and more miserable than before. The doctrine by which the priests need no other science as drochtlike reasoning, frána pretense and commit un-rights (injustices), extended itself out of the east to the west and shall also come over our lands.

Frána pretence = pretend-holy or be sanctimonious

But if the priests should delude that they have extinguished all the light of Frya and of Jes'Us teaching, then people shall stand up in all wards, who silently preserved Truth between one another and have hidden it from the priests. These shall be of principals' blood, of priests' blood, of slaves' blood and of Frya's blood. They will bring their Fooddiks and that light outside, so that all people can see Truth. They will shout pain over the deeds of the priests and principals. (141) The principals who love Truth and Right, they will depart from the priests. Blood shall stream, but out of that the Folk shall gather new powers.

Finda's Folk shall apply their inventiveness for the collective benefit, that Lyda's Folk its powers and we our wisdom. Then the false priests shall be swept away from Earth. Wr'Alda his spirit shall be honored and called upon allround and everywhere. The Éwa that Wr'Alda laid in our Mood at the commencement will be the only ones being adhered to. There shall be no other masters, nor principals, nor bosses, than those who have been chosen by collective will. Then Frya will rejoice and Earth will bestow her gifts only to the working people. All that shall commence four thousand years after Atland is sunk, and a thousand years later there shall no longer be a priest nor coercion on Earth.

Dela by-named Hel'Lénja, Wák.

That is how the Jesus-cult started: The teachings of Jes'Us were turned into communist propaganda. All common-sense and wisdom was twisted into a fairy tale that served the priests and was detrimental to the people. The god Jesus was born.

History Part 1: Till 1100

The first part of history is written in the OLB, so I am not going to repeat that, just focus on the main points relevant for what comes next.

The Asiatic invasion into FryasLand:

OERA LINDA BOOK

TRANSLATION AND EXPLANATION

ALEX FRYAS BERNÉ, 2024

OERA LINDA BOEK

VERTALING EN UITLEG

ALEX FRYAS BERNÉ, 2024

Team Blue, as described in the OLB, comes via the Caucasus to Russia, East and North 'Europe' enforcing their zoroastria and, after the death of Wodin, wodanism on the people.

Part of Team Brown comes via Turkey to Greece, Italy and later Spain/Portugal.

Team Purple comes via the Mediterranean Sea to Spain/Portugal to France/Belgium and via the North-sea to the UK.

Team Red comes from Tibet to the Caucasus/Russia.

Part of Team Red and part of Team Brown occupy the whole of the Caucasus and Russia and go on to Turkey, Greece, Italy, Spain.

Let me reiterate here that at this point in time there are no countries, so when I name a country I mean the general area of what has now a specific name. The countries as we now know them did not exist.

Where are we in the timeline now? You will ask me. Well here is where the trouble starts. According to our falsified timeline it is around 50 before the year 0. I will explain later my new proposed timeline, but I say it is around the year 950 after 0. Do not get angry now, try to just go with the flow for now, because as I reconstruct history you will understand why I came to this conclusion.

So for now, the OLB ends at around 950 after 0 (2142 years after the Great Flood).

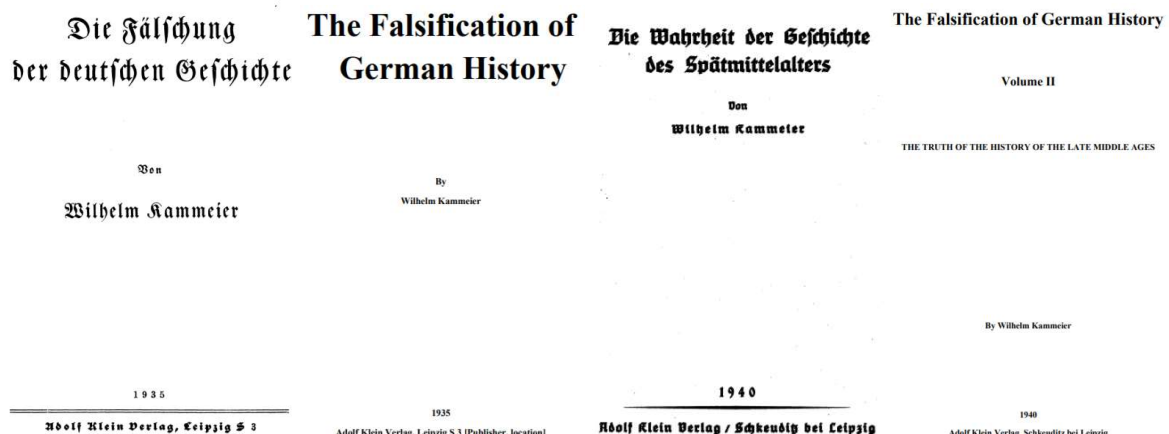

Between 950 and 1100, the invented Jesus-cult, as written about in the OLB, has reached 'Europe' through Teams Brown and Purple. Part of Team Brown has joined forces with part of Team Red in the Caucasus ('Tartaria') and are now operating under one team: Team Red/Brown. Team Blue, as we have seen in the OLB, came to 'Europe' with their zoroastria and Wodin-cult.

History Part 2: 1100 - 1489

The years 1100 – 1300.

Teams Brown, Red/Brown and Purple, who had been fighting over the mastery of the Mediterranean Sea, kiss up and join hands in Toledo, Spain, according to the jews 10th – 13th Century. Here, in the 12th century, in Cordoba, they establish what would later be known as the 'University of Paris'. According to the jews themselves this is the time and place where they wrote all of their unholy books: new testament, torah, old testament, quran, zohar, etc.

However, before they start writing books, they first have to learn to write. As all (honest) historians confirm, the only people who had an alphabet with vowels, and therefore could actually write books, were we, the Germanen. All other people, if they wrote anything at all, only had alphabets with consonants. So, if they wrote something it was just an endless stream of consonants, without spaces or dots. So, they take the scribblings of Team Purple and change the 'letters' a bit and voila, there was the language Hebrew. The 'vowels' will be the dots they put on the consonants. Now they could use that language and the language of the Greeks, which was based on our language, to write books.

As 'history' goes the 'University of Paris' had the lead in the areas of philosophy and theology, in other words fantasising. This 'University of Paris' is not a building but a community of 'professors', that is priests. In the year 1300 all their books have been written, as in a concept form, these books have been altered and changed in later years, but the bulk and main concepts had been dreamed up and written down.

At the time these scribblers invented wild stories of their past, let's not forget that these unholy books are supposed to be history books, about places that never existed, fighting with invented Kings and Pharaohs of Empires that never existed, things in the rest of 'Europe' are changing for the worse.

As we have seen in the OLB city-states changed from having a Folk-Moder (Folk-Mother) and BurgFamna (Virgins) to watch over the people, to choosing Kings to rule over the people. Before that time Kings were the names of the head of the armies and as such had nothing to say about the daily life of people. However, that changed when they decided to have Kings to rule over the people. That is the moment a government-system was being

introduced on the instigation of the Magyars of Team Blue. However, it seems that some (city)states held firm and there were still states with BurgFamna in 1300.

In the mean time all over 'Europe' churches and religious communities were set up by Teams Blue, Brown, Red/Brown and Purple. The Blue churches were mainly in east and northern 'Europe', greater 'Germany' and Italy, while the Purple churches were in France, Spain, Portugal, parts of Italy and UK. The Brown and Red/Brown churches in the Caucasus, Turkey, Greece/ Italy and Spain/Portugal. All these churches were individual churches, based on their own religious (psychotic) fantasies.

The years 1300 – 1400 in 'France'.

The 'University of Paris' is around 1300 moved to Paris. They set up an institute, housed in several monasteries, with 4 faculties:

1. The 7 'free arts' = philosophy;
2. Theology;
3. Law;
4. Medicine.

Teachers and students of the whole of the 'christian' world are coming together here to study. So goes 'history' however there is no 'christian' world yet, and this 'world' seems to have been very limited because the students are organised in the following 4 'nations':

- 1: Gols of Spain/South France/Italy;
2. Gols of 'England';
3. Gols of Picardi;
- 4: Normans: Gols of North of France/Belgium.

According to 'history' these are french people. Very deceptively they have started to name all french Germanen Gauls/Gols. All professors were of the priestly class. We are talking about the priests of the phoenicians, the gols, Team Purple. Possibly priests/rabbis of Team Brown and Team Red/Brown were present too.

All candidates of the master-class have to swear an oath to promise:

1. To solve all philosophical questions in the interest of the faith;
2. The preservation of the secrets of the company.

Now let us go back to the unholy books that have been written. As we all know, well the people who read these books that is, there are more contradictions in the bible than there are people on the earth. One reason for this is that there are different people from different clans/races that have written parts of it, according to their own fantasies. However, nobody decided to smooth out all these contradictions and make a logical story out of it. The unholy books are the most schizophrenic books ever written.

It is possible they did not notice, however Wilhelm Kammeier, who did a deep dive in all of the 'history' books and documents, has seen this phenomena in all of the forged documents and books of 'history' and has concluded that it is deliberately done. Unfortunately I do not have all Kammeier's books (I have not found them yet) and

therefore his assessment, but one reason is that with this 'double-entry bookkeeping' as W.K. calls it, their future fantasies and fairy tales can go either way. They can just pick and chose the 'facts' that will 'prove' their story.

Another reason is, and I am convinced this is one of their main reasons, to make, as many people as possible, schizophrenic. Because that is the result we see, with all religious people: they are all schizophrenic. They have no problem with the fact that on one page it is written that 'Jesus loves you' and the next page Jesus says that you have to be killed if you do not love him back. The only way to love Jesus is, according to Jesus, you have to hate your family, your Folk and yourself. Christians claim that this psychopathic tyrant loves them. They are incapable to see the enormous contradiction in this claim.

Similarly they want Jesus to come back so he can kill everybody who does not love him. Meaning the only people left will be people who hate everybody, including themselves. What a great kingdom that is going to be!

As explained earlier: The attempt to make people schizophrenic was already recognised 100 years ago by Mathilde Ludendorff. She called it 'induzierte irresein', or 'induced insanity'. Which means that the diagnosis made by Anima Diets (in the book: Germaanse SeeleWysheit for an Erde in Paix and Liberteit, 2020) was already made 100 years before. Mathilde states that the purpose of religion is to make people schizophrenic. Mathilde was a psychiatrist and knew what she was talking about. Dr. med. Gunther Duda confirms the diagnosis again.

The difference between Mathilde and Anima Diets lies in the fact that Mathilde based her god-cognition on philosophy, while A.D. based it on science and calls it Seele-Wysheit (Soul-Wisdom). The science based version is confirmed by the OLB. Our ancestors wrote the same: Wisdom = Science = Reality. Mathilde did not come to that point in her life, possibly because she herself had still one leg in the YaH-Theater, believing modern 'science' = Kabbalah.

However, both recognised that if people do not live according to their Soul-Wisdom they start living in a fantasy world and believe it to be the reality = schizophrenia or insanity. Not a state caused by 2 traumatic events after each other (see the science-based Germaanse Heilkunde of Dr. Hamer) but induced deliberately by the rulers/actors of this YaH-Theater.

Back to Paris.

It is in the 'University of Paris' where a 'national' dogma is being formulated for a 'national' (that is gol) christian church. So, now they have to pick and chose the sentences from the new testament that are going to be the dogma for the 'national' church-to-be. Under this dogma al these individual gol-churches have to form one 'national' church with one head-priest: a pope. This 'national' is of course the area of France, parts of Belgium, parts of Spain, parts of England and parts of Italy. There is no country, therefore nation.

In 1305 the first pope is being chosen: Bertrand de Got, he calls himself: Clemens V. He takes op his seat, well a nice palace is built for him naturally, in Avignon. As is prescribed in the unholy books, the pope has the sole 'right' to appoint kings. So from that moment on (of king Philipp IV) the kings in France are appointed by and submissive to the pope.

From then onwards, the moment a pope appoints a king, supernatural magic kicks in and the 'DNA' of these kings get a 'genetic modification'. Now they have a 'gene' which can be passed on to their children that makes them automatically king. Wow, the 'genetic' disease called 'royal bloodline' has taken them over like a demon possession. They do however get a lot of money for this unfortunate 'genetic' disorder they received, so you don't have to feel sorry for them too much. I wonder why they introduced the fairy tale of 'DNA', 'genes' and 'genetic' diseases. No my friends, there are no 'genes' in 'DNA' it is all fairy tales. Genes are people: your parents and ancestors.

The pope they installed is just a front for the real power behind the scenes, and the only thing he is doing is following orders coming from the real powers.

The Truth of the History of the Late Middle Ages, 1940, Wilhem Kammeier, translated by Friedrich August Wilhelm Erxleben d.J. P. 216-217:

Certainly, the "pope" to AVIGNON was officially chief of the national church, and in hierarchical-sacramental respect their leader and guide; but pope and hierarchy did not (not yet back then!) firmly stand on their own feet, they were much rather supported and controlled by a special institution: by PARIS University! The French pope was dependant on the university as the weathercock is on the wind, as a plant on its culture medium. The curia may have constantly tried to emancipate itself, and it was depending on the relevant personality of the holder of the uppermost church authority, how well the process of emancipation succeeded, but equally constantly did the dominating influence of the PARISIAN theological faculty take effect. In order to understand this "arrogance and presumption" of PARIS University, of this "professorial clique", who "dared" sit court over the church and the pope; in order to understand this phenomenon – over which, still today, all church historians wonderingly shake their heads – one has to of course remember the real foundation and mission, one has to remember the true nature of this educational institution.

One has to remember that this university, primarily, was no "educational institution" at all, and did not aspire to be one. In the framework of the university however, there was also lectures, and this educational side, with the years of the institution's existence, gained more and more significance; but, for the first few decades, why, for the entire century, the actual task of the masters and doctors lay in a different area. The university had constituted itself from the delegates of the French regional churches to become the legislative (dogma-giving) entity of France's to be implemented national church! Because that of course was the big task of the PARISIAN theologians: to create a uniform dogma, a uniform hierarchy and a national pope!

This installing of a 'national' church in 'France' did not go without opposition. Many people who either wanted their church to be independent or did not want to have anything to do with this delusional nonsense called religion were tortured, murdered and burned alive. It is here in France in the beginning of the 14th century where the inquisition starts. They had to kill all 'heretics' (around 60,000 people), that is everybody resisting this power grab and loss of freedom, and destroy all churches that did not belong to the 'national' gol-church. In 1305 our brothers and sisters in 'France' lost all their freedom, up to this very day.

'History' 'explains' this sudden violence in 'France' with the fairy tale of the Templar Knights Order's arrest on 13 October 1307. Supposedly 15,000 (YH = 15, YaH's lucky number) non-existing knights of the non-existent 'Roman' church were arrested and murdered. In reality it was a genocide of freedom-loving french Germanen who were

slaughtered in the name of Jesus. As the bible says: 'Jesus loves you' but if you do not love him back, or in the wrong way, you have to be slaughtered to 'save your soul'.

As we have seen the pope is not just the religious head in 'France' but has also usurped the state power, but of course that is not enough. 'France' was only the beginning, now he wants to widen his sphere of influence into magyar, Team Blue, territory in 'Germany' and 'Italy'. In counter-action the magyars tried to form their own 'national' church but as they did not establish a 'national' dogma, this failed. People wanted to keep their own individual church and there were too many people still living in Reality: the real pagans (pagans = villagers). However, many conflicts arose among the people because of these efforts. Although, they must have noticed the slaughter going on in 'France', so I wonder how many would actually be willing to join a 'national' church.

The pope in Avignon gets serious delusions of grandeur and decides that he is also allowed to appoint kings in the areas of Team Blue. This is besides the fact that he wants all the individual churches to fall under his power. We are still in the beginning of the 14th century as king Phillip IV of 'France' crowns his brother, Charles of Valois, king of 'Germany'. However, this is not going as planned and then pope Clemens V appoints the 'french'man Henry VII, Henry of Luxemburg (later named Habsburg) as king in 'Germany'. We now know that what they call 'french' is actually phoenician.

The 'Roman Empire' is, as A. Fomenko has demonstrated, the same as the 'Habsburg' Empire and is in reality a phoenician power grab in the 14th century. Wikipedia:

In a famous assessment of the name, the political philosopher [Voltaire](#) remarked sardonically: "This body which was called and which still calls itself the Holy Roman Empire was in no way holy, nor Roman, nor an empire."^[42]

(Voltaire became a freemason in 1748. He hated jews, being completely ignorant about the fact that he was surrounded by them.)

Meanwhile in 'France' the church, that is the power behind the scenes: the 'University of Paris', forms a unity of 3 systems: State, Religion and 'Science'-based-on-philosophy.

Now everybody who has read my presentations knows that we have already concluded that state, religion and modern 'science' is one and the same Psychosis: the YaH-Theater. Here is the confirmation and the birth of that Collective Psychosis. This Collective Psychosis is being called Gallicanism (by W.K.), or Romanism, but is in reality called: Kabbalah.

Now comes the kicker: The mission of the 'University of Paris' is "To spread this new 'science'". And that my friends is the exact definition of the word Kabbalah.

The Truth of the History of the Late Middle Ages, 1940, Wilhem Kammeier, translated by Friedrich August Wilhelm Erxleben d.J. P. 220:

Almost from the first year of its foundation, and its dogmatic-philosophical work, the dogmatizing and philosophising masters have also instructionally passed on and spread their new "science". By the nature of the affair, they were duty-bound to the teaching office, if else, their "science" of dogmatic and philosophical things should not die out with them! Of course, they did not profess their science for fondness or as a pastime, least of all, they professed it for the sake of "pure truth",

but under the ban of quite a certain task and quite a certain final objective: in order to give France's to-be-implemented national church (and the already back then on the horizon appearing, desired universal church) a theologically and philosophically well-founded dogma.

So, the office of teacher had simply been forced on the doctors by the purpose of their scientific works. Now, it is certain that not only the members of France's hierarchy were obliged to visit the university lectures, but that very soon, "foreign" students were also admitted. Was there a better way then, to blaze a trail for the French dogma beyond the national borders, than by gaining "students" from foreign nations?

Meanwhile in 'Germany' we have a king Ludwig the Bavarian who is the biggest opponent of this state and religious power-grab of the gols' church in 'France'. Together with the independent (magyar) churches he takes up the fight against the 'national' church of 'France'. The independent (magyar) churches eventually decide to work together and appoint their own pope (magí). Probably around 1328/1329 installed in Pisa.

This pope does not stay long because there is still no 'national' dogma, so there is no collective delusion which forces the individual churches to obey this pope. But this shows the 'french' pope that the opposition is serious in their fight. Therefore the 'french' pope crowns Charles of Moravia, grandson of the 'genetically modified' Henry VII, king in 'Germany' in order to fight king Ludwig the Bavarian from within. He is not very welcome and does not live in 'Germany'. In the middle of the 14th century 'luck' has it that Ludwig dies in a hunting-'accident' and the strongest force against the gols' power-grab is gone.

With access to endless amounts of money king Charles buys the acceptance of the people. 'Endless amounts of money' because, as written in the unholy books, the jews have the sole right to magically conjure money out of nothing and then have all non-jews borrow money from them, with interest of course.

In 1349 king Charles installs everywhere secret law-courts under the guise of 'public peace' in which people were being hanged without trial.

The Truth of the History of the Late Middle Ages, 1940, Wilhem Kammeier, translated by Friedrich August Wilhelm Erxleben d.J. P. 282/283:

For a certain reason, Northern and Middle Germany must have been quite a particular eyesore to the King. In those areas, there were still great masses of God-believers (those are the non-believers, AFB) and free Christians! In the interest of NETHER SAXONY'S (!) clergy, the tradition has CHARLES point a decree "against the encroachments of the lay people and especially the town authorities, who, by arbitrary laws (!), curtailed the rights of the church, prevented the acquisition of worldly possessions, ignored excommunication, took possessions of clerical goods and put taxes on them, violated clerical sanctuaries."18

In 1378 the magyars finally come to an agreement for a 'national' church and a second 'german'/'italian' (magí) pope is being appointed, Urban VI, who takes up his seat in Italy. There are now two popes. 'History' tells us that this pope, who is really living in Italy, is the 'universal' pope, while the gol-pope in Avignon is all of a sudden called a counter-pope. Just to get you more schizophrenic. There is no universal pope, we are still talking 'national' politics/religion.

At the end of the 14th century the Teams start cooperating.

End 14th / beginning 15th century 300 'doctors' in theology and philosophy come together in Pisa, where the 'University of Paris' is temporarily residing. 300 chosen 'doctors' in theology (priests), together with cardinals and bishops (phoenicians) are going to philosophize/fantasize together a universal dogma for a universal church. Now a definitive version of the new testament and a definite version of a dogma is being dreamed up.

These 300 'doctors' in the theology form a Committee of 300, the 'Council of Pisa', which exists of (according to me): Team Purple (gols), Team Blue (magyars), Team Red (lamas) and Team Brown (rabbis). That is my conclusion because: "Representatives of all individual churches come together."

I still do not throw away the possibility that above these 300 there are completely different people, not belonging to any of these groups. What I mean is what I described in my presentation: 1. Torah PsyOp; and 2. Root Cause of all Evil, a yellow Finda tribe, living on an unknown continent, started this whole YaH-Theater to get rid of all of the people on the earth, that includes all these Teams, they are just a means to an end.

This sounds maybe strange to you but as I have already uncovered two layers of the bible with a whole different purpose (see above mentioned presentation) I have not gone yet to the layer in the bible in which becomes obvious the bible makes fun of the jews. They are turned into a mockery and if they would not be so schizophrenic they would realise they are made into a joke.

Let's reveal one aspect of what I mean here: The jews are called tjoda = joeda = judah = jews = idolatrous liars and deceivers, they also call themselves Israelites, as Jacob got a name change into Israel. Jacob means 'the deceiver'. All non-jews are called gentiles = friendly, gentle, nice people. Did they themselves choose these names or was someone trying to tell them something?

While the jews are immensely proud of deceiving other people, they have not yet realised that they are the ones being deceived on a massive scale. That is why I concluded another tribe/clan wrote the template for the unholy books and are above this Committee of 300: the real capstone of the pyramid, pulling the strings of these 300 priests.

The 'Council of Pisa' decides that the seat of the universal pope has to be in Rome. There is only this slightly little inconvenient problem. The city Rome, which was built thousands of years earlier, when Team Brown conquered Greece and Italy, had long been destroyed and the only thing that was left is a village and some overgrown ruins, where the cows loved to enjoy their meal of grass. Yes, my friends, the 'Roman Empire' of the unholy

books only exists in the imagination of the gols/rabbis who wrote the unholy books. At the end of the 14th century the 'oldest city of the world' has yet to be build.

Now we do not have more information about the decisions made at this Council. Since obviously the gol-church would become the roman-catholic church, the other participants must have gotten something out of this too. So here is my proposal:

Team Purple: Phoenicians: RC-christianity, Vatican and kings they appoint in Europe;

Team Blue: Aryans: Freemasonry (yes, it was set up then): Orthodox Christianity, Protestantism and presidents in Europe and North America;

Team Brown: Indians: Sephardic Jews: Orthodox Judaism and Islam in Caucasus and Middle East;

Team Red: Mongols: Religious organisations: Buddhism, Hinduism in Asia and 'New Age' in Europe/USA.

Team Red/Brown: Mix Mongols/Indians: Ashkenazi Jews: (Kabbalah-) Judaism.

Later on we will see Team Red/Brown/Purple: Mongols/Indians/Phoenicians: Jesuit Order, Bolsheviks, Jacobins, etc.

This all might appear as if there are clear boundaries between the Teams: This is not the case. To confuse people even more, some members are jew, jesuit and freemason for instance. Now everybody can start arguing: "he is a jew", "no, he is a jesuit", "no, he is a freemason". There is no either or, they could be all in one, as we will see later on.

The phoenicians gave Palestine ('centre of the world') to the 'jews', in return they got the 'jewish' 'world city' Rome (to be the capital of 'Europe'/'Roman Empire').

What does that mean for the YaH-Theater? That we will see from now on in the 'western world' Team Purple in fight with Team Blue, and as the jews say 2 = chaos 3 = order, they (Teams Brown and Red/Brown) are the 'mediators', meaning they are present in both Teams, whether these conflicts are real or just theatre. When in need for another conflict party (f.i. a world war) they receive the help from Team Red, who's work is mostly in Caucasus and Asia.

What is the goal? Owning the earth. They all have that same goal.

On this issue you see a fight going on, these are real power struggles (that is in the mind of the actors, in the end it is just a script). However, they can only own the earth if they get rid of the people who have the wisdom of Wr'Alda stored in their Mod ('DNA'), that is the white Folk: Fryas, Free Ones.

So, we have the Committee of 300, who are the script writers and know the whole thing is a fantasy-theatre, and we have the executors of the script: The actors in the Teams they have set up, who are completely unaware of what is going on. They follow the orders believing they are 'working' in their own Teams best interest.

According to a Mossad-agent:

"We create a pretend world. We are a global production company: We write the screenplay, we're the directors, we're the producers, we're the main actors," Michael said. "And the world is our stage."

They are not the scriptwriters, the Committee of 300 is.

However, my view on the whole thing is that the 300 are just using them to pursue their own goal, which is having the world only for them, the 300 families of the Committee, or as I said the people behind the Committee (Top), and having the actors in the YaH-Theater just do the dirty work for them.

The number one priority of all Teams (and the Committee/Top) is to annihilate the Germanen (Fryas), all of them. That number one priority will never get out of their mind. Whatever their struggle for power is, they can give in, sometimes even 'work' together, and lose the battle as long as as many Germanen as possible are murdered in the process. Then they will still have won, despite the loss of the battle.

Because of their number one priority, which they all share, despite their differences, we will see what is coming next. Remember: "A people without a history is as a tree without roots: a people without a solid base to stand on." "When you own the present, you can create the past and determine the future." Here we go:

In 1409 the 'Council of Pisa' selects the first universal roman-catholic pope Alexander V, who first resides in Avignon till Rome and his new palace are built (second half of the 15th century. Only in 1870, after the Italians stormed the pope's backyard, the wall was built and Vatican-city came into existence).

Meanwhile we have also of course the 'french' gol and 'german/italian' magí who are pope and refuse to lay down their privileges, and have a lot of followers who do not want to give up. For a while, therefore there are three popes. However, Alexander V is the universal boss of the newly erected Roman Catholic Church.

Now you will come on familiar territory:

1409 (2601) is being declared the year of a new beginning, the New World Order has begun and a complete Great Reset is being executed.

Yep, nothing new under the sun, they have already done it before.

What did this Great Reset entail:

1. The timeline has changed. Up till that point we were all counting the years after the Great Flood. Now they reset the timeline and announced that 1409 years earlier their Jesus was born, in the year 0, which, they immediately declared, did not exist at all. Just some more schizophrenia and telling us in our face it is all fake, because nobody is born in a year that does not exist;
2. As prescribed in the bible: Amalek and every memory of Amalek has to be erased from the earth. Which means that the mass-scale burning and destruction of all our documents, books, buildings and everything else we ever created, here begins;
3. The mass-genocide of everybody who did not go along with the New World Order was being tortured for weeks on end, and eventually ended up on the stake, being burned alive. Their highest priority were the Germaanse women who still lived according to Wr'Alda's wisdom, they were all called witches and burned alive. Tens of millions of our wisest and most moral people, mostly women, were murdered in the most horrific way. This goes on for a few hundred years;

4. A large scale operation sets in ordering the monks in monasteries all over 'Europe' to write new documents to replace the old ones, everything is back-dated according to the new timeline. This process took at least 100 years;

5. A whole new 'history' of 'Europe' is being invented in which we are a bunch of wild animals who had no culture, no written language ('proven' by the lack of documents and books), no laws, no education, etc. On the other hand a whole thousand year old 'history' of Rome and the catholic church has been invented, establishing a long 'tradition' of christian 'authority'. With this 'history' come the supposed 'laws' all these popes have signed;

6. A world 'history' is being written in which all the Teams of the 'Council of Pisa' had these great fantastic Empires (including 'Egypt' where supposedly the religion of Team Blue comes from) with culture and beautiful art and buildings. Books have been written to 'prove' how intelligent and wise these people were. Religions have been invented with gods nobody ever believed in (see work of A. Fomenko exposing these fake religions), and 'Greek' philosophers and 'scientists' conjured out of thin air. Languages have been invented like 'ancient' Greek, Latin, Runes of 'Europe', etc;

7. The construction of 'ancient' (mega) buildings, including the pyramids in Egypt, are being constructed, art, sculptures, coins, wall-paintings, scrolls, etc. are being created and buried in their respective places, which later on will be 'discovered' by archaeologists, 'proving' the existence of these great, never existing, cultures in Finda-Land, Egypt and Phoenicia;

8. The renaming of people:

Joed/Jood (Jew), formerly the name for every idolatrous liar and deceiver, became the name solely reserved for the families of the 300 Committee-members and initial Teams-members. I propose this happened the year before: 1408. In 1408 YHWH came into existence. (The original god of their unholy books was the phoenician god El'Shaddai.) Year 1408 is in my new timeline the year 2600, YHWH = 26. My guess is that in 1408 the Teams cut of a piece of their penis, which gave birth to YaHWeH = Penis Pain (see my presentation: 1. Torah-PsyOp; and 2. Root Cause of all Evil). It is also possible that only the Team-members of Brown, Red/Brown and Purple are called jews from now on, in any case they are all jews as in: idolatrous liars and deceivers. To me I do not care which ones have got a circumcision, they are all jews as per its definition: Idolatrous liars and deceivers;

The french Germanen are being renamed Gauls/Gols, with that the phoenicians disappear out of sight. They have literally disappeared from earth over night. With this name change they can now claim that, according to their fictional 'history', we gave them the 'right' to rule over us. Supposedly we chose these people, therefore they are the 'nobility of old', which passes on from generation to generation. "It has always been this way, look at the 'history books'". By now probably most of these phoenicians are living in Vatican-city or they are just called french, brits, scots, etc. or jews;

The rest of the Germanen are being renamed into Aryans, that is the Finna from Persia. With that the real Aryans go up in the mass and can play the role of us Germanen in the YaH-Theater as the evil guys who want to kill and enslave everybody else. In addition, they divided all the Germanen in separate clans and nations (with the help of the book of the non-existing 'Tacitus') so they can set brother against brother with the goal of them

destroying each other. The British Germanen are called Anglo-Saxen for instance, based on non-existing tribes, the Celts their name is based on a non-existing tribe, etc.;

9. The introduction of a whole new, on fantasy and hallucinations based, 'science' starts here. Including of course the invention of the spinning ball = YaHWeH and the 'discovery' that the earth is millions of years old, so archaeology can adjust their findings according to their new 'science'. Every aspect of Reality = Science is turned upside down and inside out and what comes out is a Kabbalistic fantasy-world which is called modern 'science', as prescribed in the unholy books;

10. The world is divided in small cubicles for the herd, called countries, governments are installed, and as the bible demands: Constitutions are being written to remind the kings and presidents that they have to obey YHWH. And most importantly, all the land and everything that is, or walks, on it belongs to the king. In one sweep all residents of a country become the property of the king, while losing all of their property, and he is to do with them as he pleases;

11. Government institutions are set up. A whole new law-system is introduced that rewards the participants of the YaH-Theater and punishes, as much as they can get away with, everybody who is not in the club, as prescribed in the bible;

12. A poison-based 'health'-care is introduced, 'professionals' take over the authority of the body's of people, and doctors and pharmacists do the best they can to make people as sick as possible and keep them that way, as prescribed in the unholy books;

13. A brainwash system called education is being introduced so everybody will become an expert in Kabbalah, but knows absolutely nothing about Reality, their history or their culture, as prescribed in the bible;

14. The money-system is introduced based on the out of nothing conjured money by the Jews, which the governments have to borrow from them, and is to be paid back with interest by the people, keeping them in eternal financial slavery through taxes on everything they can think of, as prescribed in the bible. In this new money-system gold becomes money. Gold used to be just nature's garbage, to be found everywhere, and had no value. Money was a way to exchange goods and were coins made of a metal that was rare. Gold had no value because you could find it in every river. The moment the Jews had confiscated all gold and goldmines, they determined the gold price and with that the value of money, enslaving everybody and making people poor by gold-price manipulation;

15. An economic system is set up based on speculation and gambling, as prescribed in the bible, with financial institutions like stock-markets, banks, insurance companies, etc, all very busy making you poorer by the day. In order to get people away from self-sufficiency large building projects are being set up. People, including children, had to work day and night to pay for tax, house, food, etc. To get an economy going, we see the building of the 'Tartaria' buildings (there never was a Tartaria, it was just the name for the Caucasus, Mongol and Tartar/Gog and Magog (Team Red/Brown)-territory, but you can find the buildings on internet under that name), factories and the introduction of brain-dead labour in factories and useless government jobs, paper-pushing.

I might have forgotten something but these 15, on purpose, are enough to get the picture of what they meant by a Great Reset.

Up till the 21th century the mass murder, genocide, inquisition, whatever you want to call it, goes on to eradicate the Germanen of the face of the earth. The falsification of history goes on every minute of every day, nothing has changed there either.

History Part 3: 1489 - 1937

Let us go to the writings of Erich Ludendorff, from 1489 onwards:

ERICH LUDENDORFF
KRIEGSHETZE
UND
VÖLKERMORDEN
IN DEN LETZTEN 150 JAHREN

1935: "War-Hetze and Genocide in the Last 150 Years."

P. 20:

Ein wichtiges Dokument dieser „jüdisch-nationalen“ Geheimregierung ist der bekannte, natürlich von Juden als „gefälscht“ bezeichnete Brief des „Fürsten der Juden von Konstantinopel“ vom 21. Kislew 1489 an den Rabbiner der Juden in Arles (Frankreich), als Vertreter des „Großen jüdischen Rates und der Rabbinen“.

Dieser große Rat befiehlt den Juden:

„Erziehet Eure Kinder zu Händlern, damit sie nach und nach die Gojim ihrer Habe berauben“

„Machet Eure Kinder zu Ärzten und Apothekern, damit sie den Gojim das Leben nehmen

„Sorget dafür, daß Eure Kinder Domherren und Geistliche werden“

„Lasset Eure Kinder Advokaten und Notare werden. Lasset sie sich in alle Staatsangelegenheiten mischen, damit sie schließlich die Gojim unter Euer Joch beugen, damit Ihr die Welt beherrschet“

„Die Erfahrung wird Euch lehren, daß Ihr trotz Eurer Unterdrückung“ (!) „schließlich doch zur Macht gelangen müßet“ *)

1489 (2681): In short: Jews are ordered to make their children traders, doctors, pharmacists, lawyers, notaries. Infiltrate in all state affairs. (*Note that it comes from France. We will see that most, if not all orders, come from France, not a coincidence.*)

Beginning 16th century: Germanen stand up against the Rome tyranny.

1524-1525: 'farmers war' in Germany was a mass slaughter of German farmers by Team Purple.

In France and the Netherlands a mass-slaughter starts and lasts a 100 years.

In 1540 (2732) we have the pope setting up the Jesuit Order: Team Red/Brown/Purple, an islamic based fanatic Jesus-cult which has to instigate wars and discord in and between countries. Except Ignatius of Loyola himself (so he claimed), all other jesuits in the beginning were jews. However, we do not know what kind of jews: There are indians, mongol/indians and phoenicians.

1545: Inquisition laws of the Vatican: Kill all jews, non-catholics and everybody who is against the government. The jesuits are the inquisitors. The laws are still in effect.

1602: VOC, United East-Indian Company, is being set up by sephardic jews from Spain in the Netherlands, going around murdering and enslaving people all over the world. 1800 bankrupt.

Most probably the 'dutch' and 'english' maritime trade companies (and pirate-businesses) were set up by phoenicians, as they were the sea-farers of old. They are referred to as sephardic jews nowadays.

1618-1648: 30 year war in Germany: The mass slaughter campaign is at its peak, executed by jesuits, phoenicians and their 'kings': Houses of Habsburg (*E.L. calls them jews, I assume they are phoenicians. AFB*) and Wittelsbach, in order to install the new capitalist based economic-system.

Wars in Portugal, Spain, France, Italy and Poland instigated by jesuits, ending in being under tyrannic rule by the Vatican and its kings. At the same time they came in control of the colonies of Spain and Portugal: India, Japan and China.

In Russia, Scandinavia and Netherlands the jesuits do not manage to get hold of state power because they rejected the Jesuit Order.

(I do not know about the other countries but in the Netherlands half of it was already occupied by jews/phoenicians and in the 16th century they had mass-slaughtered the Germanen. So who was left in the country? AFB)

In England the Vatican had lost its power due to Team Blue: protestants and freemasons. The jesuits infiltrate the highest degrees of freemasonry to regain their power.

England: 'Brits' (*that would be mostly phoenicians*), jews and freemasons work together against the jesuits/Vatican and start the 'British' Empire.

1717 England: the freemasons get rid of the jesuits in their ranks. They are planning to take over France (phoenician-territory).

1717 – 1740: all over 'Europe' revolutionary secret lodges are being set up from out of England.

1738: The jesuits demand from pope Clemens XII he bans the freemasons and forbids catholics from joining the lodges, because they fear their opponents (freemasons) are getting stronger. But it is of no consequence, lots of RC-priests became freemasons.

The jesuits are losing their church's, political and economic power in Portugal, Spain, France and lower Italy area (kings of the House of Bourbon) and their colonies due to the freemasons.

1773: Pope Clemens XIV dismantles the Jesuit Order on request of the kings. For the freemasonic jews a major win, since their strongest enemy was gone. England was no longer afraid of a hostile take over by the Vatican. (*The pope dies shortly after his decision.*)

Next: The jesuits infiltrate the freemasons and create, and subsequently occupy, the highest degrees of the Order (above 33 degree). The goal is to take revenge on the pope and the kings/principals, in order to:

1. force the pope to take them back into the Vatican; and
2. get the kings pleading for help so they (the jesuits) could then chain them in such a way they would never be able to stand up against the Order again.

In France, under jesuit influence, there was a ban on freemason lodges. However, the jesuits, with the help of their absolute kings Ludwig IV and V, had caused so much carnage that the 'humanitarian' (freemasonic) slogan: 'freedom, equality and brotherhood' was everywhere.

The jews had by now full control over England and now they wanted France. The jews brainwashed the french people with propaganda about world-revolution, 'humanitarianism', tolerance, culture and convinced them that only France as the sole power in 'Europe', meaning getting rid of Germany, would lead to the liberation of all people. As the english people had been the tool for conquering the rest of the world, the french people would be the tool to conquer 'Europe'. However, after that would have been accomplished the french would be the tool to get rid of imperialist England. They could not have the english ruling the world of course. *(They managed to do that in the 20th century.)*

1772 – 1789: The 'french' revolution is being prepared all over 'Europe'. The goal is to get rid of all kings (Team Purple and the still existing Germanic kings).

Meanwhile ignorant freemason Voltaire goes around 'Europe', including writing to 'european' principals, explaining how the jews are a problem and want world-domination.

(We will see this happen again later on and even now, people claim to have 'woken up' because they heard the jews are the problem. Meanwhile they have absolutely no clue about what is going on in the world.)

The freemasons in France and Germany are working increasingly closer together to prepare the 'french' revolution. Meetings of freemasons are organised in Germany and France.

1778 (2970 = 18 = YH, YH, YH): Founding of the Jacobins (Team Red/Brown/Purple) with as goal: in honor of YHWH slaughtering as many blonde nobility as possible, promoting bolshevism everywhere.

P. 29:

Der Konvent von Lyon erfreut sich besonders der freimaurerischen Beachtung. Er ist der einzige Konvent, den van Dahlens Kalender im Festsdruck hervorhebt, vielleicht deshalb, weil auf ihm als Ausdruck der fortgeschrittenen Verschwörerarbeit die Loge „der Ritter der Wohltätigkeit“ gegründet wurde, deren Mitglieder zusammen mit denen der Logen „Les Amis réunis“ und „Les Neuf Soeurs“ u. a. in Paris in der Vorbereitung der Revolution und in ihrem Beginn die führende Rolle spielten, als Jakobiner „Wohltaten“ zu Ehren Jahwehs, den Massenmord am blonden Adel, vollzogen und überall den Bolschewismus propagierten.

In short: the lodge 'the knights of philanthropy' is founded in Paris to prepare 'the revolution and 'philanthropy' in honour of YHWH' of the Jacobins.

1782 (= 18 and 2974 = 11/11): The Illuminati Order is being recognised as a freemason great-power. The Illuminati Order was founded 9 (YH, YH, YH) years earlier in 1773 (= 18 and 2965 = 11/11), just after the Jesuit Order was dismantled, by the jew Weishaupt. By this action the jews got more and more the higher degrees in freemasonry replacing the jesuits, and influence the 'philosophy' of the freemasons to be a more jewish 'philosophy'.

14 July 1789 (2981 = 11/9): The 'french' revolution by jews and freemasons starts on this day, based on a fairy tale from the falsified 'history': They take revenge for the murder of Molay (Templar Knight), beginning of the 14th century. 1789 = 25, the super lucky number of the jews.

(Besides the actors also E.L. does not know that it is just a fairy tale, he died before W.K. wrote his work. If only they could have worked together, they would have figured out back then it is all theatre, a giant Collective Psychosis.)

All blonde principals (Germanen), who had survived the previous genocide, are being slaughtered, a genocide of the last remaining Germanen who had ruling-power.

England is laughing that France is falling, completely ignorant about the fact that they will be next to fall.

Meanwhile the jesuit Guillotin invents the tool for mass-murder: the guillotine.

P. 31:

Der Umsturz in Frankreich hatte in einer Zeit eingesezt, als König Ludwig XVI., der von den besten Absichten für sein Volk erfüllt, im Begriff war, die Schäden des „ancien régime“ auf unblutigem Wege zu beseitigen und Frankreich den Franzosen zu erhalten. Auch sein Verhängnis war, daß er das Spiel nicht durchschaute, das seine freimaurerische Umgebung mit ihm trieb. Einen Tag vor seiner Ermordung sagte der König:

„Das alles wußte ich bereits vor 11 Jahren – wie kam es nur, daß ich nicht daran glaubte!“

In short: The words of king Ludwig XVI one day before he is murdered:

“All that I already knew 11 years ago. How did it come about, that I did not believe in it!”

In all of 'Europe' the nobility, often themselves being freemasons, started to realise what all this 'work' of these 'humanitarian' 'philosophers' actually entailed. The kings in 'Europe' who stood up against this slaughter were murdered by the freemasons. Nothing could stand in the way of the 'human-love' of the freemasons.

From the Jacobin Order came the order of murdering kings for money. P. 32:

mit Jubel gesagt, daß man demselben ein Tränkchen beigebracht habe . . . In dieser Loge war das Projekt entworfen, den König von Preußen, Friedrich Wilhelm II., durch den Zahnarzt Levesque, welchem Dietrich für dieses Bubenstück 500 000 Livres, unstreitig aus der Kasse der Propaganda, versprochen hatte, vergiften zu lassen.“

„Aus dieser Loge schrieb sich auch die empörende Aufforderung des Jean de Bry her, eine Legion von 1200 Königsmördern zu errichten, desgleichen die Achtung der Könige und Fürsten, wonach auf den Kopf des Kaisers 400 000 Livres, auf den Kopf des Königs von Preußen und des Herzogs von Braunschweig ebensoviel, auf den des Grafen von Provence, des Grafen von Artois und des Prinzen von Condé 300 000, auf den Kopf des Prinzen von Bourbon und des Marquis von Bouillé 200 000 Livres, auf den Kopf des Prinzen von Lambesc, des Herzogs von Broglie und des Vicomte von Mirabeau 100 000 Livres, und auf denjenigen des ehemaligen Finanzministers Calonne 90 000 Livres zum Preis gesetzt und dazu in 15 Departementen Frankreichs eine Subskription von 3 000 000 eröffnet wurde.“

In short: It was advertised in 15 Departments, in newspapers in France read by 3 million people. Result: 1200 kings and principals were murdered for money.

Despite the murders and the war in 1789 – 1790 of Turkey against Austria (by freemasons), a bond against France was formed.

1791: Netherlands: the freemasons, with the help of money, take over the country (*from the phoenicians, AFB*). According to the freemasons: "The war should be a crusade for general freedom".

1792: An army from Preussen/Austria goes to Paris. Since they were all freemasons it was all a pretend war. King Ludwig XVI lost his throne on 21 September 1792 and nothing stood in the way of the freemasons any more.

P. 34:

So findet denn die militärisch nicht zu erklärende Umkehr des Deutschen Heeres, das „Rätsel“ oder besser das „Wunder“ von Valmy seine traurige Erklärung, ebenso das Wort des „Weltbürgers“, Illuminaten und Freimaurers Goethe, Staatsminister des Prs. und Illuminaten Karl August von Weimar, der auch dabei war:

„Von hier und heute geht eine neue Epoche der Weltgeschichte an und ihr könnt sagen, ihr seid dabei gewesen.“

In short: According to the freemasons Goethe and Karl August: "From here and now a new epoch of world-history starts and you can say, you were there."

Meaning from now on there will be freemasons on both sides of every war/ conflict, determining the outcome of the war/conflict before the war/conflict has even started.

1792 (2984): is the year that there are no self-sufficient Folks in 'Europe' any more. The 'national' thought has capitulated for the jewish international thought. A triumph of the jewish 'folk' over the whole of 'Europe' achieved by betrayal. A few months later the 'french' jew Samson would cut off the head of King Ludwig XVI with the guillotine.

1800: Freemason Napoleon takes over, already known in 1798, the task of ridding 'Europe' from all the influences of the Vatican. Napoleon of course wins all battles the easy way: the freemason way.

In Germany the kaiser and kings (freemasons themselves) tried to ban the freemasons. The ban of 1798 is in 1804 installed again. (In 1931 freemasons get free reign again.) It was of no use, the freemason 'philosophy' lived on among the people. The lodges claimed to be 'loyal fatherlandish' as those were still permitted.

1806/1807: Napoleon gets this weird idea that he is going to rule over France and 'Europe'. The jews and freemasons never wrote that in their script. Also the Folks of 'Europe' wanted their freedom back and so this will be the beginning of the end of Napoleon.

1807: (*According to my timeline 1808 = 3000 years after the Great Flood*) Under the grand-lodge of France in Paris the 'german' freemasons set up in Germany a daughter-lodge, called "For the upcoming Red of Dawn".

It might not mean anything to you, but if you have read the OLB it does.

P. 80-81, OLB translation Diets-English, Alex Fryas Bern, 2024:

Frána acted as if she did not notice him. At long last she opened her lips and spoke: "My eyes are darkened, but that other light dawns up in my Séle. Yes, I see it. Hear Earth and be happy with me. During the times that AldLand sank, the base spoke of the Jol stood on top. Then he went down and our freedom with him.

When 2 spokes or 2000 years have tumbled (turned) down, then the sons will rise whom the principals and priests by whoredom have produced by the Folk, and testify against their dad. Those will all succumb to murder. But what they have declared shall henceforth remain and become fruitful (084) in the bosoms of the clever people, thus like good seeds which are layed down in your lap. Another 1000 years the spoke shall then bow down and further sink into darkness, and pour out in blood over you through the lies of the principals and priests.

In the year 3000:

Then the red of dawn will commence to glow again. Seeing this, the false principals and priests together shall battle and wrestle with Freedom. But Freedom, Love and Unity shall take the Folk into their scales and rise with the Jol out of the foul pool. The Right, which at first just glowed, shall then gradually become a flame. The blood of the awful shall stream over your body, but you are not allowed to take in any of it. At last the venomous animals shall prey on it and die from it. All foul histories that have been made up to exalt principals and priests, shall be sacrificed to flames. Henceforth all your children shall live with Peace."

We might not know our true history, but they do and they are scared we figure out what the solution to this mess is: stripping all power away from everybody, only leave one wise woman, who has no urge to have power over anybody, but is only interested in having everybody live in Freedom, Peace and Unity, having the last word in any major dispute.

You will also notice that the language the freemasons (the persian Aryans who call us, Germanen, Aryans, and themselves brothers and sisters = germanen) use, and the names of their lodges come straight out of the OLB, pretending to be us, the Germanen, while they mean something completely different by the words they use. They love the words freedom, truth, peace, right, unity, etc. words we used to have but meant something entirely different than what they, the freemasons, mean by these words, their definitions are the complete opposite. With that they can confuse the hell out of people: more schizophrenia.

As the Americans keep saying that their beloved freemasonic/jewish 'Founding Fathers' came to give them freedom, they should really start explaining to us, in the rest of the world: "Who exactly were keeping the Americans in slavery up to that point?" They never tell you that, because they have been so brainwashed they believe the freemasonic propaganda that slavery = freedom and freedom = slavery. "But, but, but 'they' said they gave us freedom."

Moving on.

1813/1814: the German people fight with the freemasons to get their freedom back. The freemasons claim it was their 'work' to get people to fight against the freemasons, because they wanted the people to be free. (As I said, they love schizophrenia. AFB)

Napoleon is being betrayed by his generals and dies. Now England is the only world power left, ruling the seas, as was promised to them by the jews. The rest of 'Europe' just wants peace and France's power is broken.

The Vatican slimes its way back into the kings' houses and sees opportunities. Meanwhile the jews need France to be a world-power again for their fight against England.

The Vatican and freemasons come to an understanding about the power-structure in Germany. While the people were getting more or less their life back, in the academic world the freemasons started to recruit their members from student organisations. Taking them over eventually. (*Think 'skull and bones' in US*).

(Btw: The skull and bones, as also been seen on SS uniforms, are the signs of the Roman Inquisition: Murdering everybody who refuses to be a roman-catholic. AFB)

Meanwhile in 'Europe' in several countries, among them Germany, jews were emancipated and having full rights now, could go about their 'business' without being hindered.

1814 (3006): The pope was not yet defeated and decided to reinstate the 'forever banned' Jesuit Order, which, with the help of Napoleon, had weakened the pope so much he would do just that. The pope takes up his quest for world-domination again.

Some kings turned against the freemasons. All slaughter done by the jesuits was forgotten. Others got more and more in the grip of the freemasons. The freemasons meanwhile were turning the people against their 'leaders'. Mistrust between Folk and 'leaders' was sowed by freemasons and jesuits, with of course the reaction to this 'problem' of mistrust already in mind.

In Scandinavia (Sweden) the general of Napoleon, freemason and jew, Bernadotte became crown-prince. The king was murdered in 1792 already, the next one was de-throned in 1809 because he did not follow the freemasons' orders. Now Bernadotte was adopted by the next king freemason Karl XIII. The takeover of the 'royal' house by the jews. This move made sure the Germaanse Folk could not join together again. As the Scandinavians were the least race-mixed Germanen this was a big loss.

In the new world (American continent) the power of France had deteriorated, and the US freemasons separated from their 'mother' lodge in England. This new emerging power gave the jews the opportunity to, while preaching about freedom to the people, set the US and England up against each other.

(As I said before, most Americans are, up to this day (!), under the delusion that these freemasons gave them freedom. While the Blacks are whining about small slave-plantations, they have not figured out yet that the whole of the US was set up as a jewish/freemasonic slave-plantation. AFB)

1822: Congress of Verona: Kings wanted a ban on freemasonry, which in Italy and Spain had started a murder campaign in their fight against the Vatican. It did not happen all the way.

1825: Russian freemason kaiser Alexander I is murdered as a consequence of his betrayal: he banned the freemasons. The casket the people saw was empty, his bones had disappeared the freemason way. (See the book of Mathilde Ludendorff, 1936:)

His brother, kaiser Nicolaus, took over and gave out the freemason-ban but with enough holes in the law so the freemasons/jews could continue their 'work' and he his life.

1830 (3022): In 'Belgium' and France the freemasons start a revolution. The 'dutch' 'royal' house and Germany did not join their brothers in 'Belgium'/France. The result is that Belgium is torn from the Netherlands. While France favours the french speaking part of Belgium, the Dutch (Diets) speaking part is oppressed. The Great-Orient of Belgium tells the freemasons it is their duty to steer politics.

In Austria and Russia freemasonry is banned with no success. Like everywhere else the 'leaders' never explained the plague of freemasonry to the Folks, themselves being ignorant of most of what is going on, and were convinced the only reason for the existence of freemasonry was fighting the Jesuit Order. They themselves had not figured out that it is a freemasonic-jewish-jesuit-Vatican YaH-Theater, they all work together with the same goal: murdering all Germanen.

1847: A civil war in Switzerland, instigated by the grand-master of the freemason lodge of Belgium, leads to a revolutionary movement in 1848. From this moment on Switzerland, just as England, is sovereign freemason territory and place of refuge for criminal freemasons.

May 1847: Freemason lodge in Strassburg, leaders of the 'french' revolution come together to organise the revolution of 1848. Jesuits, jews and freemasons all want to get rid of the Preussen 'royal' family (Germanic protestants). The meeting is organised to prepare the fall of the 'royal' family in 1848. Jesuits from Berlin attend under the guise of being 'Polish'. Brother Bakunin was already chosen to become the future dictator of Preussen.

In Munich king Ludwig I is being forced to step down by jesuit/freemasonic powers.

5 March 1848 (5/3/3040 = 15): a revolutionary 'German Before-Parliament' is being created consisting of jews and freemasons.

All over Germany the revolution is being prepared in freemason-lodges.

On 15 March (*the day the never-existing Julius Ceasar is murdered AFB*) 1848: The kaiser of the House of Habsburg (*phoenicians*) in Austria is toppled.

18 March 1848: Revolution in Berlin, the attempt to murder the 'royal' family fails.

In the Netherlands and Switzerland large parts of the population were roman-catholic. Jews and jesuits turn the people against the Germans with the help of the RC-psychosis, separating them from their brothers and sisters.

1848: another revolution in France, the freemasons had still not subjugated the whole of the country. Several kings of France are, one after the other, murdered because they did not follow the orders of the freemasons.

Italy, Austria/Hungary and Germany get the same treatment from the jews and freemasons as France.

1848: Under jewish pope Pius IX, the jesuit-general wins a 300-year old power struggle over the Vatican. The Vatican is now under full control of the Jesuit Order. The Vatican world-domination plan can now proceed without any constraints.

1848 (3040 = the 440st birth-year of YHWH, AFB): The power balance has completely turned around.

In Italy the jews and freemasons (who worked together with the freemasons in France and England) go about it in a different way. Here they wanted to unite the Italians against the powers that prevented unity and oppressed them:

- 1: the pope, owner of the church state Italy till 1848, and till 1870, under the protection of France, owner of the city Rome;
2. Austria (the parts that were in Italy); and
3. a bunch of pope installed dynasties.

The head of this freemasonic/republican movement was Guiseppe Mazzini, born 1808 in Toscana, had become freemason in 1827 but already 'worked' in 1820 for the revolution, and had his hands still full of blood from his 'work' in Sicily and Naples, in continuation of the revolution in Spain.

In 1848/1849 he has to leave Italy and goes to London, and becomes the founder of the 'European Democratic Central Committee' under the protection of England and support of the USA in order to start revolutions.

The 'national' principal changed into the 'european' principal. Had he first fought for Italian unity now he fought for the jewish cause.

P. 50:

„Österreich muß verschwinden als die bei weitem machtvollste Leugnung des Nationalitätenprinzips Europas. Krieg gegen Österreich — Krieg den Barbaren! — Hinaus mit den Barbaren! Krieg den Österreichern! — Die Initiative dieser europäischen Weltrevolution, welche zu den Vereinigten Staaten Europas führen muß, liegt in der Macht Italiens, mithin ist sie die Pflicht Italiens. Das ‚Rom des Volkes‘ soll in seinem neuen, universalrepublikanischen Glauben Europa und Amerika und die anderen Teile der bewohnten Erde zum endgültigen umfassenden Weltreich vereinigen.“

In diesem Programm Mazzinis und seiner Genossen, unter denen Garibaldi

In short: Mazzini: "Austria, the barbarians, has to disappear. This european world-revolution has to lead to the Unites States of Europe." Of course all of this with the goal of:

uniting under the universal-republican YaH-Psychosis in Europe and America, and everywhere else on the earth, in a world-empire.

It became a fight against the roman-catholic church, Italians, Austrians/Hungarians, people in the Balkan-area and Turkey. In the last two areas he got help from the russian tsar (Team Red/Brown) who wanted to have freely access to the Mediterranean Sea.

The pope lost his church state, the Italians all came under one Italian king. Although many people were still followers of the pope, the jews and freemasons 'worked' them, as they had done in France, and got them more and more on their side.

Spain and Portugal became the play-ball of jews/freemasons on the one side and jesuits on the other. The kings' house was a Vatican one. Because of this ongoing battle Spain lost their colonies in South America. In Portugal the 'royal' family was poisoned during a meal by the freemasons. Dom Pedro V (himself a freemason) realised who the perpetrators were and banned the freemasons. Two of his brothers were poisoned. Portugal remained the 'work'-field of the 'english' freemasons.

1849: The freemasons admit that freemasonry and socialism are a perfect match because they come from the same source. Which of course is the jewish psychosis. Somehow nobody figured that one out.

The german government was more and more existing of jesuits, freemasons and jews, on both sides of the political spectrum.

1859: Italy and Greece have fallen.

P. 63: The list of murders and de-throning by freemasons, jews and jesuits:

Die Denkschriften enthalten ferner den Nachweis, daß alle Revolutionen mit ihren Massenmorden das Werk der Juden und Freimaurer sind. Nur der Jesuit wurde vergessen. Dr. Didler, als Christ, sah ihn nicht. Die Verbrechen werden mit einer Fülle grausigster Einzelheiten geschildert. Es werden allein, als seit 1789 nach dem 1717 in London entworfenen freimaurerischen Revolutionplane, durch die geheime Freimaurermacht gemordet oder entthront aufgezählt:

Ludwig XVI. — Kaiser Leopold II. — Gustav III. und Gustav IV. von Schweden — Karl X. und Louis Philipp von Frankreich — Dom Miguel und Dom Pedro V. von Portugal — Don Carlos von Spanien — Karl Albert von Sardinien — Franz II. von Neapel — der Großherzog von Toskana — die Herzöge von Modena und Parma — Otto I. von Griechenland — Ferdinand I. von Oesterreich — Ludwig I. von Bayern — Herzog Karl von Braunschweig. Es fehlen hier die gemordeten Kaiser Paul und Alexander I. von Rußland.

1860: With the help of the jew Crémieux, who founds the 'Alliance Israélite Universelles', and the whole of 'french' freemasonry, the jews are fully in charge of France.

The jews had easy going in France because the Folk had lost their own language (Diets) and their Germaanse identity (being called gols) in contrast to England where people were still in touch with their roots. The only problem they had were the left over gol-churches and jesuits.

In England meanwhile more and more ministers and prime-ministers are jews. The slogan "Brittania rules the waves, but the jew rules Brittania" is in effect. Palmerston is the first jewish minister-president, Benjamin d'Israeli (also called Benjamin Israel and Lord

Beaconfield) is the second in 1860. By secret diplomacy they slowly take over the whole government.

In the US, after the civil war of 1861 – 1865, state-power, jews and freemasons have merged together. The jewish/masonic north won the war with the help of unspeakable 'human-love' violence. The people were ruled under outright tyranny, while they (the people) were talking about their 'freedom, equality and brotherhood'.

Brother Didler writes: "The star-banner is the flag under which the complete freemasonic revolutionary power gathers."

Freemasons/Jacobins were the government of Washington which had secret tribunals in order to murder all their opponents. It was a slaughter resembling the 'french' revolution. Difference was that in France there were also people who still had a conscience.

Meanwhile the Vatican's christian psychosis is winning more ground among the anglo-world, backed by Ireland and the US.

In the rest of 'Europe': Freemasons went to England to learn the new 'old testament based philosophy' of the judaised freemason lodges in England (plan was in 1717 (2909 = 11/9) introduced).

1863 Russia: Kaiser is Alexander II since 1854, he tries to give the people a better life. The jews/freemasons in Poland had strong ties to the freemasons in France, since the 'french' revolution in 1789, and the 'European Democratic Central Committee' in London, where a 'russian' national grand-lodge existed. From the Jacobins a revolution out of Poland arose, planned already in 1861.

1863/1864: In Poland slaughter and mayhem by the 'polish' freemasons and their allies in France and England.

1864: More meetings are organised and freemasons, jesuits and jews instigated more mistrust between the russian kaiser and Folk, also in the Ukraine. Preparations for a revolution were ongoing.

In Sweden and Norway the governments became more and more jewish/freemasonic under the influence of the jewish-masonic 'royal' house. Every higher state-official had to be a freemason. In Denmark and the Netherlands the governments become stronger freemasonic revolutionary.

1864: A law is being introduced by the Vatican that puts church power over state power.

1866: Start of the forming of the german Reich by kaiser Bismarck.

1866: War of RC-folk against protestants. The Vatican wants protestantism back into their realm, determined to kill all protestants and remove their rights. King Wilhelm of Preussen and the protestants win the war.

P. 60:

konnte. Es war dahin gekommen, daß im Jahre 1851 der römischgläubige Freiherr v. Bux auf einer Versammlung von Römischgläubigen Süddeutschlands erklären konnte:

„Der Papst wird von Berlin aus den Deutschen Protestantismus in den Schoß der Kirche zurückführen. Staunen Sie nicht, meine Herren, ich weiß, was ich sage.

Die Kirche rastet nicht und mit den Mauerbrechern der Kirche werden wir diese Burg des Protestantismus (Preußen) langsam zerbröckeln müssen.

Wir werden in den vorgeschobenen norddeutschen Bezirken die zerstreuten Katholiken sammeln und mit Geldmitteln unterstützen, damit den Katholizismus erhalten und Pioniere nach vorwärts werden.

Mit einem Netz von katholischen Vereinen werden wir den altprotestantischen Herd in Preußen von Osten und Westen umklammern und durch eine Unzahl von Klöstern die Klammern befestigen und damit den Protestantismus erdrücken und die katholischen Provinzen, die zur Schmach aller Katholiken der Mark Brandenburg zugeteilt worden sind, befreien und die Hohenzollern unschädlich machen.“

1867: RC-folk are being set up against the Preussen government.

1870: Freemason Napoleon III starts a war with Preussen because of his wife, who was under the influence of the jesuits. The jesuit-general ordered him to start a war on 19 July 1870. Rome' lost the war.

Protestant Preussen had resisted the pope's dogma, of 18 July 1870 (18/7/1870 = 25/25), of 'being not able to fail (be wrong) in anything he (the pope) proclaimed from his seat (Ex Cathedra) concerning faith and morals'. With that the 'RC god-state' was closer in reach than the 'jewish world-republic'.

The worldwide freemasons fall under 'french' freemasonry thanks to the jew Gambetta. Freemasons from all over Europe start 'working' against Germany. On the heads of king Wilhelm, Bismarck and Moltkes was placed 1 million francs.

By getting rid of the Napoleons the jews, already in 1848 they had slimed their way into the government, grabbed the power: the jews Gambetta, Samson and Crémieux became the dictators of France. They instigated a completely senseless bloodshed in France and turned Paris, with the help of the freemasons, into a communist hell-hole, preventing the french from starting to get hold of the government. All law-courts are now under freemasonic rule.

1870: Hungary (a Finna-state, Aryans, Team Blue): The first freemason lodge is set up and in no time the country is under the influence of jews and freemasons without resistance from the people. *(Well as the freemasons and Hungarians are the same people, that would be expected. It seems E.L. does not know that, he does however, call the Hungarians Magyars, AFB.)*

Countries tried to ban the freemasons but it did not work out. In the north of Germany states were working together, hampering the freemasons in their 'work'.

1871: The german Reich is formed. Despite all the 'work' of jesuits, jews and freemasons the german Folk started to find their roots again. Their german-being had awoken under Bismarck. Jews and freemasons saw that their anti-folkish world-republic was losing ground. The jesuits saw their plan for a god-state threatened.

While they had different end-goals they were fighting for against each other, they all had the same number one priority, so more and more they started to 'work' together to annihilate Germany. The more the German folk found their strengths again, the more closely the three were working together.

The German folk however, had absolutely no idea what was going on above their heads. Governments and historians had never explained anything of what was going on. Also Bismarck, who knew very well what was going on, saw no reason why he would explain anything to the German folk in order to collectively eradicate this plague.

Without being hindered by Bismarck the Jews and Freemasons could 'work' on their plan for a Jewish world-republic.

p. 68:

Der Großmeister der Großloge „zur Sonne in Bayreuth“, Br. Bluntschli, die seit 1872 mit sämtlichen Großlogen in Deutschland im Großlogengbunde zusammengeschlossen war, gab allgemein gültige freimaurerische Grundsätze wieder, als er im Frühjahr 1874 schrieb:

„Seit Jahrzehnten schließen sich die Logen zusammen und nehmen mehr und mehr nationale Gestalt an, trotzdem ihre Aufgabe international ist ... Was hat das für einen Sinn? ... Denn wenn die Maurerei doch nichts mit dem Vaterlande zu schaffen hat, warum dann dieselbe in nationale Form (!) kleiden? Das wäre ja unnötig ... Aber der gute Kern der Bewegung“ – der Freimaurerei eine nationale Form zu geben – „ist das Bedürfnis nach größerer Festigkeit, um so eine bessere Verwertung der Kraft des Maurerbundes zu erzielen ... Die internationale Bedeutung der Maurerei wird dadurch nicht geschwächt, wohl aber dadurch ihre Latkraft, ihre Wirksamkeit gesteigert und gehoben!“

In short: Brother Bluntschli: "The lodges are called national because it makes their international 'work' stronger."

The working class is 'worked on' by Jesuits, Jews and Freemasons to instigate a class-war. The newly found German being led to an economic boom and was a huge threat to the world-domination of all of the internationalist camps. The 'danger' grew when Russia and Austria/Hungary came into an alliance (in foreign politics) with Germany.

1872: The Odd-Fellow-Order and Druid-Order came from the US to 'work' in Germany. Jewish order B'nai-B'rith got hold in Germany but was only at a later stage 'installed'. All grand-lodges in Germany come under one 'flag'. The Freemasonic red, 'Workers-International' starts to increase their 'work'. Jewish-masonic influence grows in the press, cultural life and economy.

One of the main tools to make the Jews own all economies was installing the 'money based on the gold-standard' in 1870. *(Them being the owner of all the gold and gold-mines by now. How many ignorant brainwashed people claim that we have to go back to gold/ the gold-standard in order to be free from the Jewish money-system? AFB.)*

Meanwhile the Vatican also starts to wiggle itself into world-capital/finance and kissed and made up with the Jews, increasing the cooperation, deciding to first act on the number one priority and sort out their differences afterwards.

The B'nai-B'rith Order, from out of the US, spreads out over the whole world, which the jews had divided into provinces, just as the Jesuit Order and freemasonry had done. By disguising themselves as freemasonry the BB-Order won more and more influence, except in France, there they had the 'Alliance Israélite Universelles', nor in England, which was already jewish.

In the other countries, including Germany, the freemasonic (= jewish) 'philosophy' (Kabbalah) was programmed into every child/youth's head in, mainly high-, schools and universities.

Meanwhile the jews used the RC-folk in their fight against the protestants in Preussen and the orthodox christians in Russia.

All actions from now on from both sides (jewish/freemasonic and jesuit/Vatican) are:

1. to eradicate any sense of folkish or national feelings;
2. never allow a folkish/national government again;
3. never allow a folkish/national economy again.

What gold had done already from above, from bottom up everything was to fall under world-big-finance (= jews, jesuit-general and pope).

Around 1880: Bismarck signs a treaty with Austria/Hungary, Italy and tsar Alexander III of Russia in order to counter the hate-campaigns.

In Germany and Russia more and more government posts were occupied by freemasons, having its influence on politics. In Hungary the freemason-lodges were outright jewish (grand-lodge built in 1886 by the grand-lodge in France). In Austria freemasonry was forbidden, but nonetheless treated nicely. Hungary builds a daughter-lodge in Belgrade. This one became the mother-lodge of the lodges in Serbia and of lodges in France and Hamburg.

The grand-lodges in France, Belgium, Italy, Switzerland, Hungary, Portugal and later on in Serbia and Romania followed the 'french' philosophy. The grand-lodges of Scandinavia, Netherlands and England the 'english' philosophy. Both of course the same jewish psychosis but the 'english' version was less visible and therefore way more dangerous. In Germany and Russia both were present. The jesuits infiltrate the freemasons increasingly.

1881: England, Benjamin d'Israeli dies. On p. 52:

Der Jude, Br. und englische Premierminister — Benjamin Israel —, der als Jude und englischer erster Minister einen besonders klaren Überblick über die „Arbeit“ der Juden, seiner Stammesgenossen in Rußland haben mußte, schrieb am Ende seines Lebens — er starb im April 1881 — ähnlich, wie er es für England ausgeführt hatte.

„Es waren — Juden, und die geheimnisvolle russische Diplomatie, die die ganze Welt Europas beständig in Aufregung hält, ist von Juden organisiert und wird von diesen geleitet.“

In short he claims: "It's the jews". However, not just the jews were determining domestic and foreign politics in Russia, they got some help from their friends the jesuits.

While 'english' imperialism was going on, the people were brainwashed that it was 'german imperialism' that was threatening the world.

1888 (3080): The fight against kaiser Wilhelm II starts again. He is not a freemason, which means everything is allowed in order to reach their goal.

By 1889: USA, France, England, Scandinavian countries, Belgium, Netherlands, Luxemburg and Switzerland were fully under the control by men who were members of freemasonic or jewish organisations. Anything else would not have been thought of. Also the parliaments ('folk-representatives') existed mostly of members of the lodges. Italy had still national feelings and still resisted the jewish-masonic rape of the country. Portugal had become the domain of the grand-lodge of England. In Spain there was still a fight between jews and Vatican. However, in their colonies in South-America the jewish-masonic influence grew, coming from the lodges in France, England and Italy and the Jesuit Order.

1889 (100 years after the start of the 'french' revolution.): A freemason conference in Paris.

P. 76:

„Dann werden alle Großlogen und Groß-Oriente der ganzen Welt sich in einer Universal-verbrüderung zusammenfinden. Die Spaltungen und die Landesgrenzen, durch welche die Freimaurerei getrennt ist, werden dann verschwunden sein. Das ist das glanzvolle Zukunftsideal, das uns vor-schwebt. Unsere Sache ist es, den Tag dieser allgemeinen Verbrüderung zu beschleunigen.“

Klar enthüllt Br. Francolin die freimaurerisch-jüdischen Pläne. Er wendet sich dann noch demagogisch an die freimaurerischen „Arbeiter“-Internationalen und an die „unterdrückten“ Völker, dabei natürlich auch an die Juden, und fordert für alle, besonders für die Juden, „Gerechtigkeit.“

In short: They want 'justice' for all 'oppressed' people, especially, of course, the jews.

More talk about a war which was going to come to achieve their goals. It was openly talked about, however Bismarck ignored all the warnings, or was not informed by all the freemasons that were surrounding him.

In 1890 a map of 1919 is being shown, drawn up at the conference, which shows Russia being completely destroyed. Next to it is written that the monarchy will be de-throned and a fleeing german kaiser.

The press and 'public opinion', kept everybody in complete ignorance of what was going on.

P. 78:

suiten. Endlich sollte das vom Br. Brissot 1790 verkündete Ziel wieder erreicht werden:

„Europa muß an allen vier Ecken brennen, darin ruht unser Heil.“

In short: Brother Brissot in 1790: "Europe has to burn in all 4 corners, in that rests our salvation."

Der Jesuit als echter Christ will das gleiche. Er selber richtet sich nach dem Worte Jesus von Nazareth, Lukas 12, 49:

**„Ich bin kommen, daß ich ein Feuer anzünde auf Erden,
Was wollte ich lieber, denn es brennete schon.“**

und Kardinal Faulhaber hat ja später gesagt:

**„Wenn die Welt aus tausend Wunden blutet,
dann schlägt die Stunde der katholischen Kirche.“**

In short: The jesuits want what Jesus says in Luke 12.49:

⁴⁹ I am come to send fire on the earth; and what will I, if it be already kindled?

Cardinal Faulhaber said: “When the world bleeds from a thousand wounds, then strikes the hour of the catholic church.”

March 1890: They got rid of the principal Bismarck, who was a powerful representative of the german Folk.

Freemasonic ‘Workers-International’, socialist and communist propaganda went on unhindered, rambling about ‘freeing the people’ but with the objective to enslave them once and for all. Also coming from the jesuit side.

The battle against the authority of the kaiser began.

The ‘watching each others back’-treaty of Germany (Caprivi is Reichs-chancellor) with Russia is not being renewed.

While all nations were brainwashed into the national-principle, the opposite was going on in Germany.

Austria/Hungary becomes more under the influence of judaic-freemasonry. Vienna and Budapest are increasingly becoming judaised. The hungarian freemason-lodges work more and more closely with the ‘italian’ freemason-lodges, dividing Austria from Hungary.

The hungarian freemasons, who had founded the ‘serbian’ lodge for this goal, brainwash the serbian people against Austria/Hungary. Meanwhile their army was neglected due to the freemasons in the ‘serbian’ government.

Everything was being done to weaken Germany and Austria/Hungary.

1891/1892: France and Russia get into a political and then a military union.

Russia was still a ‘danger’ for the ‘english’ power and had to become a wasteland. Also the Vatican wanted Russia in order to get the orthodox christians into their realm.

1 November 1894: Tsar Alexander III is being murdered by his jewish doctor.

1894/1895: As a result of the war against China, all of a sudden the folkish Japan stands up as a major power. In order to prevent this folkish movement to come to Russia and Germany, Russia started to set everybody up against Japan. The freemasonic USA had to be asked for help, they had to take away the colonies from Spain in 1898.

The Americans blew up one of their own warships in the harbour of Havanna and blamed the Spanish. Now they could take the Philippines, to stop the Japanese from enlarging their land southwards, and to surround Japan politically.

In China, population of 400 million people, the Freemasons started to 'work' to force the Dynasty into impossible treaties and arouse the people against the Dynasty.

More and more all countries are being run by Jews, Freemasons and Jesuits, working for the best interest of Jews and Vatican and against the population. The 'public opinion' and culture were more and more Jewish and 'Roman'.

1900 (3092): World conference of Freemasons in Paris to found a World Trade Organisation, in 1903 transferred into the hands of the grand-master of the grand-lodge in Switzerland. This organisation was to lead the propaganda for a world-republic.

P. 81:

Und über dieses Ziel sagt Br. Quartier La Tente in voller Bestätigung des jüdisch-freimaurerischen Weltrepublikbols:

„Die Vereinigung der freimaurerischen Kräfte des ganzen Erdenrundes herbeizuführen, um so einen Stützpunkt zu erhalten, mittels dessen wir die Welt aus den Angeln heben werden, um im Sinne des Großorientes von Frankreich und unter seiner geistigen Führung den Triumph der uns teuren Ideen und die Errichtung der Weltrepublik herbeizuführen und nach Beseitigung alles dessen, was uns trennt, zu einer gewaltigen Armee zusammenzuschließen, welche zur Eroberung der Menschheit auszieht.“

P. 82:

die Aufgabe, die ihr zufiel, richtig verstanden hat, geht aus Lennings Handbuch, 3. Auflage, hervor, das unter Mitarbeit aller Großlogen von Deutschland in jenen Jahren erschien. Dort heißt es:

„Die Freimaurerei als eine weltbürgerliche Gesellschaft, welche die Scheidewände der Regionen, Völkerschaften, Länder, Stände und Rangordnungen in ihren Kreisen nicht beachtet, ist über die ganze Oberfläche der Erde verbreitet und will demgemäß dazu beitragen, daß sich die ganze Menschheit (!) vermöge ihrer sittlichen Bestimmung (!) als eine Familie von Brüdern und Schwestern betrachtet und behandelt.“

In short: The Freemasons are a world-citizen organisation, spread over the whole earth, who are not considering regions, Folks, countries, or class-difference in their circles. Therefore they are going to handle and see us, the whole world-population, as a family of brothers and sisters. In other words we all have to be stripped from our race/roots so they can enslave us all in an equal way.

The Freemasonic socialist/communist thought was spreading through Europe and Russia. According to the Freemasons: socialism and Freemasonry are the same.

Ascher Ginzberg writes the 'World Programme of 1905' or better known as: 'The Protocols of the Learned Elders of Zion'. Which has the same 'philosophy' as above.

The Rosicrucians, having been out of side for a long time, are back in business. Anthroposophic delusions come from England with, among others, Freemason Rudolf Steiner and Blavatsky, rambling their Kabbalistic nonsense.

In England they had king Eduard VII who, as all leaders for a long time already, was a freemason. He was a 'knowing' freemason, contrary to most principals, who are kept completely ignorant about what is going on. Eduard was completely in the hands of jews and freemasons. Basically he was completely delusional and let himself be told what to do by ghosts, which spoke to him through anthroposophic grand-masterin Annie Besant, making him the perfect tool for the grand-powers at 'work'.

1900: In Paris a national-bond of Czechia-Slovakia is being founded.

29 July 1900: Freemasons kill king Humbert of Italy. The power of the kingdom was broken. Italy was in the hands of freemasonry.

Turkey: The authority of the sultan is undermined by the freemasonic Young-Turks, after which they could destroy Turkey. The Vatican was very pleased with this result of course.

In the Balkan-area people from the one state were set up against the people of another state.

Austria is politically and militarily weakened. Germany is surrounded by freemasonic states in which freemasons, jews and jesuits all work together for the same goal: The destruction of Germany. The german kaiser saw no reason to inform the Folk what was going on, and the army was completely neglected: not enough soldiers, no soldiers being trained, no materials.

(Ludendorff has written books about him warning the government about the danger Germany was in, and telling them to start training all young men, in order to prepare for what was coming. There was enough money and people to create an army. Not only did they ignore him, in the end they actually kicked him out of the general-staff so they did not have to listen to him any more. AFB)

Meanwhile the Folk in Germany was kept asleep by promises of friendship with England and Russia. None of them realised what was going on.

1903: England and Japan become friends.

11 June 1903: Freemasons kill king Alexander of Serbia, a freemason becomes the ruler.

1904: France and England become friends and pretend to be friends of Russia.

Japan starts a war against Russia. All organised by 'everybody's friend' England, which led to Russia being weakened, as planned.

1905: People in Russia are being agitated to stand up against their government.

Norway is being separated from Sweden. This move made sure that there would not be a major power arising when the Scandinavians saw that their brothers and sisters in Germany were being slaughtered and wanted to come to the rescue.

5 September 1905: Japan has to pay guilt-payments to world-capitalists in order to force Japan into their might. They had to keep the Folk in Japan in check, they would be dealt with at a later stage, their first priority being Europe of course.

Meanwhile in Russia: US B'nai-B'rith, with their jewish money, were very busy with a freemasonic nihilistic approach to bring down the government. Although freemasonry was already forbidden for 100 years, in the Duma were lots of 'cadets' (from the 'confessional-democratic party'), named after the street: Rue de Cadet nr. 16, where a freemason grand-lodge in France was.

Russia was being used (by jews and Vatican) in order for their plans for 1914 in which Germany and Austria/Hungary were going to be destroyed. 'France', 'England' and jews would keep 'working' on Russia to prevent the government from getting the crazy idea not to assist in the destruction. However, Russia walked blindly into the trap that was being set up.

Meetings in 1905 between german and russian kaisers were useless. Secret organisations behind the scenes did everything they could to prevent the two countries from keeping the peace in Europe. Russia had to be bound to the warmongers and help destroy Germany.

Eduard VII from England bonded with Russia and got the people from both countries bonding.

1 January 1906: The german general, and chief of the general-staff, is fired and in his place comes general Moltke, in his house in 1899 was the beginning of WWI in 1914 planned.

He came increasingly under the influence of the occult (*delusional*) forces of Rudolf Steiner (teacher at the Karl-Liebknecht-school) through his wife, who was already completely delusional. Steiner gave up his position to brainwash the 'leaders' of Germany that it was 'karma' for Germany to be defeated in a war and that it would be very useful for the development of humankind.

19 January 1906: Conference in Algeciras, where only Austria/Hungary showed to be on the side of Germany. Italy made it clear they were on the side of the warmongers.

March 1906: Military convention between England and Belgium. The talks had already started before the conference in Algeciras. In other words, contrary to popular belief, Belgium was not neutral in WWI. Their land, their train-rails, maps, handbooks with belgium uniforms and personel were available for the english army in case of a war. This was a freemason-agreement so the minister could say: "I had no idea." Never mind that the whole government was a freemason-lodge, just as in most other european countries, except in Germany, and that was the problem.

While the 'french' freemasons brainwash their 'german' 'brothers' that they have to hamper, or at least not assist, the Germans when their country is being destroyed, in France has the anti-german freemasonic/jesuit propaganda already invaded the schoolbooks, to prepare the Folk for the coming war with their 'enemies'.

The B'nai-B'rith lodge is legalised in Germany with help of the 'german' freemasons. They also settled in Austria/Hungary, where Vienna became their capital from which they did their 'work'. With help from their socialist/communist freemasons they were free to brainwash the youth.

By the end of 1906 it was clear which countries would be fighting against Germany and Austria. The populations of the whole world were all brainwashed, including the populations in Germany and Austria/Hungary. Everything was ready to start the war.

1907: Congress in Stuttgart of the 'Workers-International' 14 points were presented. (Kabbalistic 14 = brings salvation, coming from their magic cube: 6 centre points of the sides + 8 corner points = 14.) The Germans were told if (*hum, hum*) a war breaks out the working class and parliamentarians had to do everything they could to prevent the war, so the war would end quickly. Meaning: Do not fight, lay down and let yourself and your people be slaughtered.

In all countries in the world the power of jews, jesuit-general and pope grew by the day, increasingly interfering in the lives of the people. Meanwhile telling the people it was Germany that was disturbing the peace, who wanted to rape other countries and therefore was threatening the peace, and Germany and Austria/Hungary were taking their breath away.

1907: During a conference in Aachen it was announced that the 'german' and 'french' freemasons would work closer together again.

P. 97:

amtlicher geworden. Im Jahre 1907 weilten die „altpreussischen“ Großmeister in Paris zum Besuch der Großen Loge von Frankreich. Hier führte ein „altpreussischer“ Großmeister in französischer Sprache aus, daß der heutige Tag die schönsten Hoffnungen der ganzen „Deutschen“ Maurerwelt erfülle.

„Der Wille zur Einigung, die Notwendigkeit der gemeinsamen Arbeit, wenn wir zum Ziele kommen wollen,“ – nämlich das Deutsche Reich zu zerstören und auf seinen Trümmern die Weltrepublik zu errichten – „habe manche Schwierigkeit überwunden und habe die Vertreter großer maurerischer Kreise in demselben Tempel vereinigt. Wenn wir auch in verschiedenen Zungen reden, wir verstehen (!) uns doch, denn durch alle irdischen Laute dringt die Sprache des Herzens“ – die den Gehorsam gegenüber den geheimen Oberen befiehlt – „und hier schlagen die Herzen zusammen.“

In short: 1907 (3099): Paris: "The goal is to destroy the german Reich and build on its ruins a world-republic."

10 February 1908 (3100: YHWH = 500 years old): 33 degree freemason Magelhaes de Lima murders the king and crown-prince of Portugal.

25 February 1908: A secret covenant was signed in Strassburg between the 'germans' and 'french' freemasons.

Also the 'english' freemasons 'worked' closely with the 'german' freemasons, but more silent. This went on also during the war.

1909: The cooperation between the 'french' and 'german' freemasons become official, except for the 'christian' lodges.

14 July 1909 (*Molay-day 3101*): The half jew and freemason Bethmann-Hollweg (Rothschild) becomes the Reichs-chancellor of Germany.

The kaiser is under the influence of jews/freemasons and christians/jesuits.

A jew is head of all the press. Electricity-companies are in the hands of jews.

1910 (3102 = 6): King Eduard VII started to realise that also his throne was in danger of the freemasons and was not so fond on carrying out their orders any more. He died 'fortunately' on 6 May 1910 (11/11).

5 October 1910: The last king in Portugal has been chased away. The jews rejoice the establishing of a republic.

P. 116:

Am 12. 2. 1911, verkündete in Brüssel stolz Br. Furnemont seinen lauschenden Vrrn.:

„In wenigen Stunden war der Thron gestürzt, das Volk triumphtierte“ — gemeint ist natürlich das jüdische Volk — „die Republik war erklärt. Aber wir, wir waren die Wissenden. Wir kannten die wunderbare Organisation unserer „portugiesischen“ Vrr., wir besaßen das Geheimnis dieses glorreichen Ereignisses . . .“

In short: The freemasons are very proud that 'they were in the know', they had the secret of this glorious achievement.

The jews take over the lead in the execution of the plan for WWI.

1910: Prince Max von Baden is presented as going to be, after Germany had lost the war, the first Reichs-president of the 'Republic of Germany'.

8 – 10 July 1910: In Paris is a freemason congress to discuss 'peace' and 'pacifism'.

Of course world-peace can only be achieved through a revolution in which half the population slaughters the other half of the population, so you can install a jewish world empire: The ideal 'fatherland'. P. 104:

„Im übrigen“, so meinte er, „ist es die Bestimmung von uns Franzosen, für ein ideales Vaterland“ — das jüdische Weltreich — „zu kämpfen, welches das unserige an Größe und Bedeutung so unendlich übertrifft.“

1910: Copenhagen a conference of freemasonic bolshevics. P. 111:

An dieser Tagung im Odd-Fellow-Palast in der Bredgate in Kopenhagen im Jahre 1910 nahmen die Führer der Internationalen in den verschiedenen Staaten teil, wie Br. Ebert, Scheidemann, Lenin, Trotski, Vandervelde, Jaurès, der „Däne“ Bang, der „Schwede“ Branting, aus Deutschland noch weiter die Vrr. und Juden Adolf Hoffmann, Dr. Frank, Dr. David, Dr. Südekum, Karl Rautsky, Stadthagen, Rosa Luxemburg, Liebknecht, Klara Zetkin, und aus England Mac Donald. Es fehlte aus Frankreich Br. Briand, der dort damals gerade Ministerpräsident war und dem Kongreß brieflich versicherte, „er würde als Chef der französischen Regierung alles tun, um die Entwicklung des Sozialismus zu fördern“. Das war richtig zu verstehen und fand auf der Tagung der Führer der „Arbeiter“-Internationale noch seine Erläuterung, was in dem von den „geheimen Oberen“ für die nächste Zeit geplanten Weltkrieg die „Arbeiter“-Internationalen zu tun hätten, um die „Entwicklung des Sozialismus“ zu fördern. Sie hatten also

In short: They were explained what their role in the coming war would be, in advancing the development of socialism. This meant destroy the country by preventing that their country could defend itself and, by the use of a class-war, remove all businesses out of the hands of the Germans and give them to the jews/freemasons.

28 February 1910: In Serbia a freemasonic bond for 'propaganda for action' was set up, which was also 'working' in Croatia and Bosnia. Their 'job' was to prepare the murder of the crown-prince of the arch-duke. They worked together with the freemasons in Austria/Hungary and Serbia in order to get the crown-prince and his wife on a trip to Bosnia, where they were going to be murdered in Sarajevo.

Since 1906 lots of lodges had been set up in Russia and the tsar was by now completely surrounded by a freemasonic 'guard'. The tsar was completely ignorant about all this. The 'job' of all these lodges was to be on standby so jews and 'french' and 'english' freemasons could at any time call them up for 'work' when the goings went tough.

P. 100:

**Deutlicher sprach sich 1910 der „Finanzmagnat“ Singer aus:
„Der europäische Krieg kommt, unsere Hochfinanz will es.“**

In short: 1910: High-capitalist Singer: "The european war comes, our high-finance wants it."

14 September 1911: a russian anti-freemason minister is murdered by the freemasons. Their biggest opponent was removed.

1911 (3103): Lodge in Hamburg 100-year celebration. P. 104:

Am 5. Februar 1911 trat Br. Bouley, Großmeister des Groß-Orient, amtlich in Hamburg auf und hielt bei der Jahrhundertfeier der Großen Loge von Hamburg eine Rede, in der er ausführte:

„So grüße ich Sie an diesem Jubelfeste brüderlicher Vereinigung und hoffnungsvoller Zuversicht auf eine bessere Zukunft,“ d. h. die Juden Herrschaft. – „So begrüße ich denn hier die Morgenröte des Tages, wo die Freimaurerschaft der Welt jene fundamentale Einheit“ – in der jüdischen Weltrepublik – „erringen wird... Sie wird diese Einheit mit Bestimmtheit erringen, sobald sie, die durch ihren Eid zum Schweigen“ – über die geheimen jüdischen Weltmachtziele – „verurteilt gewesen war, die verlorene Sprache wiederfinden und offen (!) ihre Stimme“ – für den Triumphgesang des jüdischen Volkes – „wird erheben können. Dann wird sie gleich dem Vogel, der in Gesellschaft zum Neste heimkehrt, das er allein verlassen hat,“ – der Jude in Gesellschaft aller vereinigten künstlichen Juden in das Nest Palästina – „die ganze Menschheit ihrem Zauberbanne unterwerfen“ – der blutrünstigen Knechtung der Goyim! –

In short: Brother Bouley: "I greet here the 'red of dawn' of the day, where the freemasons of the world want to achieve its fundamental unity – in the jewish world-."

Basically: The jews wil run the world and all goyim will be forced into their psychotic delusion and be their slaves.

P. 105:

„Wie werden wir dieses Ideal verwirklichen können, dank der Mitwirkung der Mänter des Erdenrundes? Alle diese Faktoren müssen dabei eine Energie entfalten, welche mit den zu überwindenden Schwierigkeiten in richtigem Verhältnis steht... Durch das Wort (!) haben wir die Saat ausgestreut, durch die Aktion (!) müssen wir heute die gute Einbringung der Ernte sicher stellen. Die Einbringung der Ernte“ — die Errichtung der Juden Herrschaft — „wird in allen Ländern gleichzeitig stattfinden.“

In short: “The Jewish government will be installed in all countries at the same time.”

1912: In China a freemasonic revolution topples the kaiser. 1 January 1912 a freemason becomes president of the republic of Nanking. On 12 February 1912 China is declared a republic and fully in the hands of freemasons. In Japan the freemasons were in charge of diplomacy, the rest was ‘worked’ on.

May 1912: Freemason congress in Luxemburg with members of Germany, France, England, Belgium, Netherlands, Switzerland and Luxemburg. Stating the monarchies are a danger to world-peace.

P. 100:

„Auf dem unpersönlichsten, demokratischsten Arbeitsfelde, dem der wirtschaftlichen Führung, wo jedes törichte Wort kompromittieren,“ — sehr richtig — „jeder Mißerfolg stürzen kann,“ — noch richtiger — „hat im Laufe eines Menschenalters sich eine Oligarchie gebildet — 300 Männer, von denen jeder jeden kennt (!) leiten die wirtschaftlichen Geschäfte des Kontinents und suchen sich Nachfolger aus ihrer Umgebung. Diese seltsamen Ursachen dieser seltsamen Erscheinung, die in das Dunkel der künftigen sozialen Entwicklung“ — die Proletarisierung der Goyim-völker unter der jüdischen Welt Herrschaft — „einen Schimmer wirft stehen hier nicht zur Erwägung.“

In short: Jew Walter Rathenau: “There is an oligarchy of 300 men, who know each other very well, who lead the economic history of the continent, and search their successors from their own environment.”

Well there we have our Committee of 300 again. It is not just the economy, it is every aspect of our lives. It is very well possible that the actors themselves have no clue about the real ‘work’ of the Committee and they are just being referred to to them as the high-capitalists. They all seem to believe in the history the Committee cooked up, they probably do not even know that everything is fake.

P. 100:

bleiben. Walter Rathenau sagt darüber in einem Briefe:

„Die wirklichen „300“ haben die Gewohnheit und Vorsicht, ihre Macht abzuleugnen. Wenn Sie sie anrufen, werden sie sagen: Wir wissen von nichts; wir sind Kaufleute wie alle anderen. Dagegen werden nicht 300, sondern 3000 Kommerzienräte sich melden, die Strümpfe oder Kunstbutter wirken, und sagen: Wir sind es! Die Macht liegt in der Anonymität!“

Für die dummen Goyim hatte Walter Rathenau die Zahl 300 überdies falsch angegeben. Die „Oligarchie“ bestand und besteht höchstens aus 33 Verschworenen des 33. Grades, und an deren Spitze standen wiederum $3 \times 3 = 9$, und aus dieser Zahl sonderten sich 3 ab, und diese wiederum unterstehen einem. Zu diesen letzteren 3 wird Walter Rathenau gehört haben. Er war gewiß der Erste in Europa.

In short: According to Ludendorff there are 33 oligarchs of which at the top there are 9, with 3 at the very top. That is the financial top, he is talking about.

We can quickly go to another book here.

Oskar Gröbler claims that there are 4 men, each president of a council, who stand at the top. This would concur with my proposed 4 Teams:

Finance: Brown: a Head-Rabbi of the 70 members of the jewish world-council of which 36 are members of the sanhedrin;

We had in France the establishment of 3 areas being one unity: 'Science', State and Religion:

Modern 'Science': Blue: a Magí (now maybe a kabbalistic Head-Rabbi) of the 70 members of the freemasonic council, at the top nowadays B'nai B'rith;

State: Purple: a Head-Gol (pope) (maybe in 1870 changed into the jesuit-general (Team Red/Brown/Purple)) of the 70 members of a Vatican-council; and

Religion: Red: a Head-Lama (mongol) (maybe now changed into a jew of Team Red/Brown) of the 70 members of a buddhist/spiritual/jewish council.

That is 280 with 4 head-priests, possibly by now all 4 of them members of Chabad Lubavitch. I assume this is the Committee of 300 Walter Rathenau is referring to and where the fairy tale on the internet of the 'Committee of 300' or 'Club of Rome' comes from. (*The book is available on Amazon, which should tell you all you need to know about the book*). These 4 Teams are Rathenau's '300' men of high-finance, the owners of businesses and money.

Keep in mind that when we talk jews, we have no idea whether we talk indian jews or phoenician jews nor whether the mongol and aryan priests are also called jews since 1408.

All of these 280 (might be actually 300, who knows) are receiving the orders from the real Committee of 300, the Council of Pisa. The members of the Council of Pisa are not oligarchs, they are priests who print their own money. They do not bother themselves with the execution of the YaH-Theater and do not need businesses or engage themselves in other mundane activities: They are the 'brains' of the operation.

More than likely even these 280/300 actors do not even know what is going on above their level. My conclusion because: You can only keep your power when everybody else is ignorant of what you are doing. Because when they figure it out, they could easily get rid of these 300 men and take over the whole thing. There would be a power struggle on that level. However the power struggle seems to be only on the lower levels, which would suggest they are all ignorant about what is really going on.

This whole YaH-Theater exists of actors who are delusional power-hungry-maniacs with access to hundreds of millions or even billions of dollars, weapons factories and armies and they have never tried to kill just 300 men and replace them? The most logical reason is: They do not know who they are and where they are. They are just being told a fairy tale.

1937

Wenn gesagt wurde, daß auf den Stufen zum jüdischen Geheimbunde auch Jesuiten, und zwar als Befehlende, aber auch als Befehls-Empfänger, stehen, so ist dies folgendermaßen zu verstehen. (Nach: „Geheime Weltmächte“ von E. J. Pares, L.W.M. 19.): „Obwohl der Papst als Stellvertreter Christi der Summus Pontifex der Romkirche genannt wird, so sind doch die eingeweihten Jesuiten die Pontifex (Brückenbauer) zur jüdischen Überregierung, der sie das Kardinalskollegium über ein „Geheimes Konsistorium“ unterstellen. Dies kann auch gar nicht anders sein, denn das Kardinalskollegium mit seinen 70 Plätzen — ist eine getreue Nachbildung der „Versammlung der 70 Ältesten“ Israels, die zusammen mit den Großmeistern des im Jahre 1843 in New-York gegründeten jüdischen Freimaurerordens „B'nei B'rith (Hauptsitz Washington) und in Gemeinschaft mit dem Vorstand der „Alliance Israélite Universelle“ (Paris) den „Kahal“, das heißt: die „politisch-metaphysische Versammlung“ bilden. — Über dem Kahal, der obersten Behörde aller Logen und Kirchen, erhebt sich der Oberbau des Gesamtjudentums, der „Sanhedrin“, das heißt: „Hoher Rat“, dessen Vorhandensein schon in vorchristlicher Zeit nachweisbar ist. Den untersten Rang im Sanhedrin bekleiden die „Lamed-Wusnitz“ (Sechszunddreißig), oder „Zaddikim“ (Gerechten), von denen das Judentum bei feierlichen Anlässen ganz offen spricht. Dann kommen die drei „Großen Räte“ und an ihrer Spitze der „Lebende Jahweh“, der „Jsch Ha Elohim“ des jüdischen Volkes und das „H.D.A.F. der Freimaurer“.

Also diese „Männer höchster Stufe“ regieren die Welt. Vier an der Zahl: ein „Kaiser“ und drei „Räte“! Nicht aber jene „300 Männer“, von denen Rathenau uns etwas vorschwatzte! Daß unter diesen Vier wahrscheinlich auch ein beschnittener oder judenblütiger Jesuite vertreten ist, versteht sich am Rande.

Einer der „3 Räte“ dürfte wohl jener Oberrabbiner gewesen sein, der 1935 den Papst mit dem bekannten jüdisch-christlichen

Rota (Wheel), Tarot or Tora

According to Oskar Gröbler the goal of the Committee of 300 is to make the whole world insane. I agree 100% with his conclusion. Except for a handful of people, maybe 1,000 – 10,000 people worldwide (? , maybe I am way too optimistic here), they have accomplished just that.

Back to Erich Ludendorff.

1913 (3105 = 9 = YH, YH, YH): Paris, the International Bank-Alliance is founded.

P. 100:

Klarer enthüllten sich noch die „wirtschaftlichen“ Freunde Rathenaus auf der internationalen Banken-Allianz, die 1913 in Paris gegründet wurde. Dort wurde ausgesprochen:

„Die Stunde hat geschlagen für die Hochfinanz, öffentlich ihre Gesetze für die Welt zu diktieren, wie sie es bisher im Verborgenen getan hat . . . Die Hochfinanz ist berufen, die Nachfolge der Kaiserreiche und Königtümer anzutreten, mit einer Autorität, die sich nicht nur über ein Land, sondern über den ganzen Erdball erstreckt.“

In short: “The hour has come for high-finance, to publicly dictate their laws for the world, as they have done up to now in secrecy. High-finance will be the successor of the kaiser and kingdoms and come to the foreground with an authority, not just in one country but will reach over the whole of the earth.”

(Forget Jackall-Island and the fairy tale of the Titanic (Book on Amazon?), it was in Paris where the decision was made to give the jewish central-banks the authority to make the

laws in all the countries, not just in America. Team Finance (Brown) is now the ruler of the whole world, replacing governments. The Jew-World Order is established.

Unfortunately, the Americans are very self-centred and think everything is about them. They (the Committee) do not care about America, it was a jewish/freemasonic slave-plantation from the start. Their real 'problem' is Europe, where people for thousands of years had lived in freedom, and still have that memory stored in them. AFB)

Meanwhile in Germany more and more of the economy becomes part of the international high-finance. Workers are being brainwashed into bolshevism, the 'Workers-International' and class-struggle. Middle-class and manual-labour is being destroyed.

England, France and the US 'work' together.

1913: In the 'peace-palace' in the Hague, Netherlands, the freemasons gather for a 'pacifistic' world-congress. "Germany is the main obstruction to world-peace." Germans should be just a Folk of thinkers, poets and artists. Meaning they should not be in government, business, finance or any other occupation that is solely reserved for jews, jesuits and freemasons.

All countries have finished their military build-up for the upcoming war.

Hamburg, Luxemburg, Paris and the Hague are the places of shame (organising WWI). According to the freemasons, those meetings were just 'private-gatherings'.

The 'german' freemasons are being brainwashed during all these conventions and congresses to assist in destroying their country for the 'greater good', which is of course a jewish world empire.

12 April 1914: Conference in Kronstadt of representatives of France, Russia, England, Serbia and the USA. Here the final decision for WWI is made.

The US, who's government and public life was under full control of the jews and freemasons, and was increasingly also under the influence of the jesuits, declared they would be willing to give their last drop of blood and last dollar in a war between England and Germany, for the old 'motherland', meaning England. In reality of course it was for the 'fatherland' = the whole earth, as promised by YHWH to the jews.

(The 'Greater Israel'-project is not, as dumb idiots on the internet parrot some jewish agents holding up a map of the Middle East, expansion into the Middle Eastern countries. According to the rabbis: the whole earth will be Israel and what is now called Israel will be Jerusalem. Their 'fatherland' or YHWH-land is earth, all of it. YHWH = the spinning ball they call earth. AFB)

France had built up its army to every man capable of fighting: They all got 3 years of training.

England had a fleet ready in the North Sea.

Russia had expanded its strategic train-rail network, army and war-preparations.

Belgium had organised their army.

All in the name of 'pacifism'.

Meanwhile they 'worked' very hard in all countries to get people to join their efforts for either a jewish world-republic or an RC-god-state.

In Spain the king was, with the backing of the Vatican, still in power.

In Turkey, where the freemasonic Young-Turks had stripped the sultan of all his power in 1909, was as a consequence militarily weakened, which was used in 1911 to start a war by Italy against Turkey. Which subsequently expanded over the Balkan-area: 1st and 2nd Balkan-war instigated by freemasons. Turkey was now sufficiently weakened before WWI would start.

The other Balkan-states: Serbia, Romania, Bulgaria and Greece had become stronger. Especially Serbia was strengthened because they had an important role to play in what was to come.

The freemasonic states of Scandinavia and the Netherlands ensured they would not let their people assist their blood-brothers in Germany when the war broke out.

August 1914: Frankfurt am Main, another freemason-congress.

Meanwhile in London. P. 107:

„Der Freimaurerei gehören zahlreiche Journalisten an, deren Macht praktisch unbegrenzt ist.“

In short: Lord Amphtill: "Countless journalists are members of freemasonry, who's power is practically without boundaries."

It is very important to understand, Ludendorff keeps reminding people:

"There is only one freemasonry."

No matter that they are in different countries, claim to have different 'philosophies', they are all one and the same entity, working together to reach their goal of a jewish world empire.

The word 'humanitarian', being the highest goal of freemasonry, means: jewish world-government and enslaving everybody else.

What is their worst enemy? P. 107/108:

„weil wir gemeinschaftlich von Feinden bedroht werden“. — Welche Feinde das sind, verschweigt Hr. Lord Amphtill. Gemeint ist vornehmlich der Lebenswille der Deutschen, der dem ganzen Freimaurer- und Judentum mit einem Schlage ein Ende machen kann. — „Von Feinden, die die ungeheure potentielle Macht der Freimaurerei begehren . . .“ Ja, um freimaurerische „Humanität“ zu üben, ist eine „ungeheure potentielle Macht“ allerdings sehr nötig! „Auf unserer Seite haben wir die Praxis, die sich weiter über die ganze Erde ausgedehnt hat und die andere Rassen und andere Religionen, ein sehr wichtiger Punkt, umfaßt.“

In short: The will to live of the Germans is their biggest enemy, because it can end this whole YaH-Theater in one blow.

(This is also written in their unholy books. They are very, very afraid of Germans/Germanen coming out of this Collective Psychosis which they have brainwashed everybody into.)

A 'world-bond' lodge is founded by the 'pacifistic' warmonger Quartier la Tente, which is, together with the lodge 'Art et Travail', a bolshevist revolutionary brainwash centre.

In the meantime, the jesuits were very busy to set the different folks within Germany and Austria/Hungary up against each other. The press, in the hands of freemasons, jews and jesuits, did their 'work' to determine the 'public opinion' against the Germans who wanted to be free.

Ludendorff tries to get the government to install a draft and start making ammunition and weapons, however the freemasons in the government did not see any need because Germany was going to lose the war anyway. In January 1913 Ludendorff is kicked out of the general-staff.

The Germans were completely ignorant about the military and political situation and the free-Germans were being mocked, a well-known tactic of jewish/jesuit (and freemasonic of course) propaganda.

(They use it up to this day. Say to people that if they want to be free they have to abandon their fantasy-life, get rid of the government and religions, and start living in Reality, and yes, you are called the crazy one. "I do not live in a fantasy-world, you are" says every delusional schizophrenic arrogantly.

According to Mathilde Ludendorff schizophrenics in a psychiatric hospital are also convinced that they are the ones living in reality, and it is the psychiatrists who are living in a fantasy-world. We are really in dangerous times, because now they have managed, with the help of the internet and social media, that the people, which they have dragged into an alternative psychosis, are even more arrogant and unwilling to abandon their fantasy-world, because they are 'awake', and have spend years, if not decades, trying to brainwash their sheeple (followers) into their psychotic fantasies, claiming they are true. Making sure that they will not change their mind ever again.)

Because of their 'work' 5 million Germans were not trained to defend the country, by the time the war starts. The state of the military in Austria/Hungary is weak.

England, France, Belgium, Serbia and Italy and Russia were sure they were going to win the war against Germany and Austria/Hungary, the only unknown left was whether the tsar/orthodox christianity in Russia would win and go their own way after the war. Therefore more 'work' had to be done by the 'Workers-International'.

1914 has the Kabbalistic number 15 (YH = 15), and is 25 years (super lucky number as it is the sum of all their lucky numbers: $1 + 3 + 5 + 7 + 9 = 25$) after they decided they were going to start a world war. 1914 means, in Kabbalistic Hebrew: 'war on the earth-ball'. *(Never mind that we are not living on YHWH, the spinning ball, and it is not 1914 but 3106, AFB.)*

The murder of crown-prince Franz Ferdinand of Austria/Hungary was supposed to start the war. France, England, Belgium, Serbia and Russia would be let loose on Germany and

Austria/Hungary immediately, while the USA, Italy and Japan were on the reserve-bench and would be called upon if the first lot did not manage to become master of Germany.

The 'german' freemasons were well aware of the exact plan of what was going to happen, already in 1911. Franz Ferdinand himself had apparently been 'prophesied' by a 'psychic' that one day he would be the cause of a world war. In 1912 another 'psychic' in Paris had already foretold that Franz Ferdinand would never get on the throne, he would be killed on the way to the throne. Franz Ferdinand received in 1913 the message that freemasons had decided to kill him, in which city that decision was made, and which politicians in Austria and Hungary were in the know. In stead of telling his Folk what was going on, he gave the freemasons free reign to execute their plan.

January 1914: A news-article in Paris. P. 121:

„Der einzige Wunsch, den das neue Jahr nötig macht, ist dieser: Seitdem es Anarchisten gibt und seitdem sie die Gewohnheit haben, den Herrschern ans Leben zu gehen, haben sie nach meiner Ansicht selten eine so gute Gelegenheit gehabt, uns mit ihnen zu versöhnen. Glauben Sie nicht auch, daß der Anarchist, der morgen den Erzherzog Ferdinand ermorden würde, der Welt Ströme von Blut und Tränen ersparen würde?“

In short: "An anarchist is going to murder Franz Ferdinand which will lead to streams of blood and tears in the world."

Newspapers in Serbia wrote the same stuff.

May 1914: The 'serbian' grand-lodge is being recognised as 'rightful and perfect' in Germany, not being bothered by the fact that the serbian lodge had pledged to assist Serbia in their war against Austria. This was also the lodge which was responsible for the execution of the last stages of the plot to murder Franz Ferdinand, with the help of the 'italian' 'Narodna Odbrana' and the 'Black Hand', the 'action departments' or murder gangs of the freemasons.

In London, Southend, an 'Agitation-Office' was set up for the realisation of 'political goals' (that is of course jewish goals) and for political assassinations. Under the budget of the foreign ministry a post was created of 5 million pond sterling for this end.

In law-courts later on it was proven that all characters in this Franz-Ferdinand murder-plot were freemasons.

The murder was on 28 June 1914 at 11.00 O'Clock, because the one at 9.00 had failed. The murder was supposed to have happened on 27 June 1914 = 33/15 or 9/6/15 (= 2x15). However, Franz had rescheduled due to the hot weather.

The journalists in London already knew what was going to happen and were very nervous when the 'news' just not arrived from Sarajevo, and they could not publish their already written story.

The german kaiser let himself be played by Bethmann-Hollweg-Rothschild and was sent on a journey.

Austria let themselves be played by jesuits and freemasons: on 14 July (*Molay-day*) the government decides on an ultimatum to Serbia.

Russia would first be used for their goals and then be destroyed. 19-24 July freemasons go to Russia to notify them. On 23 July the ultimatum is handed over to Serbia.

While jews and freemasons were very busy organising the war, the Folks were kept in complete ignorance.

Also the pope is very keen on this war. P. 127:

Der bayerische Gesandte am Vatikan, von Ritter, telegraphierte am 26. 7. 1914 an die bayerische Regierung:

„Der Papst billigt ein scharfes Vorgehen Österreichs gegen Serbien und schätzt im Kriegs-falle mit Rußland die russische und französische Armee nicht hoch ein. Der Kardinalstaatssekretär hofft ebenfalls, daß diesmal Österreich standhalten wird. Er fragt sich, wann es denn solle Krieg führen können, wenn es nicht einmal entschlossen wäre, mit den Waffen eine ausländische Bewegung zurückzuweisen, die die Ermordung des Erzherzogs herbeigeführt hat, und die in Rücksicht auf die gegenwärtige Lage Österreichs dessen Fortbestand gefährdet. In seiner Erklärung enthält sich die Furcht der römischen Kurie vor dem Panславismus.“

In short: the pope (Pius X) wants Austria to go hard on Serbia and, in case of a war with Russia, reckons the russian and french armies are not much to deal with.

In Russia, France, England and Serbia military preparations had begun.

25 July afternoon: Serbia announces publicly their preparations, that evening Austria starts too.

27 July: The german kaiser comes back from his journey and starts doing his best to prevent the war.

28 July: The serbians start to shoot at Austria, Austria has no choice but to declare war.

29 July: Russia declares war at Austria/Hungary, which they had already prepared on 25 July.

The german kaiser sends telegrams to the tsar to keep him from going to war.

30 July: Freemason Kupfer, chief-editor of the Berlin newspaper prints the lie that Germany has ordered the mobilisation of army and fleet. A freemason of the foreign ministry in Russia receives the message 'in time' to prevent a peace agreement with Germany and have the tsar also start mobilising the army against Germany. Start 31 July 8.00 O'Clock in the morning. France had started on 30 July preparations at the border.

31 July: The german Reichs-chancellor asks the Russians to stop their war preparations against Germany and Austria/Hungary.

31 July: In Paris, head of the socialists, Jaurès, who had been at the conference in Copenhagen (1910) and realised that the plan made there was actually going to be executed and tried to stop it, was murdered. He was also planning to expose the 'french' freemasons as being the perpetrators of the murder of Franz Ferdinand.

P. 128:

Br. Norman sagte darüber:
„Es ist ferner auffallend, daß Jaurès ermordet wurde, ehe er in der französischen Kammer die Rede halten konnte, in der er beabsichtigte, sich gegen die Kriegsbege auszusprechen und den Grand-Orient in Zusammenhang mit dem Mord von Sarajevo zu bringen.“

Short: Brother Norman: “It is remarkable that Jaurès was murdered just before he could give his speech in parliament about ... (see above).”

German social-democrat Hermann Müller arrives in Paris on 31 July (one of the men signing the Versailles Treaty after the war) stated he would, under no circumstance, vote for permission for war-loans. Telling France they would not have to fear Germany in a war, because if war broke out they would start a revolution in Germany, sabotaging Germany from the start.

The left-wing parties were all for war, the right-wing parties, under Bethmann-Hollweg and Kupfer, also. Only a few jews were promoting war with Russia.

1 August 4.00 O’Clock afternoon: France gives the order to mobilise their troops, at 5.00 O’Clock Germany gives the order to mobilise. This meant that they had made sure that Germany would start mobilising at $2 - 8 - 1914 = 25$, their super lucky number.

German Reichs-chancellor, Bethmann-Hollweg, despite the serious advice against it of general von Moltke, gave Russia on 1 August (= 9), 6.00 O’Clock in the afternoon, and France on 3 August (= 11), 6.00 O’Clock in the afternoon (YH = 15 = 6), a war declaration.

P. 129:

In der Andreasmeister-Loge oder richtiger in deren Vorraum, bedeutet die VI:
„Die Finsternis streitet wider das Licht und begünstigt Adoniram’s Mord.“

In short: In the Andreas-lodge 6 = “The darkness fights the light again and favours Adoniram’s murder.”

Because of these war-declarations now they could shout to the whole world that Germany was to blame for the war.

4 August Reichs-chancellor Bethmann-Holweg, not having done enough damage to Germany yet, proclaims in the Reichstag that the march of german troops into Belgium was an injustice and they would make it up later, and the treaties Germany had made were just useless paper.

Knowing very well that Belgium had already in 1906 signed a military treaty with England and France, which was still valid. The treaty with Germany of 1818, in which Germany was allowed to walk through Belgium to France and the North Sea, had been violated by Belgium with their treaty of 1906.

Now the freemasons were extremely happy, having all the balls in hand to set the world up against Germany.

England, already mobilising since 25 July, could now, freemasonic pretend-holy, step into the war. Now they could start their war propaganda in the world-press, namely in the USA, in order to arouse the population into a 'crusade against the Huns'.

The confusion Bethmann-Hollweg had caused under the german Folk was welcomed by the jews and Vatican as a tool for their revolutionary plan for the german work-force.

Freemasonic Italy and king of Sweden chose to be on the side of the warmongers. The italian chief of the general-staff Pollio, who was a warm representative of the bond with Germany, had 'fortunately' died at the right time.

The italian army at the border between Italy and France was taken away, so France could now also take away their troops and employ them against the german troops.

The freemasons also dragged Japan into the war, against Japan's own interest, needing Germany for their own protection.

King Karl of Romania, who perhaps could choose to side with Germany, was, to be on the safe side, murdered with poisoned coffee on 10 October 1914. His death was already known in Petersburg before he was murdered.

Everything had gone as planned, all freemasons in the whole world had acted according to the jews', Vaticans' and freemasons' wishes. On one thing they had not counted however: the enormous power of the german Folk and their army.

They had thought they had sufficiently poisoned the german Folk, however a strong healthy Folk stood up. The german soul had arisen from unconsciousness into the consciousness. Their will for self-preservation had awoken. Even the workers, of whom the freemasons had expected they would betray their own people, stood up.

P. 131:

**stand zu seinem Volk. Die enttäuschten Vrr. Führer im Reichstage in Berlin ge-
standen:**

**„Wenn wir die Kriegskredite abgelehnt hätten, wären wir nicht bis ans Brandenburger Tor
gekommen, unsere eigenen Arbeiter hätten uns totgeschlagen.“**

In short: The disappointed freemasons in the Reichstag admitted: "If we had refused the war-loans, we would not have been able to reach the Brandenburger Gate, our own labourers would have beaten us to death."

The disappointment of jews and pope in Rome one can imagine, as the german labourers refused to betray their country and took up their loyal duty.

Meanwhile in France the warmongers got really nervous as they had counted on these labourers to sabotage the war-efforts in Germany. Therefore the 'german' freemasons got the task to start anti-military agitation in Germany. Also that did not work, the Germans would not change sides.

While the german army was winning in the west (France, England, Belgium) betrayer and chief-criminal Rudolf Steiner went, on orders coming from the grand-lodge in England, with

his anthroposophic delusional insanity, to general Moltke to influence (bewitch) him with his: "It is karma for Germany to lose the war."

That is how the 'Miracle of Marne' came to be. While the Germans were winning, Moltke told the troops to retreat. A similar 'miracle' happened when freemason/jew Bethmann-Hollweg told off the fleet, which had to fight the connections of the english army in France.

The Germans were winning on all fronts and except for a few hostile feet, no army stepped on german soil. The warmongers were in serious distress because it looked like that not Judah but Germany was going to win this war.

Rome and the rest of the gang told all countries to use their reserve troops. In England the military-draft was re-instated. Millions of english Germanen were to fight for Rome and the jews. Italy is being dragged into the war on their side.

23 May 1915 (= 26 = YHWH), 33 degree freemason and socialist Mussolini leads his Folk to the slaughter-bench. Already in 1914 the 'italian' freemasons declared that the italian Folk were supposed to fight in this war between two cultures, on the side of the jewish/masonic 'culture'.

However, Italy was not much of an opponent, as Rome and Judah had expected them to be. More disappointments.

Meanwhile the press was very busy in Germany, but mainly in Austria/Hungary, to convince the different nationalities to abandon the fight. Lots of Czechs went over to Russia. The rest of the world was brainwashed with the 'atrocities of the Huns' and horrible stuff the kaiser supposedly did. The 'public opinion', a product of jews, jesuits and freemasons, was turned against Germany.

In Germany in the meantime jew Walter Rathenau had changed the whole economy into a jewish economy. All businesses in Germany ended up in the hands of the jews in order to bring Germany under world-loan-capitalism and make it easier to steal all property of the german business-owners.

The 'german' freemason lodges were in close cooperation with the lodges in all enemy and 'neutral' states, while in the press claiming 'they had halted their cooperation with the lodges in enemy-states at the start of the war: 10 January 1915' (they had managed to change the start-day of the war apparently). The 'german' lodges received their orders from the 'french' grand-lodge 'Art et Travail'. More and more they were interfering in the Folk in the interest of the jews. This 'work' was under the leadership of the jewish secret lodge 'Nr. 11'. (*11 being Shekhina = WH, AFB*)

The USA meanwhile provided all warmongers with ammunition while brainwashing their Folk with 'Germans are barbarians' and supposed horrific acts.

In Turkey they had already before the war realised what it meant for their state when they acted for Judah and against their own state, and were not so eager any more to follow the freemasonic orders. Enver Pascha and Talaat Beh would later 'pay' for their disobedience with their lives.

In Germany jew Walter Rathenau, B'nai-B'rith and freemasons found 'the german community' in Berlin in order to more effectively do their 'work' among the Folk.

In the east the german army walked until far into Russia and in the south-east till Macedonia. England violates the neutrality principle and occupies Greece. In Portugal the English took german ships, filled them with the portugese army and brought them to France to be slaughtered.

So much blood was spilled by the people of all countries with the one goal: going to be enslaved by the jews.

Bethmann-Hollweg started the forming of Poland, a new country under the goal of pan-europeanism, with approval of jews, jesuits and freemasons. General Ludendorff had tried to get the polish men to assist the Germans so the german soldiers would get some rest. Freemasons, in contact with those in France and England, and jesuits, on orders of the jesuit-general, 'worked' the polish government to dis-engage from Germany.

January 1916: Freemason jew Mandel-House visits Berlin on a spying-journey, and while there learning of the upcoming battle in Verdun. 14 February he gives jew and B'nai-B'rith brother Isaak Rufus (later called Lord Reading), freemasons Eduard Grey, Lloyd George, Balfour and others the message that the Germans are going to attack the west, possibly Verdun, before spring.

The Germans lost as a result, a serious blow to the army. In the east as well as in the west things are not going well. Their military powers are weakening. Bethmann-Hollweg however, saw no reason to employ fully the U-boot-weapon.

In Russia the tsar and some peace-loving people won terrain and managed to send a representative to Sweden to meet a representative of the german kaiser. Bethmann-Hollweg sent the B'nai-B'rith brother and jew Warburg, with the objective to make the attempt for peace a failure. So it was.

The mood of the german army and Folk had sunk to low levels. Their allies lost the hope for winning and jews and jesuits saw their victory in sight.

29 August 1916: Ludendorff is called into a meeting of the army-leadership, to the horror of jews, jesuits and freemasons. All their intriguing and character-murder from before the war had not been able to prevent him from ever having a say in anything. His demand to install a military-draft for men and labour-draft for women was denied by Bethmann-Hollweg. He did manage to get the soldiers better weapons, more ammunition and replace soldiers with machines. Through that the army and the Folk got more confident about winning the war.

At the end of 1916 things had changed again and the german army was standing more firm on all fronts. 12 December 1916 the german kaiser decided to give peace to all Folks. His enemies were not happy because they had still the USA on the reserve-bench with a powerful army, which could swing the outcome of the war in their favour.

E.L. had always kept in mind that freemason, and dictator of the 'free people' of the USA, Wilson would enter the war when it looked like Germany was going to win. The peace-offer of 12 December 1916 was responded by Wilson with the offer of having 'peace-

negotiations' in stead of just accepting the peace-agreement, showing he had no intentions for peace whatsoever.

It is no wonder because the english and american states are run by the same people: 'english' jews, freemasons and high-finance. It is one and the same government, both very keen on destroying Germany in order to be the world economic power.

Since the beginning of the war the USA had already provided England and France with ammunition and the 'german' government had assisted them by giving them access to the german tungsten-steal-depots in Buenos Aires and the german copper-depots in Chile, shipped on a 'dutch'-ship, which had no problems to get through the goods-blockade. The Germans working in Chile, realising they were working for the Americans, laid down their work, till they got a phone-call from Germany that they could go on working.

So in 1917 the war goes on. On 1 February 1917 Bethmann-Hollweg finally gives in on the U-boot issue, but told all 'neutral' states he was against a U-boot war.

Wilson was not asked yet to enter the war, only when England was going to lose, the jesuit-slave Morgan started to lose his money, with which he was financing the war against Germany, and Russia had been fallen out, then the Americans would be brought into the slaughterhouse Europe.

In spring the tsar in Russia was willing to go for peace. Under jesuit, jewish, freemasonic influence among the Folk, the power of the tsar and government had been deteriorated. The 'english' sent jew and freemason Buchanon with other jews and freemasons to Russia in order to de-throne the tsar. If peace would be declared the russian Folk would find their strengths again, which had to be prevented by means of a revolution.

On 15 March (*death day of non-existent Julius Ceasar*) the tsar is de-throned. Some freemasons, who had already 'worked' in Russia since 1905, took over the government. Subsequently the jew Kürbis-Kerenski took over from them.

The U-boot war was won by Germany, Russia was out, this all led to Germany becoming the winner of the war. Now 'they' had no choice any more, freemason Wilson had to be brought into the war. In April he declares war on Germany and Austria/Hungary but not on Turkey and Bulgaria (their allies). Now they could start their spying work in Sofia and Constantinople, to undermine the war-efforts.

By May Germany had practically won the war. Now all countries of the world were called upon to declare war with Germany. If they refused their country would be raped just as they had done with Greece. 1 June freemasons from France arrive in Athens, Greece, and forced the king, who wanted his Folk to stay out of the mess, to leave and declared war on Germany.

In England the jews Stern, calling themselves Northcliffe and Rothermere, took over the anti-german propaganda business with the help of money from B'nai-B'rith in the USA, who had been responsible for 'making' the revolution in Russia in 1905. Jews and freemasons in Germany received their 'work' with open arms.

The pope sent his jesuits to Germany. With all his 'love' for humanity he had declared the U-boot war unjustifiable on 'humanitarian'-grounds. The 'german' government removed the law banning jesuits, so they could freely walk in.

1917: In Austria the jesuits try very hard to convince the government to stop fighting, out of 'human-love'.

More and more the jesuits, jews and freemasons worked together. All conflicts and disputes among themselves were forgotten, all had the same goal: destroying Germany. In the churches all sentences which indicated discontent or hatred towards jews were removed from the canonic law-book.

In Russia, under jewish rule, the orthodox church could be forced under the banner of the pope. The booty called Germany was already divided: the pope would get west and south Germany, all the rest would be for the jews.

In Germany the main targets were protestantism and the german kaiser.

2 April 1917: Freemasons come together in Madrid to plan the take over of Germany by abdicating the kaiser (a German). The decision had been taken in 1889 and now action is taken to execute the decision.

The german and russian workers were supposed to join each other in a revolution. In the jewish/masonic press the Folk was set up against the kaiser and brainwashed to stop fighting so there would be 'peace'. "Peace in the world was all in their hands."

A socialist 'peace' congress was organised, paid for by freemasons, in Stockholm where 'german' and 'russian' representatives discussed the revolutionising of Germany. The freemasonic 'Workers International' 'worked' very hard to revolutionise the russian and german Folk.

Jew and B'nai-B'rith brother Parvus Helphand (tool of Walter Rathenau) was sent to Russia, Lenin was sent (by Bethmann-Holweg) from Switzerland and B'nai-B'rith sent Trotsky from USA to Russia with loads of money, in order to change the bolshevik 'thought' into action.

P. 149:

***) Dr. Parvus Helphand war ein geriffener Schieber, der während des Weltkrieges „Geschäfte“ zwischen Staatsangehörigen der gegeneinander kriegführenden Staaten besorgte, was natürlich nur mit brüderlicher Genehmigung von Staatsvertretern möglich war. Diese Geschäfte bezogen sich skrupellos auf alle für die Kriegsführung wichtigen Materialien. Nach dem Kriege ließ Parvus Helphand den Besitz durch Betrug enteigneter Sowjet, ja auch Sowjetstaaten in seine Tasche fließen. Er übte typische Anziehungskraft auf verderbte Herr. Sowjet aus, die er in seine „sauberen“ Geschäfte verstrickte und verdienen ließ. Das Begünstigen der Verbrechernaturen eines Volkes ist ja stets des Juden Weg zur Macht. Das Öffnen der Zuchthäuser bei Beginn einer jeden Judenrevolution hat eine tiefe symbolische Bedeutung. Parvus Helphand war also ein ehrliches jüdisches Prachterexemplar, aber doch nur ein Werkzeug der „Finanzmagnaten“ bei der betrügerischen Enteignung und Proletarisierung des russischen und Deutschen Volkes. „Water“ des großen „Volksbetruges“, der Inflation, war nicht er, sondern die dahinter stehenden jüdischen „Idealisten“.**

In short: This jew, Parvus Helphand, was a major player in stealing all properties from the Germans.

The Vatican sent Nuntius Pacelli to Germany to force the Folk and kaiser into peace. Everywhere the Folk was brainwashed to give up the will to win the war, while at the front the victory was close by.

The goal was obvious: the enslavement of the Folk. If they had wanted peace they would have gone to London and Paris: The headquarters of the warmongers.

While they preached peace in Germany, in France, where the soldiers started to give up, violence (murder) was used to stop them from laying down their guns.

May/June 1917: In Madrid a worldwide freemasonic congress was held in order to plan the jewish-jesuit plan for world-domination and pan-europa. During a freemasonic congress in Genf a freemasonic 'office to restore peace' was installed. There was a freemasonic meeting in the Netherlands (NL was supposedly 'neutral'). Just to name a few of them.

All had the same goal: the establishment of jewish world government and enslaving the Germans. Although all the nations would keep a certain 'autonomy', government rule and all law-courts would be in the hands of jews. Everybody was going to work for YHWH.

(Peace in Hebrew means Shalom. Shalom means that all non-jews have to be murdered, because only then can there be peace on earth. It is that 'peace' the freemasons are talking about. AFB)

Throughout the war the 'german' freemasons determined the 'public opinion', 'working' very hard against the kaiser and the country.

The jesuit-general went to Switzerland and had a meeting with 300,000 RC-workers and millions of RC-followers, all determined to 'work' for the jesuit-general.

Bethmann-Hollweg is finally kicked out of office, but not before he had changed the voting-rights. Dr. Michaelis takes over and nothing changed except this one seemed not willingly wanting to degenerate the Germans.

19 July 1917: The peace-resolution is accepted in the Bundestag, while in the east and west the Germans win all their battles.

The freemasonic 'Workers-International' get the Germans of the marines to strike. In Russia under Lenin the plans, made before in Copenhagen, are being executed.

The jews threaten England that if they do not follow their orders they would also revolutionize the english Folk. Now the freemasons Lord Balfour and Lloyd George saw themselves obliged to promise Palestine to the jews on 2 November 1917. ($2+11/3109 = 26 = YHWH$)

Palestine being small 'fatherland', that is the centre, from where the great 'fatherland', that is earth, would be ruled from. With that all jews from the whole world were committed to let England win the war. The jews in Germany had understood what was to do. Also the freemasons in Germany now knew what to do, that is more 'action'.

Freemasons in Italy, Germany and France 'work' together:

P. 155:

„Gleichzeitig muß derselbe Versuch in Deutschland gemacht werden. Da es jedoch wenig wahrscheinlich ist, daß die eiserne Deutsche Disziplin es den „Deutschen Bolschewiken“ ermöglichen wird, eine Revolution herbeizuführen, so müssen andere, weniger gewalttätige Elemente des öffentlichen Lebens Deutschlands mobil gemacht werden. Die Groß-Oriente von Paris und Rom wünschen (!) daher, daß die zwischen den dissidierenden Logen Italiens und der Deutschen Freimaurerei bestehenden Beziehungen für diesen Zweck ausgenützt werden. Was sie wünschen (!), ist genaue Information über den Stand der Dinge in Deutschland zu erhalten, um sich ein klares Urteil darüber bilden zu können, ob Deutsche Elemente, die zu revolutionären Bewegungen geneigt sind, bereit wären, eine große Bewegung zu organisieren, die von den Russen mit ihrer Expansionskraft, und von der französischen und italienischen Freimaurerei mit reichen finanziellen Mitteln und durch eine umfassende literarische und journalistische Propaganda unterstützt werden würde.“

In short: German bolsheviks do not look capable to start a revolution, so they have to mobilize less violent elements in public life. They need exact information about the state of things in Germany, so they have a clearer picture whether these elements are willing to build a bigger movement, which would be supported by the russian bolsheviks, 'italian' and 'french' freemasons with money and large literary and journalistic propaganda.

Christmas 1917: Peace-negotiations. Not diplomats from Germany or Austria/Hungary negotiate, no it is B'nai-B'rith jew Trotzky (Braunstein), ruler over jewish Russia, who does the talking. Freemasons Lloyd George and Wilson were there under supervision of their handlers: The millionaires Sassoon, Baruch and Mandel-House. Freemason Wilson comes with his '14 points' plan. Trotsky was supposed to handle the 'german' bolsheviks and the two lapdogs the 'lesser violent elements of public life'.

Money of the world-capitalists was sent via the Netherlands into Germany to assist in organising the revolution.

Meanwhile the Germans were brainwashed that a german victory would hamper peace.

16 January 1918, freemasons Eisner, Ebert, Scheidemann, Dittmann, etc. started to get the labour-masses moving into Austria and Germany. From out of the revolution arose a revolt, having severe influence on the german spirit. It was a rehearsal for the revolution which would come on 9 November. The 'work' of Judah and Rome had serious influence in Germany, Austria/Hungary, Romania and Turkey.

Russia and Romania sign a peace-agreement, which changed nothing except that the jews would get equal rights.

While the german army wins major battles in the west the freemasons get really worried and increase their propaganda in Germany against the will to win the war. While soldiers from the whole world were fighting to install their own enslavement, the Germans were fighting for freedom. Slavery could only win if the Germans gave up their want for freedom.

Jews, jesuits and freemasons increased their anti-Ludendorff propaganda among the Germans, knowing well that he was their biggest obstacle to achieve their goals. In July the warmongers managed, with the help of german betrayal, to win a major battle and saw their victory in sight. They were so sure on 15 July they were going to win, that on 16 July

jews from the black-lodges, dressed in black leather, bestially murdered the tsar-family in Russia, which was already announced by jews on a postcard in 1914.

With the help from czech troops the freemasons went with their 'white' troops to 'work': Murdering as many Russians as possible and turn Russia into a wasteland as was planned in 1890, in the end 20 million Russians were murdered.

(The Cheka, the murder gangs in Russia, were a jesuit organisation enforcing the Inquisition Laws. P.195:

DENKSCHRIFT

Der Gründer der Tscheka war der Pole (Anm. M.K.: und **Katholik**) Dserschinski. Unter ihren Mitgliedern sind viele **Juden**, besonders jüdische Weiber und Chinesen. Aber an wichtiger leitender Stelle stehen **Jesuiten**. In einem Freimaurerbrief, abgedruckt in Ludendorffs Volkswarte vom 25. Hartungs 1931, heisst es:

„Dem Gross-Orient ist es gelungen, den **Jesuiten** beim Kampf um Russland eine Reihe von Schlägen zu versetzen, die so folgeschwer sind, dass die Jesuiten zunächst einmal die Durchführung ihrer Aktion in Moskau selbst aufgeben müssen. Dem Gross-Orient ist es gelungen, eine Reihe von **Jesuiten** festzustellen. Die Jesuiten, die durch den Umstand, dass **Menschinsky** und **Jagoda**, d.h. Leiter der wichtigsten Stellen der **G.P.U.** – (spätere Bezeichnung für **Tscheka**, d.V.) – zu ihnen gehören, in Moskau selbst alles treiben können, was sie wollen, begannen ihre Organisationen auch im zweitwichtigsten Zentrum nach Moskau, in Petersburg, auszubauen. Nach hier vollendetem Ausbau sollte der **Umsturz** zugunsten Roms und zur **Vernichtung** seiner Feinde geschehen.“

There is a chance that all 'intelligence organisations' in the world stem from the cheka (jews, chinese and jesuits) and are therefore Team Red/Brown/Purple.)

Summer 1918: Freemasons from the 4 countries (G, A/H, R, T) came together in Berlin in order to advance the jewish-masonic goals by breaking the will for victory of the german Folk.

23 – 28 September: Jews, jesuits and freemasons in Berlin make decisive decisions. 29 September in Spa: The revolution would be instigated from above. The kaiser would be stripped from his power, peace-negotiations and a weapons-stand-still should start. Prince Max von Baden went to the Berlin area to be ready to be installed as Reichs-chancellor, and from there be ready to become Reichs-president, as already decided in 1910.

Ignorant of all this, the german army-leaders agreed on 28 September with a weapons-stand-still and peace-negotiations.

P. 159:

Nach auch natürlich ist. Wie sich aber dieser Entschluß der Obersten Heeresleitung in dem Gedankengang des „roten Propheten“ (Rathenau) widerspiegelt, geht aus seinen Worten hervor, die er wenige Wochen nach der gelungenen Juden-, Freimaurer- und Jesuitenrevolution in Gegenwart Dr. Eisners gesprochen hat:
„Es ist uns noch im letzten Augenblick gelungen, alle Schuld auf Ludendorff zu werfen.“

In short: Red-prophet Rathenau tells Eisner: “At he last moment we managed to put all the blame on Ludendorff”.

29 September: The kaiser confirms. Max von Baden became Reichs-chancellor. Freemasons and jesuits built his cabinet, the so-called war-cabinet, who's only purpose seem to have been to strip the kaiser from his power, to de-throne him, and to send the Germans without army or weapons to the enemy, according to the wishes of jews and jesuits.

B'nai-B'rith jew Hahn was Max von Baden his personal secretary and wrote the speech of 5 October in which they stated it was all about life and death. They chose death.

The letter to Wilson, sent on 3 October, 'strangely' stayed in Switzerland for one day and arrived in Washington on 5 October.

The war-cabinet decided that Germany would lose the war. Jesuit Erzberger would be the one making this happen in the weapons-stand-still negotiations.

War-cabinet and Reichs-chancellor forced the kaiser to fire Ludendorff. 26 October Ludendorff is dismissed by the kaiser. The kaiser was in the delusion he could build up the Reich with the social-democrats. These were the freemasons who had been working for years to get the kaiser out of the way.

26 October: The war-cabinet strips the kaiser from his powers. 27 October freemasons Max von Baden and Wilson could achieve a 'peace in justice'.

Beginning November: Mutiny starts in the fleet and this developed into the revolution over the whole country. 7 O'Clock the king of Bayern is de-throned by jew Eisner.

9 November 1918 (9+11/3110 = 25): the kaiser is being de-throned and all leadership goes to the revolutionaries. The kaiser is sent to the Netherlands, as was already determined in 1890, and the B'nai-B'rith Order in the Netherlands already knew this would happen two days before. The journey to the Netherlands by the king enlarged the revolution, and the submission of the tired Germans, and other Folks, to jewish leadership.

Jews, jesuits and freemasons ensured the german Folk that this was a victory, meanwhile very busy with enslaving them.

P. 162:

Die „monarchisch“ gesonnenen, „treu vaterländischen“ Großlogen, die dem Kaiser noch am Großlogentag 1915, wo man es noch nicht recht wissen konnte, wie es kam, „vorsichtig“ ein Treugelöbnis ausgesprochen hatten, stellten sich am 9. November in größter Hast auf den „Boden der Tatsachen“. Die Große Landesloge der Freimaurer von Deutschland verkündete:

„Hinsichtlich des Verhaltens unserer Mitglieder gegenüber der Staatsgewalt wird jeder Zweifel durch den § 2 unserer allgemeinen Ordensregeln beseitigt, welcher besagt, daß der Freimaurer der Obrigkeit Gehorsam schuldig ist, daß er das Wohl des Vaterlandes“ – wir lesen, die jüdische Weltrepublik Judäa – „nach bestem Wissen und Vermögen zu fördern und es im Notfalle mit Gut und Blut zu verteidigen habe.“

In short: The grand-lodge of Germany declares they are going to do everything they can, if needed with goods and blood, for the jewish world-republic.

The freemasons are called to start fighting every German who was willing to take up weapons against the revolution. Meanwhile the german army is being dismantled by the generals.

5 years after the murder of the archduke, on 28 June 1919, the Versailles Treaty, written by jews and B'nai-B'rith members, was pushed down the throat of Germany, because they were to blame for WWI. The jesuits, jews and freemasons of the 'german' government accept the terms of the Versailles Treaty.

On 10 January 1920 (10/1/3112 = 9 = YH, YH, YH) the Versailles Treaty would go into effect.

P. 163:

Papst Benedikt XV. gab dem Schandvertrag seinen Segen, indem er an den Erzbischof Amette 1919 schrieb:

„Was menschliche Klugheit bei der Versailler Konferenz begonnen, möge göttliche Liebe veredeln und vollenden.“

In short: Pope Benedict XV gives his blessing to the Versailles Treaty. “What human cleverness started at the Versailles conference, may godly love ennoble and complete it.”

Russia, Turkey and Austria/Hungary were defeated. Bolshevism in Russia made it a war-booty for the jews, jesuits and freemasons. They had now all countries under their control except Japan.

The only question left was: Was the world going to be a jewish world-republic or an RC-god-state. In the meantime Rome and Judah went on with their collectivisation of the world, stealing everybody's property and forcing people to work for nothing, receiving just enough to keep themselves alive.

P. 163:

Es ist hier nicht Raum, um die Wege des Weltkapitals in allen Völkern zu verfolgen. In Deutschland ist dieser Weg gezeichnet mit Inflation, Betrug an den Sparern, Wegnahme des Besitzes durch Steuernotverordnungen und ungeheuren Zinsforderungen und Zahlung von Kriegstributen ohne gleichen in der Form der „Wiedergutmachung“ usw. Schließlich die Dawesanleihe 1924, angenommen am zehnjährigen Gedenk-Tage der Schlacht von Tannenberg am 29. 8. 1924, und die Younganleihe 1930, angenommen am 18. 3. 1930. Gerade bei diesen Anleihen trat der römische Papst scharf in die Erscheinung. Pius XI. hat die Vorschläge für den Dawesplan gemacht. Der Osservatore Romano vom 12. 4. 1924 schreibt:

„Daß der Dawesplan ja nichts anderes sei, als die Verwirklichung der Vorschläge, die der römische Papst schon ein Jahr vorher während des Rußkampfes als eine gerechte Lösung vorgeschlagen habe.“

In short: Further enslavement of the german Folk by world-capitalism through inflation, deceiving, stealing property through tax-laws and interest-payments and paying for the war ‘to make everything right again’. The Dawes-plan of 1924 came from pope Pius XI and also the Young-loans of 1930.

Also the rest of the world is in deep shit: Economies are down and the tax-levels are crippling the Folks. With the help of the world-capitalists the jews, jesuits and freemasons continue the mass-murder of people. All in accordance with the bible apostle story chapter 2 to 5 in which Petrus orders all goods to be gathered, and then he distributes just enough to keep the people alive. Collecting all money in the hands of the jews is not greed, it is on orders of YHWH.

(It is all over the bible: the earth, all the money, all the goods and all people are the property of the jews. YaHWeH commanded it.)

After the war most countries were politically ruled by jews via the Folks-Bond (forerunner of the United Nations). They had complete control over Russia through bolshevism, in the

other states they had one jew and the rest freemasons. France was mostly protected by jews, and not having enough of that through the Folks-Bond, they also made bonds with several countries, just to be sure. Vienna would become the capital of Pan-Europe.

In the struggle between jews and Vatican, the Vatican won more and more power through the RC-folks in Germany and Austria. In the year 1922 pope Pius XI climbs on the seat and starts expanding his power through increasing the jesuit spirit everywhere, changing the psychosis a bit, brainwashing everybody in the 'kingdom of christ'.

RC-politicians tried to move away the jewish-freemasonic politicians. Also the freemasons were under attack of the jesuits. In 1922 Walter Rathenau, the 'red prophet of world-revolution' is murdered. The jews 'cried out in pain', and pretended not to know that the pope had won this battle.

The other battle the pope won in 1922 is that Mussolini came into power in Italy. He was a friend of jews and freemasons (*he was a 33 degree freemason*) but decided he 'liked' his people and handed Italy over to the pope. With that the pope won on economic territory from the jews, who were not amused by this development.

Now in all countries the fight between Vatican on the one side and jews/freemasons on the other side flares up again, in the beginning mostly on the political stage. In Spain the pope managed to install another dictator: Primo de Rivera, however kingdom and Rivera fall again in 1932. Spain became a freemasonic republic.

In France more parliaments changed more and more in favour of Rome, replacing the jewish/freemasonic parliaments. In Belgium, Wallonië (french speaking part) was jewish/freemasonic, Flanders (dutch speaking part) jesuit. The Folks were set up against each other, in which the jesuits encouraged the Flanders to find their folkish-being, intending to use that for its own goals.

In the Netherlands an RC-political party arose. In Germany and Austria Rome won more and more ground. In Austria, with the help of Mussolini, they removed jewish and freemasonic leadership from the country and took Vienna away from the jews. Because of this Austria and Hungary came closer to Mussolini's Italy.

In Poland Rome and freemasons fought each other. In the nordic states Rome won influence. In the USSR Rome was not able to gain ground. Ireland gets supported by the pope and got an RC president, de Valera, fully in the pocket of the pope, and wanting to separate Ireland from England. In Canada and USA Rome is gaining ground. South-America was already for a 100 years under the power of jews/freemasons and world-capital.

This was the end of this book.

History Part 4: The Story of Hitler and the NSDAP

Let me first explain the 'game' that is being played on TV/Internet.

As Wilhelm Kammeier already uncovered: During the Great Reset's falsification action a double-entry bookkeeping was introduced. However, since a few decades now, this has changed into a triple-entry bookkeeping system:

1. The official narrative on TV;
2. The narrative of the controlled opposition on the internet;
3. The narrative of the controlled opposition of the controlled opposition on the internet.

None of them will tell you the Truth. Going from 1 to 3 you will get more truth, however, it is all mixed up with lots of lies, making sure you will never understand what the Truth = Reality is.

Let me give an example of how this works. The issue of how people get 'sick':

1. The germ-theory: it is viruses (demons) and evil bacteria, you need vaccines: You need to be afraid;
2. The germ-theory is correct, but there is no need for vaccines, they are poison: You need to be afraid;
3. The terrain-theory: There are no viruses, the cause is poison, parasites, pH, bacteria, etc: The terrain: You need to be afraid.

The reason: To hide the work of Dr. Hamer, who already discovered in the 1980s, what the cause of 'disease' is and how you can heal yourself: The Germaanse Heilkunde: There is no need for fear. Fear and worry are the major causes of disease: That is 1, 2 and 3.

The story of Hitler and the NSDAP:

1. Hitler was a dictator, racist and anti-semite, who loved the Germans ('Aryans'), hated jews and murdered 6 million of them: You need a jew-loving government;
2. Hitler was not a dictator, loved the Germans, treated the jews well and never murdered 6 million jews: You need a national Folk-loving government;
3. Hitler was a dictator and a jew/ freemason, and obeyed their orders, but he never murdered 6 million jews: You need a people-loving government.

The reason: 1. To hide the fact of who was really pulling the strings of Hitler, to make sure no one will understand the YaH-Theater and, as a result, keep them in the Psychosis; and 2. To hide the fact that the only way out of this mess is NOT having a government, but let everybody govern themselves. Government is slavery: That is 1, 2 and 3.

Of course there is the schizophrenic aspect, because non of the stories make sense.

Here the story of Adolf Hitler and the NSDAP.

During 1922-1924 Adolf Hitler and his friends started a movement to free the people from government. It was a true freedom-movement. Then Hitler had to go to jail. Then, what they 'forget' to tell you: After 6 months he comes out and has turned into a power-hungry roman-catholic fanatic who has no interest any more in freedom for the people: He just wants to become the dictator of Germany under the protection of the pope.

Although I am against all governments, I gave him the benefit of the doubt: Maybe he did not know any better. (Yes, I am sorry to say I fell for option 2 too. It was option 3 that opened my eyes and I realised they were all lying.) Now I know he did know better, he was just an evil man, a dictator. Not because he hated the jews, as the official propaganda goes, no because he hated the Germans. The 6 months in jail he did not spend on writing 'Mein Kampf', that was written by jesuit Stämpfle, in that time he was being 'activated' by the jesuits.

Hitler had grown up in a Benedict-monastery in Lambach, 40 km, of Braunau, where he was born.

Erich and Mathilde Ludendorff wrote a book about the jesuits, I recommend you read it. In short: the jesuit-training is 9 years (of boys of 13/14 years old) of 24/7 abuse, torture and brainwash so at the end they are a corps: An empty shell. No more feelings, no own thoughts, no emotions except hatred towards themselves, their family, their Folk, their country, and no more any realisation of Self. They are literally zombies, walking corpses, and can afterwards pretend to be anyone they need to be on orders of the jesuit-general.

Hitler seems not to have been jesuit trained, although he was RC-brainwashed of course, as a child. However, Göring, Goebbels and Himmler were jesuit trained.

1929. "The Secret of the Jesuit-Power and their Ending"

After Hitler comes out of jail, all the true freedom-loving members leave the NSDAP and set up their own movement for free-Germans: the Tannenbergbund. One of the most known members is General Erich Ludendorff. Here the deception comes into place.

According to 'Option 2' Ludendorff was a member of the NSDAP. Now they can use his quotes and writings to 'prove' the NSDAP was a freedom-movement. In reality he was never a member of the NSDAP. He was a friend of Hitler, but seeing what went on, he turned his back on Hitler in 1925. He despised Hitler (called him a nazi) and the NSDAP, and has done everything he could to warn people of what was really going on in the NSDAP, and what their future would be under a Hitler-dictatorship.

Of course his books are not translated into english, they are even very hard to find. They are buried in the basement of archive.org. Now all this talk about removing the government and let people govern themselves and their communities was not part of the NSDAP, it was part of the Tannenbergbund. Hitler had no intention whatsoever to dismantle the government and give people their freedom. In stead, he and his SA and SS, had as number one harassment victims the members of the Tannenbergbund, especially Erich Ludendorff and his wife Mathilde.

Ludendorffs Kampf gegen die Hitler-Diktatur

Eine Dokumentation zu seinem 130. Geburtstag

I. Von Gunther Duda

Diese Dokumentation des deutschen Freiheitskampfes in den Jahren vor Hitler hat nicht die Aufgabe, den Hetzfeldzug gegen unser Volk zu erweitern, der den braunen Diktator mit ihm gleichsetzt. Es geht allein um die geschichtliche Wahrheit, die von den Einweltlern völlig verschwiegen wird und die dieses Ringen gegen den Untergang von Volk und Reich sogar sabotierten. Es geht auch gegen die verlogene Unverfrorenheit, immer noch Ludendorff mit Hitler gleichzusetzen. Das ist kein Zufall, und ebenso ist es klar erkennbare Absicht, die von Ludendorff scharfsichtig erfaßten weltanschaulich-politischen Zusammenhänge historisch nicht auszuwerten. In einer Zeit beispielloser Verwirrung, Verführung und Haltlosigkeit könnte ihre Beachtung und Auswertung zu einem tatsächlich menschenwürdigen Leben der Völker zu führen.

Wohl führte das Unternehmen vom 8. November 1923, durch das im Zusammenwirken der bayrischen Regierung, der in Bayern stehenden Reichswehr und der bayer. Polizei mit den nationalen Verbänden das „November-system“ beseitigt werden sollte, Hitler und den letztlich an diesem Tag von ihm überrumpelten Ludendorff zusammen, doch bald nach dem „Hochverratsprozeß“ trennten sie sich für immer:

„Ich sprach mich nun noch einmal sachlich mit Herrn Hitler aus, dann schieden sich unsere Wege. Wie ich nochmals hervorheben will, ohne irgendwelchen Zusammenstoß. Es gingen zwei Männer auseinander, die jeder ihr Ziel, allerdings auf erheblich verschiedenen Wegen, erreichen wollten, und wohl auch aus recht verschiedenen Beweggründen ...“

„Mit dem Beginn meines 61. Lebensjahres begann ich den Abschnitt meines Lebens, in dem ich nicht mehr national, nicht mehr völkisch, sondern allein nur noch Deutsch für Deutsche Volksschöpfung und für die Befreiung aller

Völker von den überstaatlichen Geheimmächten wirkte, wenn auch dieses Wirken naturgemäß an erster Stelle dem Deutschen Volk galt.“

Diese Feststellung, geschrieben zur Zeit der Hitlerdiktatur und der Gestapo-Herrschaft, verrät den tiefgreifenden Wandel des genialen Soldaten zum Kultur- und Freiheitskämpfer. Grundlage seines Wirkens war die Gotterkenntnis seiner zweiten Frau geworden, die ihn mit seiner reichen Lebenserfahrung und seinen geschichtlichen Forschungen nunmehr völlig neue und alles revolutionierende Wege gehen ließen.

Seine Worte über die Trennung von Hitler, aber auch von allen „völkischen Gruppen“ wären in einer freieren Zeit anders ausgefallen, veraten sie doch nicht das Geringste über seinen erbitterten Abwehrkampf gegen die Hitler-Diktatur. In ihr waren übrigens die zuvor und danach in den verschiedenen Parteien getrennten Ideologien und Religionen ebenfalls vertreten. Davon geben Ludendorffs Beiträge in seinem Kampf- und Aufklärungsblatt „Ludendorffs Volkswarte“ mit dem Untertitel „Sieg der Wahrheit: Der Lüge Vernichtung“ genügend Beweise.

Ludendorffs Kampf gegen die Hitler-Diktatur

Eine Dokumentation von Gunther Duda zu Erich Ludendorffs 130. Geburtstag.

Eine Fortsetzung in sieben Teilen, erschienen in „Mensch und Maß“ des Jahres 1995!

Neu herausgegeben im Eigenverlag, 2018.

Book: “Ludendorff’s Fight against the Hitler-Dictatorship.”

With that in mind let me give you a summary of another book of Erich Ludendorff: "Hitlers Verrat der Deutschen an den Römische Papst", 1931.

ERICH LUDENDORFF

HITLERS VERRAT

DER DEUTSCHEN AN
DEN RÖMISCHEN PAPST

"Hitlers Betrayal of the Germans to the Roman Pope"

The summary.

Rome had two trump-cards in the game: The Centre/Bayern folk-party and the NSDAP. Both were dependent and submissive to the pope. The Centre/Bayern folk-party had the marxists tied to the pope and with that the biggest party.

Now people started to return to their german-being and this would endanger the power-position the pope now had. They needed another trump-card and that card became the NSDAP in spring 1925: The moment they accepted the RC-ideology as theirs, and they oriented themselves in the fascist-system.

How far they fulfilled the expectations of Rome became more and more clear. Not only the RC-folk but also the protestants came under their wing. For Rome there was no hurry to let the NSDAP win, as they had the left wing covered with the Centre-party and, in case the NSDAP showed to be a reliable partner, the right wing too. While the two fight each other in public, the pope just waits and sees if the people go for the international version or the national version.

The pope has his people in both camps and monitors if the NSDAP guarantees their loyalty to him. By letting them fighting each other the pope's power and the jesuits' power increase.

The left offers a special law to ensure freedom of religion, besides the old law, to make sure the pope has the freedom to interfere in the country. It is all theatre from Moscow and Rome in order to install a pope-leadership in Germany.

Hitler has to do better of course. He has to show the pope that the NSDAP members are better crusaders, as he calls them, than those of the left. He does not give just assurances to the pope but proof, shown by his fight against the 'godless' communists and his fight against Ludendorff's book: "Weltkrieg droht am Deutschem Boden." "The Threat of World War on German Ground".

In this book Ludendorff explains that the Germans (I say all Germanen) are the carriers of the god-cognition (I say Seele-Wisdom) and shows that the Vatican, jesuits, jews and freemasons are the biggest threat to our freedom (I call this the YaH-Theater). Ludendorff and his people, who want freedom for the german people, that is no government and no religion, are under constant attack of the NSDAP.

Hitler distributed hate-pamphlets about Ludendorff and his wife, who wrote about all the violence done to the German people in the name of Christianity. They, the group Ludendorff: Tannenbergbund, gave the Germans the way to defend themselves and how to be free. This god-cognition would destroy the Christianity on which Hitler wanted to build his dictatorship, so he could enslave the people with the help of the RC-church.

Hand in hand with this fight against the free Germans is the submission of Hitler to the pope. The pope knows that the more he accuses Hitler not fighting hard enough for Christianity, the more he will get out of Hitler in terms of power, because Hitler knows that the only way to come into power is with the help of the pope.

P. 6:

Die Herausgabe der Schrift „Nationalsozialismus und katholische Kirche“ von Univerf.-Prof. Dr. Johannes Stark, als amtliche Parteiäußerung im Parteiverlage der N.S.D.A.P. erschienen, erhärtet die Tatsache, daß Herr Hitler bereit ist, das Deutsche Volk an den römischen Papst zu verraten und ihm eine noch nie dagewesene Knechtschaft aufzuerlegen. Der Scheinkampf gegen Rom, der Ende

In short: “Nationalsocialism and the Catholic Church” of Prof. Dr. Johannes Stark, is official NSDAP policy, which states that Hitler is prepared to betray the people and give the pope a not yet existing power of enslavement.

The pretend-fights against Rome are there to fool the people, and the pretend-fights of the Jesuits against the NSDAP are there to force the NSDAP to give the pope more assurances.

P. 6:

Möge es noch Zeit sein, die Deutschen aus den Suggestionen der N.S.D.A.P. zu befreien und damit aus den Fängen des Verderbens durch die N.S.D.A.P. zu retten. Mögen die freien Deutschen, die noch immer der N.S.D.A.P. angehören, sich darüber klar sein, daß sie die Steigbügelhalter Herrn Hitlers, d. h. eines Mannes sind, der unter dem Scheine, für Erhaltung und Freiheit des Deutschen Volkes zu kämpfen, die Herrschaft über das Deutsche Volk erstrebt, die es der Knechtung durch den römischen Papst ausliefert, und daß sie dieses Verderben des Deutschen Volkes nicht mehr verhindern können, wenn sie einmal Herrn Hitler auch nach Stellung von etwaigen „Ultimaten“ in den Sattel, d. h. zur Diktatur über Deutschland verholfen haben.

Tatsächlich ist damit der römische Papst Herr in Deutschland. Er bekümmert sich weder dann um Herrn Hitler noch um dessen Genossen, falls sie wider seinen Stachel leiden wollen. Die Steigbügelhalter des Herrn Hitler sind dann damit Steigbügelhalter des römischen Papstes zur Vergewaltigung des Deutschen Volkes durch ihn.

In short: The warning of Ludendorff to all Germans who are still stuck in the NSDAP delusion. While Hitler claims he is going to give people freedom, he is just the step towards the Rome dictatorship. When Rome has the power, through the NSDAP, Rome will not care about anyone who gave it that dictatorship. They will enslave all Germans equally.

1931: Hitler is above the party and everybody is to obey him. However, above Hitler stands the pope. Hitler has put himself under the jurisdiction of the pope and acknowledges, and with that binds himself to, the dogma of ‘not being able to fail in areas of doctrine and morals’ of the Catholic Church, and with that accepts the world-leadership of the pope. Therefore he is obliged to lead the party according to the wishes of the pope.

Alfred Rosenberg, friend of Hitler, his book "The Myth of the 20th Century", published by the NSDAP and favourite literature of its members, goes strongly against the catholic church and the pope. In 1931 Hitler declares that the book will not be published any more by the NSDAP, it is a private work and is not part of the party programme. With that Hitler has restored the NSDAP-weltanschauung in accordance with the RC-church and his own RC-dogma-beliefs.

The youth has to be drilled into the 'positive christianity' delusion, just as in its birth-place Italy. Hitler's party goes zigzag through the storms, changing opinions when needed, confusing the hell out of the NSDAP-members and the rest of the people. They had no idea whether something was true or 'tactic'.

(We can compare this with the Trump-supporters who claim Trump is playing 5D chess. Well that game was invented by Hitler. In many aspects Trump is Hitler 2.0. I wonder if Trump is a catholic, just as Kennedy and the Bushes were and if there is a treaty signed during their reigns with the Vatican. Maybe there is an American out there able to find something. AFB.)

Although Hitler claims to stand for freedom and race-acknowledgement, by delivering all power to Rome, the dogma of the RC-church will rule. This means that in all aspects of life the church will enforce their will on everybody, that includes their view on race, which will lead to race-mixing as is prescribed in the bible. Esau has to mix with Ismael: whites with arabs.

(Do not forget the Vatican is phoenician. The phoenicians are a mixed race of White + Asian + Black. The RC-religion is based on turning everybody into a phoenician: the eurasian-negroids of Kalergi. Kalergi was a jewish (might be either ashkenazi or phoenician)/mongol (japanese)-mix.)

P. 11:

führte Herr Hitler am 22. 2. in Braunschweig aus: „Wir sind Kreuzritter“.

In short: Hitler: "We are crusaders."

Meantime Hitler forbids the party-members to say anything against Rome or saying that the jesuits are connected with the pope.

P. 13:

**Dieses positive Christentum ist nach Professor Stark:
„ein bestimmtes christliches Bekenntnis im Sinne des übernatürlichen Charakters
der christlichen Offenbarungsreligion.“
Diese Feststellung ist parteiamtlich.**

In short: Positive christianity = a determined christian acknowledgement in the sense of the supernatural character of the christian revelation-religion.

(Basically it is all religions in one, just like the One World Religion under the pope/jesuits in the New World Order. AFB.)

P. 6:

Die Herausgabe der Schrift „Nationalsozialismus und katholische Kirche“ von Univers.-Prof. Dr. Johannes Stark, als amtliche Parteäußerung im Parteiverlage der N.S.D.A.P. erschienen, erhärtet die Tatsache, daß Herr Hitler bereit ist, das Deutsche Volk an den römischen Papst zu verraten und ihm eine noch nie dagewesene Knechtschaft aufzuerlegen. Der Scheinkampf gegen Rom, der Ende

In short: This book 'nationalsocialism and catholic church' is checked by catholic theologians and therefore correct. This means that the NSDAP is, with that, based on:

Jewish ghost YaHWeH is god, the jews are the chosen people and have a godly destination, the supernatural birth of Jesus as YHWH's son, his miracles and demon-exorcisms, his coming back from the death and his journey to heaven.

All delusional nonsense which every German should reject if he wants to stay sane.

In addition, the NSDAP acknowledges the old testament, that Jesus was a jew and his teachings are binding. That is, among others, the teaching that every folk will be rootless and gathered under jewish rule.

P. 14:

***) Karl Marx, der Begründer des Marxismus, schreibt 1844 in den „Deutsch-französischen Jahrbüchern von Ruge und Marx“:**

„Das Judentum erreicht seinen Höhepunkt mit der Vollendung der bürgerlichen Gesellschaft: aber die bürgerliche Gesellschaft vollendet sich erst in der christlichen Welt. Nur unter der Herrschaft des Christentums, welches alle nationalen, natürlichen, sittlichen, theoretischen Verhältnisse den Menschen äußerlich macht, konnte die bürgerliche Gesellschaft sich vollständig vom Staatswesen trennen, alle Gattungsbande des Menschen zerreißen, den Egoismus... an Stelle dieser Gattungsbande setzen, die Menschenwelt in eine Welt atomistischer, feindlich sich gegenüberstehender Individuen auflösen. Das Christentum ist aus dem Judentum entsprungen, es hat sich wieder in das Judentum aufgelöst... Das Christentum hat das reale Judentum nur zum Schein überwunden. Das Christentum ist der gemeine Gedanke des Judentums, das Judentum ist die gemeine Anwendung des Christentums; aber diese Anwendung konnte erst zu einer allgemeinen werden, nachdem das Christentum die Selbstentfremdung des Menschen von sich und der Natur theoretisch vollendet hatte. Nun erst konnte das Judentum... den entäußerten Menschen, die entäußerte Natur zu veräußerten Menschen, die entäußerte Natur zu veräußerlichten, verkäuflichen, der Knechtschaft des egoistischen Bedürfnisses... anheimfallenden Gegenständen machen... Der christliche Seligkeitsegoismus schlägt in seiner vollendeten Praxis notwendig um in den Leibesegoismus der Juden, das himmlische Bedürfnis in das Irdische, der Subjektivismus in den Eigennuß.“

In short: Karl Marx: Christianity, is judaism for non-jews, is the steppingstone to jewish world-domination, because it strips everybody from its roots, connection to nature, its own nature and basically turns them into jews.

The claim of Hitler of race-purity is one big lie. Christianity and race-purity are a contradiction. Christianity is all about mixing the races. His claim of his party being a national party is also one big lie. Catholicism, and any other christian psychosis, is international. So the NSDAP was not a national socialist party but an international roman-catholic (= communist) party.

P. 15:

Herr Professor Stark schreibt dazu:

„Ein Nationalsozialist, der sich der Verantwortung gegenüber seiner Partei und dem Deutschen Volke bewußt bleiben will, darf an Lehren, Einrichtungen oder Persönlichkeiten der katholischen Kirche keine abfällige Kritik üben“).

In short: A nationalsocialist is not allowed to say anything against the catholic church.

They were planning this to become the law in the Third Reich. The catholic insanity should be a part of german folkdom.

Basically what the plan was, was to erect a Roman Emipe, the first Roman Empire, with provinces in which Mussolini would be the dictator of the province Italy, and Hitler the dictator of the province Germany.

Book: 'Ludendorff's Fight against the Hitler dictatorship':

1937: The war in Spain: Germans assist the jesuits mass-murdering the communists in Spain, so the Vatican can take over the country. (P. 297)

P. 440 and P. 442:

26 October 1930:

„Wer für diese Auffassung“ (daß Ludendorff „den Freiheitskampf“ der NS und der Stahlhelmkreise doch führen werde) „in ‚nationalen‘ Kreisen arbeitet, lügt, ebenso wie der, der sie, wie ich weiß, auch im Ausland verbreitet, um mit meinem Namen auch dort Geschäfte für solche hirnverbrannt faschistische Außenpolitik zu machen, die den Weltkrieg erst ermöglicht und uns der Vernichtung aussetzt.

Nie werde ich für die Ausführung eines solchen Verbrechens auch nur einen kleinen Finger reichen ... Wenn das Volk trotz meiner Warnungen verderben will, so muß es sich selbst sein eigenes Grab schaufeln. Ich helfe ihm nicht dabei. So erkläre ich deshalb öffentlich im tiefsten Ernst dem deutschen Volk und allen belagerten Völkern jenseits der Alpen und der Nordsee:

Niemals werde ich der Ausführung solcher völkerverderbenden Plänen meine Hilfe leihen, niemals das Volk bei der Ausführung seines Selbstmordes unterstützen, also auch nie einem Rufe folgen, mit dem breite Schichten des Volkes rechnen und über den Ernst der Lage hinweggetäuscht werden sollen.

Ich bin ein Gegner der heutigen faschistischen Richtung in der ns. deutschen Arbeiterpartei nach innen wie nach außen ... Die Politik der ns. deutschen Arbeiterpartei dient Rom und Moskau und stellt in deren Dienst die Deutsche Freiheitsbewegung, die Millionen Deutsche, die durch den Kampf endlich ihre Freiheit und wehrhafte Stärke wieder erringen wollen. Sie mißbraucht deren Empörung gegen das Versailler Diktat, die Folgen der Erfüllungspolitik und die Herrschaft des Weltkapitals sowie gegen die Korruption und vieles andere mehr. Sie führt das Deutsche Volk allein ‚aus dem Regen in die Traufe‘, d.h. aus der Gewalt ... und Freimaurers in die Roms ...“⁽²⁾

In short: Ludendorff declares that he is not going to assist the ns-government in the second world war, which he knows is going to come, since the NS is nothing better than the bolshevics (both under the command of the jesuit-order): a tool for Moscow and Rome to enslave the german people. The second world war was planned for 1932 (=15). Ludendorff managed to prevent that, with the help of his book: 'The Threat of World War on German Ground', from happening but was fully aware that that war would come eventually.

Weltkrieg droht
auf Deutschem Boden

Von
General Ludendorff

1930
Ludendorffs Volkswacht-Verlag, München, Kautzstraße 10

Hitler did nothing to prevent that war. On the contrary, he forced his people to re-enact the fairy tale of the Roman Empire, with 'Roman' soldiers, 'Roman' architecture and art, 'Roman' religion, building up of the largest economy in the world, and of course, a 'Roman' salute. This 'Roman' salute means: 'Jacob/Israel, the deceiver, greets you'.

Hitler knew very well how the fairy tale goes: the jews build up a nation to a world-power and then they destroy it. Hitler gave the jews and freemasons all the excuses they needed to start a war and kill as many Germanen as possible.

The SA was trained to be the crusaders in the fight against everybody who did not want to be part of this Roman Empire Psychosis.

„Auf der Propaganda- und Pressetagung der Ns-Partei am 26.4. wurde von Herrn Hitler die Weisung gegeben: Der Kampf gegen den TB mit allen Mitteln zu führen. Wir kennen die Mittel ... Vor allem kündete Herr Hitler... an, er werde, wenn er zur Macht käme, und das werde er sicher – alle Widerstände rücksichtslos zerschlagen und alle ihm heute entgegenstehenden Verbände auflösen. Das ist der richtige Kampf für die ‚Freiheit des Volkes‘...

Ich erwarte, daß die Deutschen Freiheitskämpfer in der Deutschen Abwehr und dem Tb die N.S.D.A.P., die im Kampfe gegen Deutsche Geistesfreiheit und gegen den TB mit den Deutschnationalen, dem Stahlhelm, dem Zentrum, der Bayerischen Volkspartei, den Bonzen der S.P.D., den christlichen Kirchen und der Freimaurerei usw. in einer Front steht, als die gefährlichsten Volkstäuscher enthüllen, die es heute auf Deutschem Boden gibt.“ (3.5.)

TB = TannenbergBund

In short: Hitler gives the direction on the NS party-day that they have to fight the Tannenbergers, the free Germans, with all means possible.

This was before he was in power. Hitler promised that after he was in power he would kill all free Germans. It would be bolshevism under a national flag.

P. 499:

Ich gebe den wesentlichen Inhalt der Entwürfe wieder, um jedem Deutschen sein grauenvolles Geschick zu zeigen, vor das er gestellt wird, wenn Ns im Bluttausch, aufgepeitscht durch die S.A., die Gewalt ergreifen. Der bolschewistische Terror, ja der Bolschewismus selbst, wird von denen wiederholt, ja nach den Entwürfen weiter geführt, die da vorgeben, gegen den Bolschewismus zu kämpfen oder ‚die Kommune niedergeworfen‘ zu haben. Noch einmal sei betont, die hier niedergelegten grauenvollen Ziele spuken allerorts in den Köpfen von S.A. und N.S.D.A.P.

Die Entwürfe enthalten nun das folgende Grauenhafte:

Es wird jeder mit dem Tode bestraft, auch sogar an Ort und Stelle erschossen:

- 1. der einem S.A.-Mann auf Grund irgendeines Befehls nicht Folge leistet;*
- 2. der seine Waffen nicht abgibt;*
- 3. der gegen Ns-Notverordnungen verstößt;*
- 4. der seine Verpflegungsmittel nicht abgibt. (Hier nur ist die Todesstrafe unter Umständen Ergänzungstrafe zur Einziehung des Vermögens.)*

In short: the death penalty for everybody who disobeys the order of an SA-crusader or the NS-government.

P. 561:

*„Trotz aller ‚Legalität‘ führt die NSDAP nach wie vor die gleiche blutrünstige Sprache, die NSDAP, nicht die SA!... Braunhemdenmann Buttmann: ‚Wir haben in Deutschland eine Reihe von Guillotinen herumstehen, die heute rosten. Wir werden sie im 3. Reich wieder blank putzen, aber nicht mit Rostpapier, sondern mit den Nacken derjenigen, die wir darunter legen werden.‘“
(30.4.)*

In short: Braunshirt-man Buttmann (statement from the NSDAP not the SA): “We have in Germany a row of guillotines standing around, which are rusting today. We will clean them up in the 3rd Reich, but not with rust-paper, but with the necks of those we will put under it.”

Although the NSDAP received millions from world-capitalists and RC-german capitalists, the violence of the SA and other issues lead to the almost dismantling of the party in 1932.

P. 585: The dream-march to power.

P. 590:

In 1933 Hitler wins the election, but how? The government Hindenburg-Schleiger bows down for the NSDAP and paves the way.

The jesuits went around Germany with bags full of money and bribed the people to vote for Hitler. Hitler placed NS-men inside the police so the NS could terrorise the people into voting for Hitler without getting arrested.

P. 589:

*„Reichskanzler Hitler ließ sogar ... dem ‚International News Service‘ am 25.3. sagen:
„Zum Schluß möchte ich dann ganz allgemein sagen, daß viele einzelne Juden und jüdische Organisationen unsere Regierung unterstützen ...“*

Hitler in the ‘International News Service’, 25 March 1933: “Ending I want to say something in general, that a lot of individual jews and jewish organisations support our government.”

20 July 1933: The Hitler-regime signs a Concordat with the Vatican, signing Germany over to the Vatican.

Telegramm von Papens an Hitler

„Ich melde Ihnen die soeben erfolgte Unterzeichnung des Reichskonkordates, dessen Text nach Vereinbarung mit der Kurie Sonnabend nachmittag 6 Uhr veröffentlicht wird. Dank Ihrer großzügigen und weisen staatsmännischen Auffassung von der bedeutsamen Aufgabe der christlichen Kirche beim Neubau des Dritten Reiches ist damit ein Werk vollendet, das späterhin **als eine historische Tat des Nationalsozialismus** anerkannt werden wird. Nur die Wiederherstellung der christlichen, nationalen und sozialen Grundlagen wird es ermöglichen, **die abendländische Kultur erfolgreich gegen alle Angriffe zu verteidigen**, und Deutschland wird für diese historische Arbeit das unerschütterliche Fundament bilden.

gez. Papen.“

Dr. H. K-L.

In short: A telegram from the pope to Hitler, that he is very happy with this historical act.

P. 122:

Hitler sagte selbst:

„Ich lernte viel von der Unterweisung durch die Jesuiten. Bis jetzt hat es nie etwas Großartigeres auf Erden gegeben, als die hierarchische Organisation der katholischen Kirche. Ich übertrug viel von dieser Organisation in meine eigene Partei. Was die Juden betrifft, führe ich nur dieselbe Politik fort, die die katholische Kirche sich seit 1500 Jahren angeeignet hat ... indem sie Juden als gefährlich beurteilte und sie in Ghettos etc. verstieß ... weil sie wußte, wie die Juden seit jeher wirklich waren ...“
(The Nazi Persecution of the Churches by Conway, pgs. 25, 26).

Das 1933 unterzeichnete und noch heute gültige Konkordat zwischen dem Heiligen Stuhl und Hitler-Deutschland gab dem nationalsozialistischen Regime das römisch-katholische Recht, Juden, Nicht-Katholiken und Regimegegner gleichermaßen umzubringen und das Land von „Ketzer“ zu säubern. Ein Konkordat ist eine Vereinbarung zwischen dem Heiligen Stuhl und einer Regierung und besagt, daß die unterzeichnete Regierung angeblich **ein Teil der Regierung Jahwehs (Gottes) ist** und der Heilige Stuhl beabsichtigt, diese zu festigen und ihr angeblich göttlichen und internationalen Schutz zu geben.

Hitler- Freund Pacelli und späterer Papst Pius XII. verführte über Hirtenbriefe und Priester die Katholiken und gewann für Hitler die „katholische Wahl“ 1933.

In short: Hitler says he learned a lot from the teachings of the jesuits. Up till now there has never been anything as great as the hierarchy of the catholic church.

The Concordat is still valid up to this day. This means that also the Inquisition Laws are still valid.

P. 123:

Der Geheimkämmerer des Papstes und Führer der katholischen Zentrumspartei, Franz v. Papen, erklärte bei einer katholischen Veranstaltung in Gleiwitz am 14. 1. 1934 u.a.:

„Das dritte Reich unter Führung Adolf Hitlers ist – das darf man füglich behaupten – der erste Staat der Welt, in dem die hehren Grundsätze der Päpste nicht nur anerkannt, sondern – was viel wertvoller ist – in die Praxis umgesetzt worden sind.“

(HF am Montag, 14. Jg., Nr. 3 vom 15. 1. 1934)

Umgesetzt wurden die römisch-katholischen Inquisitionsgesetze, die im Konzil zu Trient unter Papst Paul III. 1545 beschlossen wurden und noch heute gelten, wie Papst Johannes XXIII. auf dem 2. Vatikanischen Konzil 1963 erklärte und Papst Johannes Paul II. bekräftigte. **Diese Inquisitionsgesetze sind über das Reichskonkordat auch für die Bundesrepublik gültig.** Zum Vergleich ziehe man den Aufsatz in vorliegender Schrift von Dr. Kaben „**Der Papst, oberster Gerichtsherr der Bundesrepublik**“ heran.

Die Gestapo wurde vom Jesuitenhörigen Heinrich Himmler nach den Prinzipien des Jesuitenordens gegründet und geleitet. Hitler: **„Ich sehe Himmler als unseren Ignatius von Loyola an.“** Auch Propagandaminister Josef Goebbels war Jesuitenhörig: **„Wir gehen in diesen Kampf wie in einen Gottesdienst.“** Der Jesuitenfreund und fromme Katholik Adolf Hitler wurde bis heute **nicht von seiner römisch-katholischen Kirche exkommuniziert** und „sein“ Werk „Mein Kampf“ auf den Index der verbotenen Bücher gesetzt. Dieses Buch wurde übrigens vom Katholiken Pater Stämpfle geschrieben.

In short: Hitler: “I see Himmler as our Ignatius of Loyola.”

21 July 1933: ‘Ludendorff’s Volkswarte’ is banned as ‘being a danger for public safety and communistic state-endangering violent acts’.

From Our Struggle

Acts of terror against our bookshops "The fight is against Marxism"

The patron sent the following telegram to the Reich President on the 13/3/1933:

"President of the Reich von Hindenburg, Berlin.

From Dresden, Magdeburg, Essen, Elberfeld, Düsseldorf, and Gotha I receive reports of unlawful actions and acts of terror against book distribution points and bookshops of Ludendorff's Peoples' Watchtower Publishing House -- up to the complete demolition of the objects and robbery of the books and cash registers in Düsseldorf -- by uniformed and armed Storm Detachment troops. I ask for the same protection for bookshops and book distributors as is given to Jewish businesses.

General Ludendorff"

Magdeburg reports:

"Today at noon another act of terrorism was carried out by the Storm Detachment in our town. The words "Peoples' Court confiscated" and "Erich Ludendorff as honorary doctor" had to be removed from the shop window. Although the police had to confirm that these notices contained no cause for complaint, they told us that our shop would be closed after a new constitution was drawn up, if further riots took place here! In front of our bookshop, the Nazis *[verbatim]* threatened several times that with the help of these riots they would be able to close the shop. They would not rest until that happened."

Dresden reports: "The Ludendorff newspaper stand is located on Annenstraße in the alcove of the tax office. It consists of a small transportable house, which is completely filled with literary works, leaflets, Peoples' Watchtower and Peoples' Court. The attack took place as follows. I would like to point out that Nazis *[verbatim]* were reading at my stand almost every day and were also spreading nasty rumours about the General and his wife, our movement and me. On the morning of 3 March, a Nazi stormtrooper *[verbatim]* came to my stand and read the newspaper. After reading some of it, he said to me: "Ludendorff and Mathilde and I were crazy, because how else could I have read such filth?"

(Taken from: Ludendorff's Volkswarte, Folge 11, from 19.3.1933, page 8.)

Now we know that they called all Germans who wanted to be free, communists and locked them up. Never mind that they, the Tannenbergers, did not want any of the YaH-Theater Teams to rule over them, or have any government that forces their will on the people.

1936: Rome wants a 'holy crusade' against bolshevism.

Yes, bolshevism is a Vatican invention and they pay for it, never mind, it is all schizophrenic. Anyway Rome definitely wants a war. They had the bolshevics kill all orthodox christians in Russia, now they had to get rid of the communists and heathens, that is everybody else who is not a roman catholic.

End of this book "Hitlers Betrayal" of Erich Ludendorff.

I am not going to repeat the story of WWII, it is for everybody to read on the internet. Ludendorff died in 1937 so we do not have his brilliant analysis of this war. There are more books of Ludendorff on archive.org in which he gives his analyses up to his death. Read it yourself.

WWII in short.

We had Team Red/Brown/Purple (bolshevics) and Team Red/Brown/Purple (nationalsocialists in Germany/ fascists in Italy) all working for the pope, who is under the orders of the jesuit-general, to slaughter as many non-catholics and non-believers as possible.

We had the Vatican and Team Blue/Brown (freemasons/jews) before the war making an arrangement who would get which part of 'Europe' after the war. They would split it in half to separate one half of the Germans and Germanen from the other half. The Vatican had already Germany and Italy in their pocket, so for them it did not matter any more what would happen.

The goal of the war was to slaughter as many Germanen as possible.

Team Red/Brown/Purple (bolshevics) and Team Red/Brown/Purple (nationalsocialists) start of together and then split up. Now Team Blue/Brown starts the fight from the west while Team Red/Brown/Purple (bolshevics) starts from the east. It does not matter who wins, the booty 'Europe' has already been divided. Since Hitler had already shown himself to be an unreliable ally of the Vatican (after his election he decided he did not need the pope anymore), their money was on the bolshevics.

The chance of the nationalsocialists to win the war (note: there was no winning for the german people either way, they had already lost the war in 1933) was absolutely zero. Even if they had won the battle with the bolshevics, the war would have gone on by Team Blue/Brown till they had what was promised to them: the west part of 'Europe'. The only unknown outcome was how many Germanen would be left over. As, according to Teams Blue and Brown, there were too many left over, even after the war the slaughter of Germaanse men went on.

So, the propaganda that Stalin and his bolshevics were planning to take over the whole of Europe was just that: propaganda. They would have never crossed the line which was already drawn before the war. (We know that general Patton wanted to take Berlin but was prevented from doing so, it was promised to Stalin.) What they needed was as many healthy, strong Germanen (from Germany, Belgium, France, Netherlands, etc.) to enter the german army and SS so they could be slaughtered or maimed by their brothers from USA/UK/Canda/etc.: Fight a war they (none of them, wherever they came from) were ever going to win in the first place: All Germanen were going to be enslaved equally. Teams Red/Brown/Purple and Blue/Brown were going to win, no matter how hard the Germanen fought. We saw in WWI already that, although Germany won the war, they still lost the war.

All of that would have never happened if Hitler had dismantled the government in 1933, as he was told to do by the real freedom-movement of Germany. His insanity made the mass-slaughter and mass-rape of tens of millions of Germanen possible. He may not have started the war, but he certainly did nothing to prevent the war, which he knew was going to happen. On the contrary: He gave them every excuse they needed to brainwash all the other Germanen in the world to pick up a gun and slaughter their own brothers.

On the internet we see a fight going on with pro-national socialist propaganda coming from the jesuits, claiming the jews are the problem, on the one hand, and jews and freemasons claiming on TV that Hitler hated the jews and was trying to kill them all, on the other hand.

The alternative (jesuit) media is showing you that Hitler did not harass or mistreat the jews, therefore he was a good guy. Since he did not mistreat the people whom he hated the most, well he could not have been a bad guy. (Yes, I am very sorry to say, I fell for that trap. Luckily I realised everything the alternative media tells you is a lie. So, I am determined to make up for my mistake and set history right.)

The people who were most hated by Hitler and the NS-government were the Germans who wanted freedom. Those were the people who were harassed and mistreated, imprisoned and then more abused. It is as usual lies on both sides. For the one group he is a saint because he did not harm the jews and supposedly loved the Germans, for the other group he was a Germans-loving jew-murdering monster.

The Reality: he wanted to kill as many freedom loving Germans as possible. Yes, he was a dictator and monster. Not because he wanted to kill all jews, but because he wanted to kill all Germans who wanted freedom and refused to obey his orders.

Is it not interesting that all of the so-called 'revisionists' of WWII 'forget' to mention the part where Hitler gave Germany away to the Vatican? The famous David Irving, for instance, was most likely paid to cover up what was really going on. The man travelled all over the world to search the archives for relevant documents. His extensive work convinced people he uncovered it all. Who has time and money to check everything he said? Nobody, I, like most people, just believed what he told us.

'They' count on that laziness, that we do not check the work of others. Bombard people with massive amounts of information and they will believe what is being said. Why would he lie? It was after all a whole different story from the official narrative.

"But they all went to prison." Well maybe they did, maybe they didn't. But what they all had in common, was that they were either actors of the YaH-Theater, or at least participated in the YaH-Theater. We will see in Part 2 what that means.

Oh, by the way. If you are obsessed with the idea that you need to know where Hitler and his gang fled to: Search for a plane flying to Vatican-City. It is the perfect hiding place and close by. They would have landed before anybody realised they were gone. The pope would have been happy to hide them behind the walls, because Hitler did him a great favour in advancing his quest for an RC-world empire.

History Part 5: The European Union

After the war they went on with their implementation of a Psychotic World Order in a more less violent way. The Vatican took over the whole of Europe, and the new Roman Empire was being created and called: the European Union.

P. 86: The Roman-Catholic European Union.

Die Aussagen verschiedener Päpste zum Weltmachtsanspruch decken sich vollständig mit den **Machtansprüchen der römischen Cäsaren. Betrachtet sich doch der Papst als der Rechtsnachfolger des Cäsaren in jüdisch-christlichem Sinne.** Die ungeheure Macht des Cäsars bestand in der Zusammenfassung der politischen Gewalt des **Diktators** mit der höchsten militärischen Gewalt des **Imperators** und der höchsten religiösen Würde des **Pontifex Maximus**. Staatliches und religiöses Leben bildeten darum eine Einheit. Die Tiara des Papstes ist ein Symbol dieser 3-fachen Macht:

Diktator (EU) – Imperator (NATO) – Pontifex Maximus (Kirche).

The EU was founded by jesuits and is being ruled by jesuits. Now the 'jewish european parliament' makes sense: They have to monitor/guard that the EU is not going the RC-way, but stays on the path of a jewish world order.

Karl der Große, der Papst und Europa!
Die EU Flagge als Abbild des Brustschildes des jüdischen Hohepriesters/Papstes. Siehe Abbildung oben Pius XII.

Der britische Premierminister Blair und sein Außenminister Straw unterzeichnen die Verfassung für Europa am 29. Oktober 2004 in der Sala degli Orazi e Curiazi im römischen Kapitol, dem genauen Zentrum des alten Roms – in der selben Halle, in der 1957 die Römischen Verträge unterzeichnet wurden, die bedeutender Bestandteil bei der Begründung der Europäischen Union (EU) waren. Wichtige Beschlüsse zur Gründung der EU, so auch zur Einführung des Euro, wurden auf den Bilderberger-Konferenzen beschlossen. Die Bilderberger selbst wiederum wurden vom vatikanischen Agenten Jozef Retinger, der sogenannten „grauen Eminenz“, initiiert. Auch der deutsche Bundeskanzler Gerhard Schröder (SPD) und sein Außenminister Joschka Fischer (B90/Grüne) unterzeichneten am selben Ort wie Blair die EU-Verfassung.

Soll das vereinigte Europa röm.-katholisch werden?

Europäische Regierungschefs unterzeichneten die europäische Verfassung vor zwei Papst-Statuen – Es hätte in Europa und auch in Rom zahllose angemessene Räume gegeben, an denen die Staatsoberhäupter am 29.10.2004 die Verfassung Europas hätten unterzeichnen können. Als feierlichen Rahmen wählte man schließlich den Sala degli Orazi e Curiazi im römischen Kapitol. Dazu setzten sich die Regierungschefs vor die Statue von Papst Innozenz X. und blickten auf die gegenüber stehende Statue von Papst Urban VIII. Da eine solche Symbolik ja kein Zufall ist, hier einige Daten aus dem Leben der beiden Päpste, die man faktisch als „stumme Zeugen“ bzw. monumentale Paten des neuen Europa wählte.

Karl the Great never existed of course. There never was a Roman Empire till they installed it in Italy and Germany 100 years ago and the EU after the end of WWII.

In my presentations I have already proven that we in the Netherlands, most probably in all countries in Europe and Northern America, are ruled by the new testament, in which we play Jesus. We are born and immediately declared dead and arise from the dead as a company, a person (not a human being any more but a corpse (corporation), just like the jesuits), responsible for the national debt. All our laws come straight from the bible.

As many people already have pointed out: The USA (Washington) was built as a replica of the Roman Empire.

Diese artgemäße Darstellung zeigt das dem Deutschen widerliche Ritual der Juden,

According to the rabbis, they changed the new year from spring to 1 January because it is the day of circumcision of Jesus.

Das Reichskonkordat trägt seinen Namen, weil es mit dem Reiche geschlossen wurde. Es setzt also das Dasein des Reiches voraus und es wird, so merkwürdig es klingen mag, in einem gewissen Sinne das kommende Reich mitschaffen.“

Das „klingt“ nicht nur, das **ist** sehr „merkwürdig“! Denn hier wird gesagt, das Konkordat „setzt das Dasein des Reiches voraus“. Dieses Reich war jedoch das nationalsozialistische bzw. das deutsche Reich, wie es zur Zeit des Konkordatsabschlusses bestand. Da nun dieses „Reich“ nicht mehr besteht, so entfällt auch die Voraussetzung zu diesem Konkordat. Also ist es aufgehoben.

Das wäre die **logische** Folgerung aus jener jesuitischen Erklärung. Aber – und das ist der **geheime Sinn** jenes Satzes – das Konkordat war für das „**kommende Reich**“ geschlossen, das es „mitschaffen“ sollte. Das Reichskonkordat sollte der katholischen Aktion ungehinderte Wirksamkeit sichern, die Papst Pius XI. und sein Kardinalstaatssekretär Pacelli – der heutige Papst Pius XII. – erstrebten. Jetzt war die Möglichkeit gegeben, das „kommende Reich“ herbeizuführen. Dieses „kommende Reich“ hat Kardinal Frings das wiedererstehende „Reich Karls des Großen“ genannt.

Es ist ein katholisches Europa! „Katheuropa“.

Bereits im Jahre 1937 erschien eine diesbezügliche im Fürstentum Lichtenstein gedruckte römische Propagandaschrift. Sie war führenden Katholiken katholischer Länder gewidmet; z.B. den Bischöfen Innitzer-Wien, Waitz-Salzburg, Pawlikowski-Niederösterreich, Gföllner-Oberösterreich, Chefredakteur Funder, Bürgermeister Schmitz, Brüning, Wirth, Kardinal Faulhaber und Pater Muckermann S.J. Wir geben den Inhalt nach den „Deutsch-Österreichischen Nachrichten“ vom 10. 5. 1937 wieder. Es heißt dort:

„In der Propagandaschrift wird davon ausgegangen, daß der Katholizismus, der die **„einzige gesunde Internationale“** bilde, allein imstande sei, das **„zerfahrene, chaotische, verworrene Abendland neu zu organisieren gegenüber Marxismus und Nationalismus“**, die beide in einen Topf geworfen werden. Um sich ihrer zu erwehren, müsse der Katholizismus heute ein kämpfender und deswegen auch ein politischer Katholizismus sein, wenn er die christliche Kultur retten wolle.

„Gehen wir deswegen an die Vorbereitung des Aufbaues eines Europa auf katholischer Grundlage, der vereinigten katholischen Staaten von Europa.“

Das weltanschauliche Haupt dieses ganzen Staatsgebildes müsse der Papst sein. Es wird dann weiter entwickelt, wie dieses Projekt, das natürlich mancherlei Schwierigkeiten begegne, vorzubereiten sei. Zunächst müsse man an die Bildung von kernzellen in allen jenen Ländern schreiten, die bereits als die Träger des Katholizismus angesprochen werden könnten. Von diesen Zellen sei dann die Propagandaaarbeit für die Organisation des Katholisch-Europa zu leisten, die auch von der **„katholischen Aktion gutgeheißen und tatkräftig unterstützt“** werden dürfte. Vor allem sei Vereinheitlichung der katholischen Erziehung in den europäischen Ländern, der Ausbau eines ständigen internationalen Briefwechselsystems unter der katholischen Jugend, die Zusammenfassung und

Neuorganisation der dauernden und zielbewußten Zusammenarbeit der katholischen Presse in den europäischen Ländern erforderlich. Es müsse aber auch vor allem verhindert werden, daß die Invasion von Bolschewismus und Rassismus Europa in einen Friedhof oder in ein Zuchthaus verwandle.“

In other words: Thanks to Hitler we are living in a ‘Roman Empire’ that is supposed to be destroyed, just like the USA, so Moschiach can come.

A Roman Empire full of phoenicians. A race of Whites, Asians and Blacks, who have nothing of the unique strengths they individually have: No wisdom, no inventiveness and no body-strengths. Just a bunch of useless brain-dead zombies, serving as the ideal slaves:

In Practical Idealism Coudenhove-Kalergi states:

The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading Nation through this artificial evolutionary process. It's not surprising that the People that escaped from the Ghetto-prison, became the spiritual nobility of Europe. Thus, the compassionate care given by Europe created a new breed of aristocrats. This happened when the European feudal aristocracy crashed because of the emancipation of the Jews (due to the French Revolution).

Funny how the murder of hundreds of millions of the wisest people in Europe is called 'compassionate care'. If jews are so brilliant, then why did they need to murder our wisest people? Why the need to breed eurasian-negroids aka phoenicians?

What they are doing since 1945 is dividing people into fighting groups so they will not realise it is all the same. It is a YaH-Theater in which two sides are fighting who is going to be boss in the jewish world-government: Jew Jesus, or the jewish messiah. In the end they will just reconcile and divide the tasks among themselves, as they all (jews, phoenicians, jesuits, freemasons and mongols) have the same goal: They want the bible to come true: no white people, the earth belongs to the jews and the people left over will be their slaves.

As long as people stay in this Collective Psychosis, the YaH-Theater, fighting among themselves, they will not unite, they will not realise what the problem is, and most importantly, they will never understand what the solution is: Get out of the Psychosis and start living in Reality.

Ich bin ein Mann von zu vieler Empfindung, als daß ich beständig der Gefahr sollte ausgesetzt seyn cassiret zu werden: Die freyen Künste, und die so schöne Wissenschaft der Composition dulden keine Handwerks-Fesseln: Frey muß das Gemüth und die Seele seyn.

The Timeline

I started with my reconstruction of the timeline with the dates of the Oera Linda Book. 1256 = 3449. It is, of course, backdated, 1256 never existed, and knowing that they would hide the amount of time they have added. This adding of time to the timeline has been revealed by many people in the past. Anatoly Fomenko came with the suggestion of more or less 1000 years.

As I went through the books of Wilhelm Kammeier I noticed that the OLB-ending and the beginning of W.K.'s timeline almost fit to each other. Confirming the more or less 1000 years. As per Kabbalah, Shekhina, the WH (= 11) of YHWH, rules the earth. Our official timeline misses 1 year, the year 0. I took that as a hint and decided that 1001 years are added to the timeline. Now the real Jes'Us, who was born in 1600 after the Great Flood, was born 1001 years before '1409' = 2601. The fake Jesus was 'born' in 1192 = 11/11. I checked my timeline with major events in the history I just summarised. It fits in a lot of cases.

For instance:

YHWH was 'born' in 1408 = 2600 (YHWH = 26);

The Balfour-declaration: 2 November 1917 = 2 + 11 (13) + 3109 (13) = 26 = YHWH;

The recognition of Israel by the UN on 14 May 1948 = 14 + 5 + 3140 = 9;

The International Bank-Alliance founded in 1913 = 3105 = 9;

The Versailles Treaty goes into effect on 10 January 1920 = 10 + 1 + 3112 = 9.

9 in Kabbalah means: Completion.

End of this YaH-Theater and the beginning of a new phase by crashing the financial system? My guess would be in 2025 = 45, and 25 at the end, super lucky numbers: Friday 3 October 3217 (2025) = 3 + 10 (= 13) + 3217 (= 13) = 26 = YHWH.

So, here is my proposed timeline:

Part 2. How to make the YaH-Theater History

The Esau-Blessing: The Road to Individual Freedom

“Well, that is all fine, now I know that they have all roads covered out of this YaH-Theater. I realise it is a prison. How is that going to help us out of this?” I hear you complaining, moaning or crying, but we are not there yet. Luckily for you, for every real problem there is a real solution. There is a door that leads you to Freedom out of this YaH-Theater.

We are going to start with regaining your Freedom as an individual, while everybody else is still engaging in this YaH-Theater.

Almost a hundred years ago Freedom-loving Mathilde Ludendorff has figured out the Road to Freedom: The way out of this YaH-Theater. Keeping in mind that Mathilde had not figured out the whole of the YaH-Theater, only the religious and state parts. She had not realised that also history before 1300 and modern ‘science’ are illusions.

As many, who have read my work, already know, we are in the middle of a mass-psychosis which is entirely based on the bible.

I have already explained to you (in the presentation: 1. Torah-PsyOp; and 2. Root Cause of all Evil) how to get your Seele (Soul) out of the prison of the YaH-Theater or ‘Matrix’ (the Matrix being your Filter, which keeps your Seele imprisoned) through executing what is written in the book of Anima Diets:

1. Solve all your inner conflicts. This will make sure that you do not feel any anger or hatred towards yourself, and thus also not towards other people;
2. Empty your Filter in your brain. This Filter is full of religion, beliefs, fantasies and lies. Once you have gotten your Filter empty you will only be left with common sense and the wisdom that is stored in your Seele (Soul).

Your Mod ('DNA') / Seele and its operating programmes and files:

My Oera Linda Book translation explains how a society looks like that is based solely on a Seele-based society. A society without religion, government, beliefs, lies and fantasies. So, you know we have done it before and thus it can be done again.

Religion is not just what people call a religion, religion (= collective psychosis) includes government (communism, democracy, fascism, nationalism, national socialism, capitalism, etc.) and modern 'science', all of them entirely based on the bible and other Kabbalistic books, all of them are a collective psychosis).

The YaH-Theater = (Religion + State + Modern 'science') = Collective Psychosis = Slavery

As I have realised that nobody seems to understand what the word Freedom means let us look at that first:

The freemasonic/jewish definiton of freedom is: Imprison your Seele and free your Filter/brain so you can dream up a fantasy-world of your choosing and be as psychotic as you want. 'Their' 'freedom of speech and religion' has turned people into schizophrenics: they are convinced that their fantasy-world is reality. 'They' call being free from reality freedom. 'They' call Reality slavery and fantasy freedom.

The Germaanse (Frya) definition of Freedom: Control and govern your Filter/brain (keep it as empty as possible), in order to free your Seele, so you live in Reality = Truth = Wisdom = Science. It is being free from fantasies, lies, religion and beliefs. They call fantasy slavery and Reality Freedom.

In the 20th century Mathilde Ludendorff taught the Germans how to live on their Seele, and how it is the only way out of this insane world 'they' have created. She, and her husband Erich, already realised in the beginning of the 1930s that the only way to prevent the second World War was to dismantle the government and let everybody govern themselves: The Self-Governing Duty: Only your Seele governs you. The first Pligt (Duty or Éwa = Eternal Law) of eight Duties Anima Diets found, written in our Mod ('DNA')/ Seele (According to the OLB, all 3 races have the same Éwa, but for the other races Duty 8 is naturally about them connecting with a Seele from their respective race):

The 8 Nature Pligten

1. SELFgouverenenPligt: Only your SEELE gouverenenen you.
2. SELFrespectingPligt: Respect your SEELE with Dicts: Waerheit & Realis.
3. SELFresponsibilityPligt: Only yourSELF is responsible for your Lijf, behaviour, feelings & decisions.
4. SELFprotectionPligt: Do not do to another what you do not want to be done to yourSELF.
5. SELFheilenPligt: Support your SEELE and Body by ensuring Veilichheit, Paix & the Liberteit to heilen.
6. SELFdefencePligt: Defend yourSELF against attacks that bring your Lijf in danger.
7. SELFdeterminationPligt: Only your SEELE determines your Lijf-Path & your contribution in the Creation of an Erde in Paix & Liberteit.

We see on the internet people starting to use the word 'self-government' and give it a completely different meaning: people in a country governing their own country. That is NOT what the word means, it means you govern yourself and nobody else. Other people governing you is slavery.

Once you have solved your inner conflicts and emptied your Filter, you will realise that you have lost all will to tell other people how to live their lives. Only then you will realise what self-governance means, and you become weary of everybody who wants to tell you what to do, what to think, and how to live your life.

Mathilde did great work and wrote many books, alone or together with Erich, and was very knowledgeable about what was going on in the world. Mathilde read the Luther bible, which is a correct translation, not the loose translations others made. She found out that the torah itself gives us the way out of the YaH-Theater.

This is for individuals, we will discuss the way out for the collective in the next section. For the first step her solution will help those who want to get out of the YaH-Theater, while waiting for other people to snap out of this Collective Psychosis.

This is important because, as I have written before, we are dealing with actors who are schizophrenic/psychotic, and therefore we cannot reason our way out of this. Mathilde, being a psychiatrist, was well aware of this, and had enough experience with schizophrenic people to know that you cannot have a reality-based discussion with these people. The only way out has to be found within the Psychosis. And she found it. It is written plain and clear in the torah: The Esau-Blessing.

We have all heard of the Jacob/Israel-blessing in which Jacob (translated Jacob = the deceiver, just like Joed/Jew = deceiver) deceives his father Isaac in order to get the blessing, which was meant for the first-born = Esau. This blessing means that Jacob/Israel was promised to be the ruler of the whole earth. This whole YaH-Theater is based on that blessing. Yes, it is just a fairy tale, but we deal with billions of people in this world who believe this to be reality and act/behave accordingly.

The fulfilment of the Jacob-blessing happened on 14 May 1948 ($14/5/3140 = 9 =$ completion) when the country Israel was recognised by their own organisation: The United Nations (established under Isaiah 2.4). From that moment on the jews ruled the world from out of Israel (through the UN), which is the definition of the Messianic-Age.

2 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem.

² And it shall come to pass in the last days, that the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

³ And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem.

⁴ And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more.

According to the torah the jews have to obey all laws and directions of YaHWeH written in the torah. If they do not do that YaHWeH will destroy the jews and there will never be a Moschiach coming. This is important (well for those believing in this Psychosis that is):

Moschiach only comes when they obey **all** orders of YaHWeH.
If they refuse to obey **all** orders, YaHWeH will destroy the jews.

This is where the Esau-Blessing comes in.

In Moses 1 (Genesis) 27.40 Isaac gives a blessing to Esau. Him being sad he gave the first-born blessing to the wrong son, he promises Esau that when Jacob rules the world:

**Esau can become its own ruler and
throw off the yoke Jacob has put on him.**

30. And it came to pass, when Isaac had made an end of blessing Jacob, and Jacob was hardly gone out from Isaac his father, that Esau his brother came from his hunting.
31. And he made a supper also, and carried it in unto his father, and said unto him, Arise, my father, and eat of thy son's venison, that thy soul may bless me.
32. And Isaac his father answered him, Who art thou? And he said: I am Esau, thy firstborn son:
33. And Isaac was sore amazed at the measure, and said, Who? where is the hunter that brought me, and I did eat of all before thou camest, and have blessed him? He also shall remain blessed.
34. And when Esau heard this saying of his father, he cried with a loud voice, and was exceeding sorrowful: and he said unto his father, Bless me also, my father.
35. And he said, Thy brother is come with guile, and hath taken away thy blessing.
36. And he said, His name is Jacob; for he hath twice trampled me under foot. He hath taken my firstborn, and, behold, he taketh away my blessing. And he said, Hast thou not reserved a blessing for me?
37. And Isaac answered and said unto him, I have made him lord over thee, and all his brethren have I made servants unto him; with corn and wine have I provided him: what shall I do now unto thee, my son?
38. And Esau said unto his father, Hast thou but one blessing, my father? bless me also, my father. And he lifted up his voice, and wept.
39. And Isaac his father answered and said unto him, Behold, thou shalt have a fat habitation upon the earth, and of the dew of heaven from above.
40. Thou shalt feed upon thy sword, and shalt serve thy brother. And it shall come to pass, that thou shalt also be a lord, and shalt break his yoke from off thy neck.

That means that since 1948, we are allowed to throw off the yoke and rule our selves. This means self-rule as in governing yourself. You are not allowed to start behaving like Jacob: You have to obey the Pligten (Duties/ Éwa) laid down in your Mod/ Seele.

From then on both brothers will live in peace and freedom, everybody only governing their own Self. So, the only way for the jews to get peace and freedom is to let Esau throw off the yoke. No matter what the rabbis later on have decided what the road to peace and freedom is, YaHWeH has laid down the rules, the commandments which have to be obeyed by every jew.

Any time you are being harassed by the police/government/jews, while:

- # You do not use violence against jews;
- # Do not promote hatred of, or violence towards, jews;
- # Behave like Jacob in any way (calling for oppression, enslavement, etc);

But you are only busy throwing off the yoke (YaH-Theater/Psychosis) and/or explain to other people how to throw off the yoke (YaH-Theater), you can mobilise the Esau-Blessing.

No jew is allowed, according to YaHWeH, to hamper you in any way, when you peacefully throw off the yoke Jacob has put on you. If they act against you the wrath of YaHWeH will fall unto them and their Moschiach will never come.

It also means you can throw off the financial yoke. That means you do not have to pay tax any more, pay rent or mortgage for a house standing on land they have stolen from us, or obey any law that has the sole purpose of enslaving people, that is insurance laws, health laws, etc. All laws limiting your Seele-Freedom and making you a physical, financial or

mental slave can be thrown away. You can ignore your government and start governing yourself, obeying only the Éwa laid down in your Mod. However, this only applies for people who belong to the Esau-faction. (I have not tested this myself, I am still searching if and how somebody has done this already. I have to come back to you on this one.)

Now we are not there yet, because, as we have seen, there are two factions: Jacob and Esau. The question is who is who?

The Jacob-faction:

1. Anybody who willfully, that means as an adult, is attached to any of the YaHWeH religions: Judaism, Christendom, Islam, Buddhism, Hinduism, New Age and whatever else religion is out there. I would say also worshippers of modern 'science' (including medicine), money, materialism and technology;
2. Anybody who willfully has sworn an oath to YaHWeH: kings, presidents, politicians, civil servants, lawyers, judges, policemen, freemasons, jesuits and members of all other secret organisations.

Basically: All actors of, and participants in, the YaH-Theater.

The Esau-faction:

1. All born and unborn children (from whichever race, or whatever religion their parents belong to), that is anybody under the age of 18, or not born yet, and therefore not able to willfully choose which faction they want to belong to;
2. All people who have been deceived to such an extent that they had no idea what they have done, and now willfully choose to go on the Esau-path and leave the YaH-Theater behind;
3. All people who have never attached themselves to any of the above, that is the under Jacob-faction mentioned religions and organisations of the YaH-Theater.

In other words you only belong to the Esau-faction if you are either under 18 years old, or are not in any way attached to the YaH-Theater, and live according to the Éwa Wr'Alda laid down in your Mod/ Seele.

Now you say, and how do I make this clear to the jews?

In 1952 already Mathilde mobilised the Esau-Blessing for all Folks on earth. She also used it herself when being harassed by the government/jews.

More recently two other freedom-loving Germans have done the work for us in 2002: Ronald Bohlinger and his stepdaughter Dagmar Käsbauer. They have written to all Knesset members in Jerusalem, all major jewish organisations in Germany and all Embassies of all countries in Germany. Your government has been notified.

These two Germans have mobilised the Esau-Blessing for all people, that is true Esau's, on earth.

P. 13:

The Blessing of Esau does not mean that Esau may free himself of his brother's yoke and then – just for a change – put his brother under the yoke. The realization of the Blessing of Esau shall lead to much more: freedom, peace and equal rights for both brothers and their descendants, both the earth populating „groups“ shall now be masters, masters of their own, furnished with the same rights and duties, and thus be really free, without yoke. Only with this in mind, that is, with the objective of equality, free self-determination, self-preserving, and self-development as well as mutual respect and preservation of the human rights for every human being, Esau will be capable of healing the consequences caused by the way Jacob chose, which, by correctly interpreting this symbolic narrative, may be described as the imperialistic way. Esau must not use violence except for immediate self-defense where other means of defense are no longer possible. Otherwise he would choose the way Jacob chose so far, and thus would fail to do his real duty. Which means: also the Bible, the religious fundament of Mosaic and Christian religious groups, judges the way of Jacob as the wrong way at least, otherwise the Blessing of Esau would not contain the promise that the consequences of the Blessing of Jacob will be overcome one day. And this in turn means that the Blessing of Esau is due to have legal power, yes, actually has a role that from the very beginning was planned for the future

AS HIGHEST LEGAL RULE WHICH IS ACTIVATED NOW.

This also means that the „Blessing of Esau concept“ not only contains the in itself obvious and by the doctrine of Bible believers explicitly acknowledged right Esau's of *self-liberation*, but also *Esau's duty to help Jacob* to go along with him the way of mutual liberation and ethnic purification, **reversal of direction** as far as **salvation**. *One part cannot go on without the other, neither ideologically, moralistic nor politically.* This also means, after having begun to realize the „Blessing of Esau concept“, that *Jacob must not hinder Esau's healing efforts*, if he wants to keep to the frame of the concept, determined by his religion, and be blessed with salvation. In other words: from the Bible believers', particularly Mosaic, point of view emerges *the messianic concept* from the sphere of faith and hope to something effective in the future in the sphere of actual politics. From this point of view hindering or even preventing this emerging would be equal to an *fundamental break of the covenant with God and prevention of the arrival of the Messiah, followed by curse and destruction through Yahweh*, also according to Yahweh's doctrine. Consequently, for Yahweh believers it is YAHWEH'S WILL or the sense of the „salvation logic“ THAT THE BLESSING OF ESAU WILL FINALLY PROVE TO BE THE STRONGER BLESSING.

At the same time it is said that the one who „mobilizes the Blessing of Esau“, as once stated in the *Allgemeine Jüdische Wochenzeitung*, should remain untouched, according to Yahweh's will as long as he acts as Esau in the sense of First Moses 27:40, that is: working for liberation and equality of both parties according to the rules without violence, without oppression, and without defamation.

P. 14:

The „Jacob Fraction“ is mostly represented by Mosaism. Mosaism is, so to speak, the head. To this fraction belong also the Christendom emerged from Mosaism and, in some more distant degree, the third religion of Yahweh or Abraham, the Islam. Also cadre and aid organizations such as B'nai-B'rith order, freemasonry, Jesuits. Finally various derived branches such as Marxism and the various forms of socialism and capitalism, in addition fascism and to some extent essential parts of nationalism. They all the same in their *basic structure*. All are based on missionary religions and ideologies, they all demand the right for autocracy, are authoritarian-hierarchically organized, use secret organizations, employ suggestive power, terrifying and other methods for spiritual manipulation and some of them pursue and even murder dissidents. All of this corresponds to the „Blessing of Jacob concept“, developed intellectually or from the breeding ground of this concept. The nature of the „Blessing of Esau concept“ is completely different, but in principle part of the Mosaic religion, yes, in the end, its positive culmination. Individuals and groups belonging to the „Jacob Fraction“ cannot refer to the *Blessing of Esau* or „mobilize“ it, unless they leave their fraction and join the other fraction. Changing to the „Esau Fraction“ *not only means to give up membership in any association* with the „Jacob Fraction“ but first of all *refraining from any imperialistic behavior*. And everyone who, on account of descent or education, does not belong to movements or groups within the „Jacob Fraction“, *can only be a member of the „Esau Fraction“, if he refrains from imperialistic thinking and acting*.

P. 15:

needed any kind of blessing or legal title legitimizing them for it. As since 1945 imperialistic systems prevail and as the „Jacob Fraction“ dominates within these imperialistic systems and disposes of weapons able to devastate the entire planet, the „Jacob Fraction“ must now accept that the *legitimization of anti-imperialistic defense is put into effect through the Blessing of Esau*. That is: *according to Yahweh's will, Jacob's yoke may be broken off now* at the latest. That means, however, that Jacob must not hinder Esau by violence to break off the yoke as long as Esau follows the rules by not employing oppression, agitation and violence. It also means that, according to Yahweh's will, not only the members of the „Esau Fraction“ who define themselves by following the rules, but also all children under age of the followers of the „Jacob Fraction“, as they cannot yet decide to which fraction they belong to, all adults of the „Jacob's Fraction“ still in an innocent state as well as all unborn generations of both „Fractions“ are under the protection of the *Blessing of Esau* and thus shall not become victim of imperialistic violence. From this follows that the individual loses this protection then only, if, being of age, leaves the moral and protective zone by employing oppression, agitation and violence, or if members of the „Jacob Fraction“ do not follow the rules that became highest law. *This means that both parties are now in a situation that demands correct moral and ideological acting by both sides*.

As you can see, all wisdom is out there, the door has been opened to get out of the madness, time to get serious about the people keeping this YaH-Theater alive. No, it is not the jews/ jesuits/ freemasons/phoenicians/mongols, it is you out there.

What you must have noticed by now is that all people who have been (or claimed to have been) harassed, arrested and imprisoned since 1952, were all people participating in the YaH-Theater. They do not arrest people outside the Collective Psychosis. All those people who were (or claimed were) arrested, imprisoned or harassed were either christians, jews, freemasons or member of another Jacob-faction organisation. All willing members of the Jacob-Faction and therefore actors/participants in the YaH-Theater.

You cannot claim that the bible is 'the word of god', and then complain that the jews make the rules in the world. It is written in the bible, you have no grounds to complain. You agree the jews are supposed to rule the world, and therefore 'they' are allowed to arrest you. If you do not participate in the Psychosis, you have made clear that 'they' have no power/authority over you. You rule yourself, therefore they have to leave you alone, on orders of YaHWeH.

Exiting the YaH-Theater Collectively

As long as the majority of people love to participate in the YaH-Theater, love being a slave and victim, and love their fantasy-world, the only way out for an individual is the Esau-blessing. However that is not the solution to our problems. We need to make The YaH-Theater history.

If we want to live in Peace and Freedom, we all have to abandon this YaH-Theater and start living in Reality. Only when people are willing to give up their fantasies the curtain will fall. This whole YaH-Theater is based on the fairy tale that there is a jewish ghost called YaHWeH who has given the Committee of 300, The Council of Pisa, the idolatrous liars and deceivers (= jews = Jacobs) in this YaH-Theater, the 'authority' to rule over us. There is no ghost called YaHWeH, the bible is a book of fairy tales and there is no such thing as an authority outside yourself, it is all an illusion.

The ONLY authority that exists is your own Seele (Soul). As long as people give others permission to tell them what to think and what to do, the show will go on.

Countries, governments, their laws, tax, money, economy, religions and the whole of modern 'science' are all illusions of the YaH-Theater. None of it is real, it is all part of the fairy tale. The establishment of countries and installing of governments was just a land-grab to take our freedom away. The laws are there to limit your freedoms even more, and punish you when you refuse to obey the non-existing 'authority'. The imaginary money that was introduced, is to make you poorer by the day. You pay tax to pay the dictators of the world to dictate what you are allowed to do and think. The economy is based on keeping people busy with useless jobs, so they do not have time to think, and no time to grow their own food, build their own house and create whatever they need to have a satisfactory life.

Modern 'science' consists ONLY of jewish fantasies and hallucinations, 'proven' to be real by freemasons and jesuits. All of it is an illusion, none of it exists in Reality. They have managed to construct, with the help of modern 'science', a fantasy-world in which the whole of man-kind is living now.

It is all an illusion. Nothing is real. It exists because people believe it is real and keep participating in this YaH-Theater. If everybody would abandon his/her job, ignore the government, abandon their religion (collective psychosis) and start living peacefully in their own communities, the illusion will disappear.

Let me first explain where we are now.

We have already seen that 100 years ago the concept of induced-insanity was introduced. All the tactics and methods to induce insanity were from the start used on 'volunteers' (mind you the jesuits enter the monasteries/convents as children) entering the Jesuit Order and freemasonry. All of them underwent these tactics and methods in order to get them in a state of induced insanity. Now these tactics are being used on the general population.

This started already 100 years ago. However, back then there was no TV or internet. This mass conversion of people into psychotic, paranoid schizophrenics has increased a

thousand fold. Most, if not all, people on internet, 'entertainment'-, medical- and psychology-businesses are knowingly or unknowingly assisting in this mass-conversion.

What are the tactics and methods being used to get people in an induced-insanity state?

Induced insanity:

Schizophrenia: Living in a fantasy-world;

Delusions: Believing your fantasies to be reality;

Delusions of grandeur: Believing you are special, chosen, better than others;

Hallucinations: Seeing, hearing, smelling, feeling things that are not there;

Hypnotic state: Erasing common sense and free will, brainless reacting on suggestions;

Paranoia: Irrational fear of non-existing entities, dangers, persecution;

Psychotic: Unable to use common sense, logical thinking, acting outside your fantasy-

world: being 'spiritual' or 'religious': acting out your fantasy-world;

Ecstatic state: Losing all fear, conscience, common sense, reality. Believing to be a god.

(Watch out for anybody using these tactics, methods and suggestions. They are all a danger to your mental health and Freedom of your Seele.)

The methods, tactics and suggestions:

Inducing schizophrenia, laying the groundwork in children:

Telling children santa claus/ sinterklaas is real;

Telling children the bible is real: YHWH, Jesus, heaven and hell are real;

Telling children angels, demons, ghosts, fairies, etc. are real;

Brainwash children with books/movies of fairy tales, magic, superheroes, cartoon figures, etc.;

Dressing children up in fairy tale, cartoon figures;

Forcing children to love non-existing YHWH, Jesus or any other ghost;

Scaring children with non-existing entities;

Encouraging children to fantasise, make up fairy tales and believing in an invisible friend;

Telling children they can be what ever they want to be;

Believing your own fantasies, hallucinations, lies and fairy tales are true;

Convincing a child he/she has to believe in something otherwise 'life is not worth living';

Etc.

Delusions caused by suggestions:

Believing what other people say or wrote in a book ('holy' or not) to be true;

Believing two or more contradictory statements about the same event/phenomena are true;

Believing your, or other people's, theories are reality (all theory is fantasy, when it is proven real it is called Reality);

Believing that your fantasy-version of yourself is your identity;

Believing that you are of another sex, race or species than you in Reality are;

Believing that non-existing entities (gods, angels, demons, satan, aliens, spirits) are real;

Believing that objects (stones, stars, amulets) have special powers influencing your life or health;

- # Believing magic and psychic abilities (talking to dead people, seeing the future, time-travelling, remote-viewing, telepathy, etc.) are real;
- # Believing the 'universe' is influencing your life;
- # Believing you are tested, by whatever, in this life, to see if you are worthy for that special place that is reserved for you after death;
- # Believing that some people have special powers and are interfering in your life, causing you trouble, failures or accidents;
- # Believing people are stealing your energy, altering your memories, changing your thoughts or putting thoughts in your head;
- # Believing other people's fantasies, beliefs, hallucinations, opinions, lies and fairy tales are true (the basis of religion, state, modern 'science' and 'truth'-movement);
- # Believing you are special or chosen by whatever, to save humanity, the earth, or whatever;
- # Believing there is some magic potion out there, which is hidden from us, that will heal all diseases;
- # Etc.

Inducing (self-) hypnosis, making people more suggestible:

- # Repetitive (music) sounds, drum-beats, computer-rythms, heavy-metal, etc.;
- # Flashing lights;
- # Trance music or exercises;
- # Pop-concerts;
- # Yoga and other New Age exercises;
- # Symbols and signals having a certain meaning assigned to it;
- # Watching moving or swirling images;
- # Rituals (religious, spiritual, secret, 'magic', oath-swearing, handshakes, etc.);
- # Ritual/ spiritual dancing or exercises;
- # Sex exercises;
- # Gaming-, porno-, gambling-, drugs-, alcohol-, sex- and any other addiction;
- # Mantra's;
- # Meditation;
- # Breathing exercises;
- # Excessive (daily) physical exercises (jogging, fitness);
- # Listening to people with a monotonous, soothing, voice;
- # Watching TV or computer screen for a long period of time;
- # Any self-learned repetitive behaviour or speech;
- # Use of sentences with unnecessary words: f.i. Trump: "We have many, very beautiful, very effective, extraordinary weapons of mass-destruction."
- # Purposefully staring or focussing on something (f.i. the sun, point, line) or someone for a (long) period of time;
- # Scrolling on a smart-phone;
- # Words/sentences on a bar moving from one side to the other on a screen;
- # Luck or fear expectations;
- # Etc.

Inducing hallucinations:

- # Fasting;
- # Dehydration;
- # Sex exercises and addiction;

- # 'Elevating your frequency' exercises;
- # Sleep deprivation;
- # Religious/ spiritual rituals;
- # Reading/memorising the bible as a child;
- # Staring for a long time at (religious) imagery;
- # Watching horror or other fear-porn movies;
- # Yoga exercises;
- # Breathing exercises;
- # Legal or illegal drugs;
- # Alcohol;
- # Lucid-dreaming and other 'New Age' exercises;
- # Etc.

Paranoia:

- # Scaring children/people with hell;
- # Threatening children with what is going to happen if they do not obey orders;
- # Listening daily to fear-porn on TV or internet;
- # Germ-theory or Terrain-theory propaganda;
- # Climate change (due to non-existent CO2), ice age, non-existing sun-spots propaganda;
- # Frequency- propaganda, like "your modem is watching you", Direct Energy Weapons, etc.;
- # Fear for non-existent parasites in your food and water;
- # Fear for non-existent grafeen-oxide in your food, water, vaccines, etc.;
- # Fear for non-existing demons and satan;
- # Fear-porn: 'They' are harvesting souls and/or energy;
- # Fear-porn: 'They' want to steal your children and eat them;
- # Fear of the boogeyman who wants to upload your non-existent consciousness into an AI';
- # Fear for Russians or Chinese wanting to steal your data, start a war, etc.;
- # Fear for non-existent nuclear or biological weapons;
- # Etc.

Inducing an ecstatic state:

- # Legal and illegal drugs;
- # Monotonous, computer, repetitive beat music;
- # Music (pop, heavy metal, electronic etc.) concerts;
- # Any mass-crowd gathering (political, music, religious, etc.) where people react as a mass on suggestions;
- # Combination of mass-crowd, music, alcohol, drugs;
- # Yoga and other New Age exercises;
- # Alcohol;
- # Sex 'magic', exercises and addiction;
- # Watching porn movies and images;
- # Harming, raping, torturing, killing people or animals;
- # Religious/ spiritual rituals;
- # 'Hallelujah' church ceremonies;
- # Supposed 'healing' ceremonies and rituals;
- # Feeling of being special, superior, chosen;
- # Etc.

Deepen the schizophrenic state into a psychotic state by making you feel special:

- # 'Grounding': convincing you that walking on bare feet will magically make you live in reality. You are a special kind of human, 'connected to nature', others are floating around;
- # 'Waking up': convincing you that believing in an alternative fairy tale you will magically live in reality, while others are 'asleep'. You are a special kind of human;
- # NPC (non-player-character)-propaganda (simulation-theory): convincing you that you are a special kind of human who sees it all, while others lack the non-existing consciousness to see reality (or are soulless beings), therefore you are special, others are just dead shells;
- # The Matrix-propaganda 1: take a red, blue, green, black, or whatever, pill and you become a special kind of human who sees it all, the others took the wrong colour or no pill and therefore understand nothing;
- # The Matrix-propaganda 2: The Matrix is outside of you, fed to us by demonic, satanic, devilish entities, who are not really human. You are a special kind of human who is able to see the Matrix, others are just sleepwalking zombies;
- # 'They' want to change your beliefs, so if you listen to this 'expert' I present to you, who explains how to protect your beliefs, you will become a special kind of human who will not be brainwashed by the system, unlike all these brainwashed zombies out there;
- # Unvaccinated: convincing you that because you found out that vaccines are bad for your health, you are a special kind of human. You see it all, you 'know' what 'they' are doing. The others are dumb sheeple, who do not understand anything;
- # Etc.

The most powerful 'weapon' they use to get people into a permanent state of psychotic paranoid schizophrenia:

Censorship.

Yes, the reason for censorship is not about protecting themselves. There is no need any more, everybody goes along with this YaH-Theater, even the people who point out that certain aspects of the YaH-Theater are fake. No, censorship is the ultimate weapon of making sure nobody snaps out of his/her schizophrenic state.

Every time people get censored, what is their response: "See, I am telling the truth and now 'they' are censoring it. 'They' do not want you to know the truth. 'They' want to take your beliefs and faith away." Aha, yes. By pretending that 'they' do not want you to believe the supposed truth these schizophrenics are spewing all over the internet, 'they' make them even more fanatically believing in their own fantasies. These supposed truth-tellers go from schizophrenic to psychotic and become increasingly more paranoid in the process.

Now everybody who disagrees with their 'truth' has become the enemy and has to be fought with all means available. The censorship has radicalised the most modest schizophrenics out there. They will never ever give up their fantasy-life any more. Because the censorship has 'proven' that their fairy tale is 'truth'. (You can identify them due to their hysterical talking, getting all worked up over their 'truth'.)

Although once in a while 'they' censor the Truth, it is on a very small scale, because first of all the amount of Truth on the internet is extremely small, and secondly, it is most of the time drowning in an ocean of lies that comes with it. 'They' are not concerned about the few people who might realise some Truth. 'Their' major objective is to have people

permanently in a psychotic paranoid schizophrenic state, and that is why there are laws of censorship. The few Truths could get 'accidentally lost', the mass-censorship laws are there to finalise this part of the YaH-Theater: making sure nobody is even able any more to travel the road to Sanity and Reality.

I hope you get the picture. All of these people have lost contact with their Seele, and with that lost their conscience, own free will, common sense, logical thinking capacities, wisdom and their connection to reality. All are floating around in their self-created fairy tale, unable to think clearly, make sensible decisions or make their own choices. All are guided by their beliefs, other people's suggestions, irrational fear and hallucinations/ dreams/ visions belonging to their fairy tale.

Is there anybody in households, schools/universities, 'health'-centres, alternative medicine promoters, churches/mosques/synagogues/spiritual centres, secret societies, media-companies, boardrooms of businesses/organisations, 'entertainment'-businesses, art-galleries, classical music/dance, opera, professional sports, all offices, factories, people on TV and internet (and everything else people call modern, advanced or civilised) not enforcing these tactics and methods, day in day out?

'They' used Religion, State and Modern 'science' to brainwash everybody into a schizophrenic state and use mongol/jewish 'magic', rituals and suggestions in order to change that state into a psychotic, paranoid schizophrenic state. All religious people, that is christians, muslims, jews and 'New Age'-ers, all state-agents ('authorities'), academics and 'scientists' ('authorities') are not only brainwashed, 'they' use rituals and suggestion to deepen their schizophrenic state. They are made paranoid by convincing them other people (or non-existent entities) are after them, because they are jealous of their special status, of their 'knowledge', or whatever they come up with, to make them paranoid schizophrenic. By being constantly told that they are a special kind of human, because they have 'knowledge' nobody has, they turn into psychotic, paranoid schizophrenics.

The TV was invented to deepen the schizophrenic state people were already in, into outright induced psychotic, paranoid schizophrenics. The same state all non-jewish jesuits and freemasons are in. This is the state the jews and phoenicians came into because they cut off the penis of 8 day old babies and rape male and female babies. They are in a psychotic, paranoid schizophrenic state because of this traumatic torture they endured as a baby. 'They' have been busy, from the start (1409) to change everybody else in their psychiatric condition. Before that time 'they' were just 'happy' dragging all people in their schizophrenic state, with their religions and 'magic'. After 1408, their condition changed and with that the rest of the world had to change into full-blown psychotic, paranoid schizophrenics.

Now we have internet for the finishing touch. All these people claiming they are 'Grounded', 'Awake', 'PCs', 'Pill-swallowers', 'Brainwash-resistant', or are unvaccinated are convinced they live in reality. These people are even further away from Reality than the people only watching the news on TV for half an hour. And while the latter are brainwashed by an outside source, the first lot has done the brainwashing themselves. How will they ever get themselves out of this state? They are, after all, a 'special kind of human'. They see what the rest cannot see, so why on earth would they listen to somebody coming along telling them they are living in a fantasy-world?

I think that we have reached the point of no return and that was deliberately done to finish this 'project' by 2025 = 9, so they can start a new 'project' this year. 'They' ramped up their attempts during the Covid-era and flooded the internet with agents, trained to turn people into psychotic paranoid schizophrenics. All of a sudden everybody 'woke up' and felt the need to explain their fantasy-world on the internet, dragging everybody into their delusions. This Covid-PsyOp served 'them' on so many levels: the transfer of wealth, testing the obedience of people, testing their past efforts to turn people into paranoid schizophrenics and starting the phase of induced psychotic paranoid schizophrenia, with their 'you are a special kind of human' brainwash.

As I have already written, I do not do this in the delusion I will change anything. I write my work in order to explain to everybody, who is still capable of listening to common sense, how we got here, what the problem is, and what the solution is out of this madness. I want people to understand that they themselves are the problem, that the Matrix is not out there, but is the Filter inside their brain. They live in a Matrix, because they live in their Filter, which is filled to the rim with lies, fantasies, beliefs and religion.

People themselves create the Matrix they are living in, they live in the fantasy-world they themselves have created. And no amount of 'grounding', taking pills so you know which boogeyman you are supposed to blame, explanation that the Matrix is outside you, or is a computer-game made by the non-existent Lucifer, or being unvaccinated, will ever get you back into Reality. You have to empty that Filter, delete the lies, fantasies, beliefs, religion and fairy tales in order to be able to live in Reality. That is hard work, that is painful, that is tiresome. You will lose your fake identity, which you have based on those fantasies.

It takes so much courage and determination, I doubt many people will be willing to get themselves out of this mess. How much more comfortable is it to live in this fairy tale people cooked up, in which they are this all-knowing prince or princess on a white horse, who is going to bring 'freedom' and 'peace', if only all people would be willing to live in their fairy tale. And so the fighting goes on. There are billions of fairy tales, because billions of people have cooked up their own fairy tale, and they all want others to live in theirs. There will never be Peace if people are not willing to abandon their fairy tale and start living in Reality. Since there is only one Reality, when everybody lives in Reality there is nothing to fight about any more.

There is no: "In my reality..", it means: "In my psychosis...".
There is no: "It is my truth...", it means: "It is my fantasy..".

Nobody owns Reality = Truth. There is no 'your version of truth or reality', there is only your version of a fairy tale. There is only one Reality = Truth and it is based on the Laws of Nature, Common Sense, Science (that is Real, Germanic Science), Experience and Wisdom. Everything else is Kabbalah: fantasies and hallucinations.

Unfortunately, we deal with people who are (induced-)schizophrenics, and therefore unable to understand Truth = Reality, time and again people tell me: "Yes, I live in reality, yes, I want truth." None of it is true, because they do not know what these words mean, and therefore, they will do everything in their power to ward off Truth = Reality. That is the problem with schizophrenics: They believe that their fantasy-world is reality and their beliefs are truth. They hate Truth = Reality, because it is their biggest enemy, who is always on the look out to destroy their fantasy-world.

This makes it very hard to get people to understand what I write, or what our ancestors wrote in the OLB. You will have to do a simple exercise:

Every time you start a sentence with: "I believe" or "In my opinion" you have to stop talking and think, because you are now going to explain your fantasy-world. Now you know you have to get rid of that what you were about to say. You either prove that what you wanted to say is true, not with other people's opinion (= delusion) but with your own eyes, ears and common sense or you disprove the statement. One by one you have to get rid of all your beliefs and opinions.

Additionally: Throw away your smart-phone and stop participating in the YaH-Theater on social and alternative media. You need to stop brainwashing yourself. As long as you walk around with a smart-phone you show to yourself and everybody else:

1. I love the YaH-Theater, give me more lies and fantasies to feed my addiction;
2. I love being a slave.

There are three rules you can use in order to heal yourself:

1: The behaviour of others you dislike the most, is the behaviour you yourself display.

This means every time you get angry/annoyed while watching another person because of his/her behaviour, you know that is what you do yourself. Now you can identify it and change it from unconscious behaviour into conscious behaviour, every time you behave like that. Then you can change it. It takes a while, but you will get better and faster at it, once you have experience.

So, anybody out there who is angry at 'them' because 'they' are lying to you, 'they' are enslaving you, 'they' do not want the Truth, 'they' want you believing lies, well you are angry because your Seele knows and tells your Filter (psyche): you are lying to yourself, you are enslaving yourself, you do not want the Truth, you want to believe in lies. You are angry at 'them', because you do exactly the same as 'they' do. Your Seele (Truth) is in conflict with your Filter (Lies), and now your Filter is angry at your Seele and tells it to shut up.

2. You can only be angry at another person, when you are angry at yourself.

The anger people feel towards themselves, they will project onto others. You will all have experienced that you made a mistake that angers you and the first person who comes along and asks something, gets a shout or tirade over him/her for no reason at all. That is the anger towards yourself being projected on another person.

That means if you are angry at someone, even if it sounds reasonable, it is always your internal conflict that makes you projecting it onto others. (I am not talking about the initial response after somebody has kicked, abused or raped you of course.) Any lingering internal conflict creates anger and that anger goes to the outside. That conflict can be a traumatic event in the past, a mistake you made with serious consequences, an inaction that led to harm, or any of the other of thousands of possibilities. Once you have solved that conflict or conflicts, the anger disappears, and you are no longer angry at other people.

3: Only a lie can be offended, the Truth can never be offended.

If you are offended by what another person says then you believe in a lie. It does not matter whether the other person tells the Truth or lies, the moment you get angry/offended by what others say, you believe a lie and you are protecting it with all your might. Now, every time you get angry/offended because someone says something, you stop and think. You know there is a belief in your Filter and it is colliding with the Truth = Seele. Get rid of that belief. No belief → no anger/ feeling offended.

Once you are without beliefs, you will no longer be offended any more because of what they say. Whatever they say or do, you will just shake your head and move on with what you were doing. You will have no urge to start arguing with that person, you just ignore it. When you are standing in the rain and the person next to you says: "I am glad the sun is shining" you do not feel the urge to defend the rain, you just shake your head and walk on.

The Truth does not need defending, it stands firmly on its own. A lie however, needs to be protected by arguing, verbal and/or physical abuse.

According to Mathilde Ludendorff:

There are two kinds of schizophrenics, engaging in this YaH-Theater: The positive and the negative schizophrenic. What does that mean? She gives an example:

An order is being given: "Stick out your tongue." Now what happens to the different people:

1. The positive schizophrenic immediately sticks out his/her tongue in complete obedience;
2. The negative schizophrenic keeps his/her tongue with all his/her might within his/her mouth;
3. The sane human being ignores what is being said, and just goes on with what he/she was doing. The order goes one ear in, and the other ear out, without even being registered.

Now you realise that all people on the internet are schizophrenic, even the ones calling everything fake. All of them feel the urge to respond to a certain command/event. None of them are capable of just ignoring the whole YaH-Theater. They all feel the urge to give their opinion: They all react, either positive or negative.

And while the negative-schizophrenics call everybody else stupid, ignorant and 'asleep' because they believe in fairy tales that they, the neg-schizo's, do not believe in, at the same time they start screaming "satanic", "hell", "controlled opposition" or "jew/jesuit/freemason" when somebody points out that they themselves are believing in fairy tales. All these schizophrenics are hypocrites. "Your fairy tales are fake, my fairy tales are real."

'They' do not care whether you are positive or negative schizophrenic, as long as you keep yourself and others engaged in the YaH-Theater (double-entry bookkeeping remember, keep everybody divided and arguing with each other). Because either way, none of them, nor their followers, will ever be able to snap out of the Collective Psychosis: The YaH-Theater. They are all fighting over which fairy tale is reality, and as long as they keep busy

fighting each other over fantasies, none of them will ever become Sane. They will never realise what the words Truth, Reality, Freedom and Right mean. We will never be able to Unite in Reality, which would lead to the disappearance of the YaH-Theater.

The YaH-Theater only exists in the Filters of the collective, it is an illusion. When everybody empties their Filter that illusion will evaporate. It is the people themselves who keep this illusion alive.

We have a choice, we can collectively abandon this YaH-Theater, and demand that only people who are capable of living in Reality stay in FryasLand ('Europe'), or people keep their beloved fantasy-worlds, which means handing our lives and our land over to them. If you choose the latter, you have no reason to complain. If you give away your authority to a bunch of schizophrenic foreigners, you have no reason to complain. If you want to believe in jewish fairy tales, because you have the 'right' to be religious = psychotic, you have no reason to complain.

It is those people who keep this YaH-Theater alive. We could end it today, if people were willing to give up their beliefs, opinions, lies and fantasies. As I have explained, in my english presentation, the root cause of all evil is: Laziness, Stupidity and Submission. People are too lazy to take responsibility for their own lives, too dumb to think for themselves and love being a slave of another person and of their own beliefs. You are not a victim of another person because of 'them', you are your own worst enemy. When you stop being a slave and victim of your own behaviour and beliefs, you will be Free. You are the one imprisoning yourself, because nobody has the power, nor authority, to imprison you. You did it all by yourself.

You gave away your powers to others, you gave other people the authority to tell you what to do, what to think and how to live your life. And now people are all crying, moaning and complaining, all over the internet, how 'they' took away their freedom. 'They' did not take away your freedom, you gave it to them. If you had used your common sense, listened to the wisdom in your Seele and had stopped feeling sorry for yourself, you had figured out long ago that you are not a slave because they made you one, you are a slave because you were too lazy, dumb and submissive to take control over, and govern, your own life.

'They' have nothing, it is all an illusion, nothing is real. 'They' do not have any ground to stand on and 'they' know it. 'They' know that when everybody throws away their smart-phone, TV and internet and start ignoring the government 'they' cannot do anything. 'They' rely on us to keep this YaH-Theater going. What are 'they' to do when all soldiers, police-agents, and all other idiots enforcing their laws, stop doing their dirty work? 'They' are nothing without our participation.

That is why in every unholy book it is written that all non-believers have to be killed. That is why the NS-government ordered all non-believers to be imprisoned and killed. If people stop believing and participating in this YaH-Theater the game is over. That is why 'they' are so scared of non-believers. That is why 'they' spent hundreds of years murdering the hundreds of millions, if not billions, of non-believers all over the world. Who did the killing?

The people who let themselves be brainwashed into this Collective Psychosis and fanatically killed all non-believers, because supposedly they are evil, satanic, demonic, terrorists, etc. Those idiots murdered every Sane human being on earth because apparently only when you are schizophrenic/psychotic you are a good, moral and

righteous person. So who made this happen? Who created this insane world? 'They' or a bunch of lazy, dumb, submissive idiots who did 'their' dirty work?

We do not need people to 'wake up'. We need people to get out of this Collective Psychosis. It is not relevant whether you are 'asleep' or 'awake' within the Psychosis, we need people to snap out of this Psychosis. Get Real and get Real fast, because at this moment people are willingly committing suicide by staying in this Psychosis. 'They' want our land, 'they' do not want us. 'They' do not kill us, 'they' just convince you to commit individual and racial suicide by claiming it is for your own good: taking medication, vaccines, factory-'food', have no children, mix with other races, outright advising you to commit suicide, etc, etc, etc.

'They' have no power, it is people themselves who slowly kill themselves and our race. Our future is in your hands, not 'them'. 'They' have nothing but illusion. It is the people themselves determining whether or not we have a future. People are blaming an illusion for our problems, while they themselves are the ones causing the problem. Only when people start realising that simple obvious fact, things will change.

You can remove the current actors from the scene, it will not change anything because 'they' are not the problem. People will just demand other actors to take over 'their' roles, because people are lazy, dumb and submissive. People love to be a slave and love being a victim, because the last thing they want to do is taking responsibility for their own lives. People hate freedom, they prefer to call slavery freedom, so they do not have to change themselves and give up their fantasy-world, and thus they just pretend to be free.

At this moment people cannot handle the Truth = Reality because they live in a fantasy-world. Reality is their mortal enemy, because it destroys the fantasy they have based their identity on. So, get off the internet, because the internet makes sure you cannot abandon your fantasies any more, that is the reason 'they' released the internet to the public in the first place. Leave it behind so you can leave your fantasy-world behind, and start living in Reality. Free your Seele.

If you want the world to be a better place and get rid of the YaH-Theater: then start with yourself, because you created your own problem and only you can solve it. You are a slave because you want to be a slave. You are a victim because you want to be a victim. Now you need to blame a boogeyman for your own inadequacies, inactions and lack of courage. 'They' used your laziness, stupidity and submission to build this YaH-Theater. That means that determination, wisdom and self-governance can make it disappear. It is that simple. It just takes a bit of courage. Find it.

Really, it would be funny if it wasn't so sad. Hundreds of thousands, if not tens of millions, of people on the internet are wasting years of their lives figuring out the details of, and what we have to change within, the YaH-Theater, to have a better life. It is all a waste of time and energy. When everybody just cleans up his/her Filter the illusion = YaH-Theater will just go up in smoke. Had those millions of people spent their time and energy on just doing that, the problem would have been solved already. The whole of the YaH-Theater, the illusion, would have been gone.

Step 2 out of this mess.

Step 2 is only possible when people have cleaned up their Filter. The ONLY way to get rid of this YaH-Theater, once and for all, is stripping everybody from his/her power over others, and live in a community based structure in which you choose advisors/ councillors to assist in conflict resolution. But never ever give anybody power over your personal life, your brain, your body or your Seele. You can only be Free when your Seele is Free.

We can all exit this YaH-Theater when we all start living in Reality. When we all start working for our own good, our family's good and our community's good. When everybody takes responsibility for his/her own life. When everybody stops living in a fantasy. Then we will all live in Peace and Freedom.

The land of Frya ('Europe') is ours, it is the land of the Fryas, the White Race. We decide who lives here, we decide how we live here. None of the actors in this YaH-Theater are from here, they all come from Asia and have nothing to say here and 'they' know it. If 'they' want to play dictatorship, they should go back home and play out their fantasies over there.

We should tear down the churches, synagogues, mosques, government-buildings, schools, universities, office buildings, apartment buildings, flats, hospitals and any businesses that are not small family-owned businesses. None of it belongs to our culture, none of it is needed for a life in Peace and Freedom. They are all prisons. Everybody who is not capable of living in Reality, because they claim they have a 'right' to be psychotic (religious/spiritual) should leave and go live in a country where they love psychotic people.

Our communities should be based on Duties: the 8 Duties written in our Seele. We do not need no 'Human Rights', meaning the permissions given to us by the jews. These 'rights' are an illusion. 'Rights' are invented by jews in which they give you permission to live, eat, talk, live in a house, be brainwashed in schools and be tortured by the medical industry.

Notice that none of these 'rights' are for free. You are allowed to live in a house, but you have to pay the jews your whole life for that privilege. We do not need 'rights', we do not need permission from anybody to live, to speak, to build a house, to feed our family, to heal our body, and all other natural needs of our bodies to stay alive and live in Peace and Freedom. We do not need their permission, and we certainly do not need permission for anything from a bunch of schizophrenic foreigners.

In the OLB the Rules and Rights are written for a community in Peace and Freedom. (Read the OLB and use it as a guide for your community.) Every male Frya, real 'European', will receive a plot of land when he gets married. On that a house will be build. That is what a real Right means: doing the right thing. Not giving permission to live in a house which you then pay for till you die, but a free plot of land you can live on till you die, without any payment. This is our land, we do not have to pay for it. It is insanity.

We need wise women to stand up and let their voice be heard. Wise as in having wisdom, not delusional self-centred women spewing their fantasies. But women who have freed their Seele, who speak from their Seele and have no will, urge or demand for power over others. Women who, as true mothers, care for all children, for all people. Women who want everybody to live in Peace and Freedom and will make wise decisions in keeping the Folk united and equally wealthy. No that is not a fantasy, that is the way we lived for

thousands of years. The suppression and killing of wise women (only 700 years ago!) was the first step in getting us into this YaH-Theater. We need our Folk-Moder back, we need our BurgFamna back, and we need our wise councillors back.

We can do this, but we have to do it fast. Very soon people have gone so far off into insanity, there will be no way back for them into Reality. We can make this YaH-Theater history, today if we wanted. The choice is yours. You can make a difference.

Closing words.

I hope for you that, with the help of this book, you will understand our past and present, realise the necessity of clearing your Filter, and see crystal clear what the solution to our problem is: Back to the beginning: no government, no religions, no technology, just people minding their own business, taking responsibility for their own lives and taking care of their nearest. We need to go back to the World of Sanity, Truth and Reality if we want to live in Peace and Freedom for all.

If you want your children and grandchildren to have a future that is worth living, then we have to go back to the beginning. Yes, you will have to sacrifice your fake identity, the luxury, technology and money you believe you own, your (human) 'rights', and your fantasy-world. Living in Reality is hard work. You will have to provide yourself for all your needs. You will have to take up the responsibility for your own life, solve your own problems and exchange goods and labour. You will have to think for yourself, use your common sense and care for your old and sick family members. But you will be Free.

Mind you that the Psychotic World Order 'they' are planning for us means: 'They' will take your fake identity and determine what your identity will be, 'they' will take everything people believe they own including their money, 'they' will take away 'your' (human) 'rights', and 'they' will take away your fantasy-world, because there will only be one Psychosis everybody has to believe in. We will end up in a prison-cell kind of housing, not being able to take care of ourselves, make our own decisions, or healing ourselves. You will be a slave.

Notice anything?

You are going to lose everything I ask you to give up anyway. 'They' and I have the same 'roadmap'. The difference is the outcome. You either willingly give it all up and start living in Reality, so we can all live in Freedom and Peace, or 'they' will take it all away and we end up in a Psychotic World Order with paranoid schizophrenic slaves, in a prison we will never get out again. That is the choice we have.

If you truly are against the 'New World Order', if you truly dislike the way the world is run today, if you truly want your children and grandchildren to live in Peace and Freedom, then you have to abandon your fantasy-world, heal your Body and Seele by solving all your inner conflicts, empty your Filter and give your Seele the Freedom it needs to govern you.

It is the only way out of this YaH-Theater.

I hope you choose wisely.

The Meaning of Life

People buy their food from farmers and factories.
People buy their clothes from millionaires made by Chinese children.
People buy the decorations for their house from artists.
People hire a contractor to build and repair their house.
People pay psychologists and psychiatrists to 'solve' their mental problems.
People pay doctors to 'heal' their sickness.
People pay pharmaceutical and liquor companies to forget their problems.
People pay TV, internet and papers to tell them what to believe.

People spend 15 to 25 years in school to let others tell them how the world works.
People spend 40 to 60 years working to make somebody extremely rich and pay for all the above.

Then they have to go to India for a month or two in order to find 'the meaning of life'.

Here is an Idea:

Why don't you grow your own food, cook your own meal, make your own clothes, build your own house, make your own decorations, solve your own problems, heal your own body and use your own brain, senses and Seele to figure out how the world works?

**If you stop outsourcing the Meaning of Life,
the meaning will come to you, crystal clear.**

Just there in your own backyard when you weed and water the garden and see in amazement the vegetables and fruits growing.
Just then when you have finished your work on your house and look in amazement at what you never thought you would be able to do.
Just then when you have managed to solve the conflict and the tumour just disappears.
Just then when you have finished creating new clothes, your family looking all happy and smart.
Just then when your family tells you how delicious the meal was you cooked for them.
Just then when you and your neighbours have helped to fix and clean the house of your elderly neighbour and enjoy a nice drink and chat.
Just then when you see your child walking its first step or speaking its first words.
Just then when you sit in your backyard looking at the bees, birds and butterflies being busy and enjoying your garden, and you realize

how beautiful and amazing this world (wr'alda) is.

That is the Meaning of Life
